X. ITEMS CONTINUED FROM PREVIOUS MEETINGS FOR FURTHER DISCUSSION AND ACTION BY THE BOARD

- A-7.** Discussion and consideration of necessary actions on issues or action taken by the Federal government relating to immigration policies, as requested by Supervisors Barger and Solis at the meeting of January 17, 2017 and revised by Supervisors Solis and Hahn on September 12, 2017. (A-14)

Supervisor Solis made a motion to direct the Chief Executive Officer to send a five-signature letter to the Secretary of the Department of Homeland Security (DHS), the Senate and House Leadership, and the Los Angeles County Congressional Delegation to reject the proposal that would allow the DHS to consider whether an applicant has received public benefits for themselves or their children, including American-born children, in deciding whether to grant an application for immigrant status and any proposal that expands the 1999 guidelines to direct consideration of any non-cash benefits in determining eligibility for immigrant status; and instruct County Counsel to monitor the status of the law on this issue, and any further proposals by the Federal government to change its priorities for immigration enforcement, and present recommendations to the Board to participate in litigation as amicus or otherwise in opposition to increased immigration enforcement activity or stricter immigration policies against recipients of non-cash public benefits, as deemed appropriate by County Counsel.

After discussion, on motion of Supervisor Solis, seconded by Supervisor Hahn, this item was received and filed; and the Chief Executive Officer was directed to send a five-signature letter to the Secretary of the Department of Homeland Security, the Senate and House Leadership, and the Los Angeles County Congressional Delegation to reject the proposal that would allow the DHS to consider whether an applicant has received public benefits for themselves or their children, including American-born children, in deciding whether to grant an application for immigrant status and any proposal that expands the 1999 guidelines to direct consideration of any non-cash benefits in determining eligibility for immigrant status; and County Counsel was instructed to monitor the status of the law on this issue, and any further proposals by the Federal government to change its priorities for immigration enforcement, and present recommendations to the Board to participate in litigation as amicus or otherwise in opposition to increased immigration enforcement activity or stricter immigration policies against recipients of non-cash public benefits, as deemed appropriate by County Counsel.
