ICE-Y	Please also address the public's civic duty to obey the law, act with civility, promptly follow the directions of law enforcement and not to interfere during arrests or detentions either verbally or physically.	Brent
Immigration	This is to address the concerns regarding law enforcement involving themselves with a civil matter and who to hold liable for the sheriffs to act without a court order and remove someone from their home and all their belongings taken	Concerned
General Public Comment	I support the COC power of subpoena for LASD documents without major redactions. I do not agree that LASD has to meet and confer with employee groups. CA law and Measure R gives the power to the COC to subpoena LASD records and LA County Counsel should not block this process. The LA COC members are duly appointed by the BOS and are empowered to carry out their duties of civilian oversight of the LASD.	Carlos Montes
