Dear Prospective Sponsor,

On March 9th 2026, the Los Angeles County Commission for Women and the Los Angeles County Board of Supervisors will host a double milestone event to commemorate the 50th Anniversary of the Los Angeles County Commission for Women; as well as celebrate the Women of the Year's 40th Anniversary Commemorative Ruby Celebration Gala, which will be held at the historic Biltmore Hotel in downtown Los Angeles.

This year's event promises to be an exciting and rewarding experience. Held during Women's History Month, we will recognize courageous and dedicated women for their outstanding achievements in advancing gender equity and addressing various wellness and quality of life issues affecting women in Los Angeles County.

Not only a time of celebration, but our annual celebration funds critical educational scholarships. Since its inception in 1999, the Resilience Scholarship has been a resource of hope, aiming to support the dreams and aspirations of women and girls in Los Angeles County. Our unique criteria, designed to recognize and support women and girls who have prevailed despite significant adversity, is a testament to the resilience and determination that inspire us all.

This prestigious event is the Commission's sole fundraising occasion. Proceeds will support vital outreach initiatives throughout Los Angeles County, aligning with the Commission's mission to "Educate, Motivate, and Inspire Women."

We invite you to join us in this grand celebration by becoming a sponsor. Sponsorship opportunities are detailed in the enclosed Sponsor Application. Our sponsorship levels allow your organization not only to be recognized as a partner of the LACCW in our mission on various platforms, but to also impact the lives of women and girls significantly throughout the County. From printed ads to social media, and speaking opportunities at our event, we look forward to celebrating our partnership with you as we celebrate 50 years of uplifting the women and girls of Los Angeles County. In service to, and advocacy for, the five million plus women and girls we represent. With your help the women and girls of Los Angeles County will continue to rise, thrive, and move forward in unity, creating a brighter future for all!

To ensure your sponsorship is included in our printed materials, please review, and respond to the application by no later than December 5, 2025.

We appreciate your consideration and look forward to partnering with you as we celebrate 50 years of uplifting the women and girls of Los Angeles County. If you have any questions, please do not hesitate to contact Commission staff at: 213-974-1455 or by email: laccw@bos.lacounty.gov.

LOS ANGELES COUNTY COMMISSION FOR WOMEN'S RESILIENCE SCHOLARSHIP

Commissioner Janet Elliot Mummey, Esq., of the Los Angeles County Commission for Women, had the foresight and impetus to create the Resilience Scholarship. A tireless champion for women, children, and the elderly, she dedicated her professional career to empowering and improving women's education. Since the inception of the Resilience Scholarship in 1999, the Los Angeles County Commission for Women has maintained its steadfast commitment to this invaluable endeavor. The Commission for Women has awarded more than half a million dollars in educational scholarships to women throughout Los Angeles County.

SCHOLARSHIP PURPOSE

The Resilience Scholarship has ultimately evolved as a source of financial support and motivational resource for women within Los Angeles County wishing to pursue a college degree or post-secondary certification program. The scholarship seeks to support women and girls whose resilience and determination have overcome considerable hardship. As such, our scholarship funds can subsidize incidentals above and beyond allowable expenses covered by federal and state financial aid.

In this gathering we see the strength in each other and remember our own in the process. The financial assistance is necessary, but the sisterhood and community is what uplifts, inspires, and propels us to reach beyond what we thought possible.
~ Commissioner Jennifer Baird Anderson

The Resilience Scholarship has not only helped alleviate my financial burden but also connected me with a network of inspiring individuals. It reminded me of my own strength and potential, making this support invaluable on my journey.
~ Liana

After attending the ceremony and hearing the tales of my fellow scholarship winners, as well as the advice and words from [the Commissioners], I felt immensely encouraged and eager to continue forward and reach new heights, recognizing that I am a strong and resilient woman.
~ Laura
