8. Meeting Probation's Emergency with a New Approach to Budgeting

Revised recommendation as submitted by Supervisors Horvath and Mitchell: Direct the Chief Executive Officer, in collaboration with the Chief Probation Officer, to report back to the Board in 120 days with a detailed analysis of Probation's budget and a proposed strategy for realigning Probation's budget to better reflect current operations and resources, and the implementation of the Board's stated priorities, given population, organizational, and cost changes in recent years ("Budget Realignment Strategy"). The Budget Realignment Strategy should be consistent with the Board's Youth Justice Reimagined, Care First, Jails Last, and girls and gender expansive youth decarceration visions, and should:

Reflect a coherent strategy for realigning Probation's budget to better reflect current operations and resources, given organizational and cost changes in recent years;

Reference the alternative budget method, or approach the Chief Executive Officer believes should be used consistently as a guide or benchmark in the development of Probation's Fiscal Year (FY) 2027-28 budget, to realign budget appropriation and funding to reflect Board priorities - including, but not limited to, classification consolidations, compliance with oversight entities and settlement agreements, structural budget gaps, supporting the transition of relevant services to the Department of Youth Development, and potential transition of other services to County partners, and describe how the Chief Executive Office will incorporate this strategy into the development of the 2027 - 28 budget.

The realignment of funding resources should also address efforts focused on reducing the incarceration of girls and gender expansive youth, maximizing opportunities for supportive services within and outside of custody, and transferring programming and other critical resources outside of the Probation Department where appropriate.

The Budget Realignment Strategy and identified areas for realignment should be actionable and capable of being phased in beginning with the FY 2027-28 Recommended Budget.

Direct the Chief Executive Officer as lead, and the Chief Probation Officer, to report back to the Board in 90 days with a framework for enhanced grant fund management and monitoring that will improve the transparency, monitoring, and decision-making processes related to grant funded programs managed by Probation, including, but not limited to, the Juvenile Justice Coordinating Committee and Juvenile Justice Realignment Block Grants, as well as those related

to services for Commercially Sexually Exploited Children (CSEC) youth such as SB 794 and SB 855 funds. The framework should consider the following:

Development and implementation of a standardized reporting tool that provides timely updates on the status of budget programs including funding eligibility, comprehensive program descriptions, providers, funding allocations, expenditures, and remaining balances;

Use of innovative tools, technologies, and consultant services that support the implementation of enhanced data collection and reporting capabilities inclusive of performance metrics to evaluate the effectiveness of fund utilization and the impact of funded programs; and

Develop and deliver training to committees or advisory bodies supported by Probation, including review of standardized funding reports; quarterly meetings to discuss any necessary adjustments; and a mechanism for committee members to provide feedback to facilitate continuous improvement.

Direct the Chief Executive Officer and Chief Probation Officer, in collaboration with the Executive Director of the Probation Oversight Commission and Countywide Communications, to develop a plan to engage with the public and represented employees to discuss recommended goals, targets and priorities for a proposed Budget Realignment Strategy for the Probation Department's Recommended Budget for FY 2027-28. (26-3775)

12. Granting Contractual Authority to the Department of Health Services to Begin Implementation of Measure ER

Revised recommendation as submitted by Supervisors Mitchell and Solis: Delegate authority to the Director of the Department of Health Services (DHS), or their designee, to:

Execute new agreements with qualified community clinics for the provision of health care, dental, and ancillary services upon completion of a competitive solicitation, such as a Request for Statement of Qualifications or Request for Applications, subject to review and approval by County Counsel and at least two weeks' advance written notice to the Board and the Chief Executive Officer (CEO). The department may proceed unless an objection is received from a majority of the Board offices.

Execute new agreements, or amend existing agreements, for the provision of specialty care services as well as diagnostic services, including but not limited to radiology services, upon completion of a Request for Information or similar process, subject to review and approval by County Counsel and at least two weeks' advance written notice to the Board and the CEO. The department may proceed unless an objection is received from a majority of the Board offices.

Execute new agreements and/or purchase orders, or amend existing agreements and/or purchase orders, with providers of the following services: language translation; outreach and enrollment; external stakeholder facilitation and support; and printing. These actions shall be subject to review and approval by County Counsel and at least two weeks' advance written notice to the Board for any new agreements and for any amendments that materially alter the terms of an agreement. The department may proceed unless an objection is received from a majority of the Board offices.

Execute amendments or change notices to the above agreements to modify the scope of work; add or delete sites; and adjust the budget and/or maximum contract obligations of each agreement, as needed, to address changes in program requirements and to ensure the equitable balancing of revenue and service availability under the new program. This authority also includes adding, deleting and/or changing certain terms and conditions in the agreements, as mandated by Federal or State law or regulation, and/or by the Board. All actions shall be subject to review and approval by County Counsel and at least two weeks' advance written notification to the Board and the CEO of any amendments that materially alter the terms of an

agreement. The department may proceed unless an objection is received from a majority of the Board offices.

