100. Narrative Report

There are 2 cells and 1 booking cell. All cells were clean, toilets and sinks worked and recently painted. Menstrual products were readily available as well as meals (3 meals daily) were stored appropriately in fridges. Shower room was observed as a "stock" room however it was reported that if someone requests a shower as trustee can easily move crates out for individual to shower. Deputies conduct 30 min checks, and it was observed they do not have a sober cell, however if the need arises, incarcerated individual is sent to another station (South LA station). The typical stay for those arrested is about 2 days before being released or transported to county jail. The station has 2 trustees that complete daily work tasks (clean cells and office, prepare/pass out food, wash cars, take trash out, etc) with one incarcerated person in role of trustee for over 1 1/2 year. He reported no issues and expressed deputies are fair, respectful and feels comfortable to make requests if he needs anything. The station also has 5 boats in which deputies patrol the harbor and assist in rescues/fires and are called out for boats speeding or crimes committed occurring on the water.

Dep. James Scranton (Jailer) provided thorough job of explaining intake process and was welcoming and open to questions.

Lt. Kuiana Penn was welcoming and open to address any concerns and answered any questions.
