

L.A. COUNTY LISTENING SESSIONS

JOIN US AND SPREAD THE WORD ABOUT UPCOMING LISTENING SESSIONS ON L.A. COUNTY GOVERNANCE.

Los Angeles, CA - At the direction of the Los Angeles County Board of Supervisors, KH Consulting Group (KH) is conducting an independent study to identify strengths and challenges of L.A. County's current governance model and make recommendations for actionable change.

As an important part of this effort, KH will host a number of in-person and virtual **L.A. County Listening Sessions**. We invite representatives from interested CBOs, NGOs, and other representative organizations to join us. Session participants will learn more about Los Angeles County governance and have the opportunity to share relevant experiences and ideas for enhancing County services and ensuring inclusivity and transparency.

In-person sessions will take place at various locations across Los Angeles County between April 17th and April 24th, 2025. Two virtual sessions will take place via Zoom on May 6th and May 8th, 2025. The attached PDF provides more information on session times, dates, and locations.
