\* The elevator in CRDF on the left side (if entering, to the left of the watch commander office) is still out of service. On my last visit on 4/23/24, it was said to have broken 3 weeks before. Access is difficult as the tower has to go on lockdown to do food service and deputies are walking people down (takes 2). The stairs are cleaner than they were the Commissioner's last visit, however. Some of the push doors were not closing fully/ properly.
