**2. Blind Removals Moving Forward: Color Consciousness and Safeguarding Against Racial Bias**

Revised recommendation as submitted by Supervisors Mitchell and Horvath: Instruct the Director of Children and Family Services to consider and incorporate, as appropriate, the recommendations found in the University of California Los Angeles' Pritzker Center for Strengthening Children and Families "Beyond Blind Removal: Color Consciousness and Anti-Racism in Los Angeles County Child Welfare" report, beginning with the implementation of upstream enhancements, targeting the root cause of disproportionalities among Black families and children in the child welfare system; and take the following actions:

Require Eliminating Racial Disproportionality and Disparity (ERDD) roundtables discussions at all Department of Children and Family Services (DCFS) regional offices, normalize talking about race, including conversations during the review process, touch points and Child and Family Team Meetings, along with meaningful dialogue around anti-Black racism, discussions and talks about race and disproportionality should be regular, and occur in both individual and group supervision, including unit and general staff meetings, and develop a Departmental implementation and sustainability plan that will include, but not be limited to, the following efforts:

ERDD roundtable and debrief session discussions led by trained/skilled facilitators and/or coaches being held at all DCFS offices to build on equity practices; and

Creation of safe spaces that will allow trained/skilled facilitators and/or coaches to support staff and address the elevated emotions that may arise from having discussions about race and culture;

In consultation with the Executive Director of Racial Equity, reimagine and transform the organizational culture of the workforce by conducting an equity audit on upcoming reform efforts, as well as direct practices and training, identify gaps where current strategies are not being properly implemented or require improvement, identify regional office champions to assist with implementation and accountability;

In consultation with the Executive Director of the Office of Child Protection, identify and determine that all external support is engaged, including members of impacted communities, the Commission for Children and Families, the Alliance for Children's Rights, community-based organizations, faith-based organizations, trusted messengers, etc., for the ongoing development and evaluation of the DCFS' Office of Equity;

Authorize the Director of Children and Family Services, for the Office Equity, to enter into an agreement with an equity consultant that will work with the Department's Office of Equity Division to assist with the development of a holistic Diversity, Equity, and Inclusion strategic framework to further advance the equity work throughout DCFS; execute any necessary contract amendments and to terminate the agreement, if needed, DCFS must have sufficient funding in their budget to fund the agreement and any amendments; and

Instruct the Director of Children and Family Services, in consultation with the Center for Strategic Partnerships, to report back to the Board in writing within 90 days with a proposal for evaluating the project, the report back should address how the evaluation would be conducted, potential funding sources, and how the evaluation results would be presented along with the identification of successes and opportunities for further growth. **4. A Zero-Emission Vehicle Master Plan for Los Angeles County**

Revised recommendation as submitted by Supervisors Horvath and Mitchell: Instruct the Interim Director of Internal Services, in collaboration with the Chief Sustainability Officer, the Directors of Regional Planning, Economic Opportunity and Public Works, and the Agricultural Commissioner/Director of Weights and Measures, to develop within 180 days, a Zero-Emission Vehicle (ZEV) Master Plan that includes goals, strategies, and technical guidance to deliver on the County's zero-emission fleet goals, expand electric vehicle (EV) charger infrastructure throughout the County, promote EV ownership, and enhance EV charger reliability, with the plan to include the following:

Proposed strategies for EV infrastructure development across the County and an update from the Internal Services Department on the 2021 Zero Emission Infrastructure Plan, including specific updates on data-based solutions for EV charger deployment, as well as the development of the dashboard to identify patterns in usage and types of users; the 10-year deployment plan for Level 2 and Level 3/DC fast chargers; and the training program, action plan, and resources needed to build internal capacity of existing County staff to support clean transportation planning and EV supply equipment installation and maintenance;

Partnership with local electric utility companies to identify strategies for EV infrastructure development;

A report from all relevant County Departments to identify the barriers to implementing the Clean Fuel - Sustainable Fleet (Policy) and internal action plans to expand their zero-emission fleet and charging infrastructure;

Internal action plans from the Interim Director of Internal Services, the Director of Public Works, the Sheriff, and the Fire Chief, to accelerate ZEV acquisitions, including strategies to plan for and fund required charging infrastructure to ensure County Departments can transition to ZEV vehicles while avoiding operational impacts;

Performance standards and equipment specifications, that are in line with State and Federal legislative efforts, to ensure high reliability and recordkeeping of EV charging infrastructure installed for public- and privately-owned shared EV charging stations, including infrastructure installed in County facilities;

Recommendations on programs and code amendments that would expand EV charging zones in all appropriate areas in the County, such as for EV charging stations for new residential and nonresidential developments that incorporates standards from the California Green Building Standards Code;

With the assistance from the Director of Public Works and the Governor's Office of Business and Economic Development (GO-Biz), ZEV, identify obstacles in the permitting of EV chargers in the County and contracted cities, and provide recommendations for improvements to the process, ensuring compliance with Assembly Bill (AB) 1236, AB 970, and AB 126;

A plan to partner with the Director of Economic Opportunity, in coordination with the California Conservation Corps, International Brotherhood of Electrical Workers, Los Angeles Cleantech Incubator, GO-Biz, the California Workforce Development Board, and other relevant organizations, to identify and expand green job workforce training opportunities for individuals with barriers to employment including, but not limited to, a pathway for technicians to become Registered Service Agents to install EV chargers and to perform maintenance and repair services, a pathway into County green infrastructure jobs, and metrics to track outcomes;

With the assistance of the Director of Regional Planning, a plan to track metrics on key ZEV adoption as identified in the 2045 Climate Action Plan, including the number of ZEV registered and number of non-ZEVs registered in unincorporated Los Angeles County; the total sales of gasoline and diesel fuel in unincorporated Los Angeles County; the total number of gas stations decommissioned in unincorporated Los Angeles County; and specific tracking metrics for zero-emission infrastructure in unincorporated Los Angeles County;

Partnership opportunities with private, government, and non-governmental entities to ensure best practices including, but not limited to, the Los Angeles Cleantech Incubator and the public-private Transportation Electrification Partnership;

Strategies and a community outreach plan to ensure low-income communities have equitable access to infrastructure;

Targets for grant funding and strategies to finance EV purchases using IRA tax credits and other State and Federal grants that are newly available to governments, as well as grants for workforce training and small business development in line with the Federal Justice 40 principles;

Staffing or other resources needed to implement these strategies; and

An annual report back to the Board with updates on the progress towards implementing all aspects of the ZEV Plan, including Departments' progress in meeting their clean fleet goals. (24-1487)