Suspend and/or terminate the agreements above, in whole or in part, in accordance with the terms of each agreement, with all actions subject to review and approval by County Counsel and at least two weeks' advance written notification to the Board and the CEO. The department may proceed unless an objection is received from a majority of the Board offices.

Waive or modify standard County contracting terms and conditions, subject to review and approval by County Counsel.

Delegate authority to the Director of DHS, or their designee, to enter into new or amend existing agreements for the following services: an eligibility and enrollment system/service; a 340B pharmacy services administrator; a pharmacy benefit manager; eConsult and related services; and a claims adjudication service, subject to review and approval by County Counsel and two weeks' advance written notice to the Board. The department may proceed unless an objection is received from a majority of the Board offices.

Direct the Director of DHS, or designee, to execute new agreement(s) with L.A. Care Health Plan needed to pass through the 4% of the Measure ER funds for school-based health centers, per the February 10, 2026 Board-approved Measure ER Allocation Plan (4.c.), subject to review and approval by County Counsel and two week advance written notice to the Board and CEO. The department may proceed unless an objection is received from a majority of the Board offices

Direct the Director of DHS, or designee, to publicly post the Measure ER funded contracts in 1.a. and 2.b. for input and feedback and engage the Health and Mental Health Cluster Board deputies, the Community Clinic Association of Los Angeles County, LA Care, the Hospital Association of Southern California, the CEO's Anti-Racism, Diversity, and Inclusion Initiative, other relevant County departments, and interested stakeholders in the design, implementation, program eligibility, and administrative principles, prior to exercising any delegated contracting authority regarding those contracts;

Among other things, these principles shall:

Set the criteria for coordination with Medi-Cal service eligibility, payment and quality assurance benchmarks;

Minimize any new infrastructure costs needed to implement this new program in order to maximize the dollars going towards health care services for participants;

Maximize continuity of health care;

Maximize transparency, accountability, equity and participant confidentiality;

Impose no additional co-payments, premiums or cost-sharing on program participants with incomes at or below 138 of the federal poverty level. This provision does not preclude DHS from exploring, with County Counsel, whether Measure ER funds could be used to pay any Medi-Cal premiums for eligible participants;

Expect all program participants to be screened for Medi-Cal eligibility. Clinics shall strive to enroll and re-enroll participants in full-scope Medi-Cal, if they are eligible. This provision does not preclude hospitals from requiring program participants to apply for restricted Medi-Cal when they seek hospital services, including emergency room services; and

To the extent resources exist, set aside funds to inspire or expand innovative patient care practices, including Food as Medicine or other proven programs that enhance nutritional services for participants.

Direct the Director of DHS, or their designee, to submit a written report to the Board by March 31, 2027, and biannually thereafter, with a listing of any contracts or agreements that were amended, terminated, or executed using the delegated authority provided in the above directives, including the total value of each contract or agreement, a summary statement of the work to be performed, and any relevant performance metrics.

This report shall be posted on the public-facing safety net dashboard, which the Board authorized on April 14, 2026.

The Director of DHS, or their designee, shall also present and report on progress at the public-facing Health and Mental Health Services Cluster meetings four times a year during the first year of implementation, (with the first presentation and report to be provided by August 31, 2026), and biannually thereafter.

All delegated authorities authorized in this motion shall expire 12 months after the end of Measure ER revenue collection.

DHS shall seek Board authority for any administrative and/or DHS service-delivery

costs exceeding 10% of the estimated sales tax revenue that is allocated for this program. (26-4435)

Lilian Cabral and Kelly Zhou addressed the Board. Interested person(s) also submitted written testimony.

On motion of Supervisor Hahn, seconded by Supervisor Barger, this item was duly carried by the following vote:

Executive Office**13. 2026-27 Fiscal Year Expenditure of Climate Equity Account Funds**

Recommendation: Approve the use of Chief Executive Office (CEO) funds for the eligible program(s) and/or projects, which are aligned with the County's goals to support climate mitigation, adaptation, and decarbonization efforts. The departments tasked with administering these programs and/or projects will require separate and additional authority, other than this Board letter, to contract for any necessary services, obtain additional funding, and for approval of any California Environmental Quality Act (CEQA) determinations. Approve an appropriation adjustment increasing appropriation in various budget units fully offset by \$5,000,000 Climate Equity Account (CEA) revenue, for the implementation of the eligible program(s) and/or projects. Instruct the Directors of Aging and Disabilities, Animal Care and Control, Chief Executive Officer (Capital Programs), Economic Opportunity, Internal Services, LA County Library, Parks and Recreation, Public Health, and Regional Planning, who are the recipient of CEA funds to submit reports, every six months, to the Chief Sustainability Office (CSO) and CEO summarizing the amount of funds used and activities completed, until the funds have been fully expended. Authorize the Executive Officer of the Board, CSO, to execute a funding agreement with the Los Angeles County Development Authority (LACDA) for an amount not to exceed \$1,000,000 for the implementation of the Altadena Soil Remediation Program (Program), including contingency and LACDA administrative costs to implement and administer the Program. Find that the proposed actions are not considered a project under CEQA. **4-VOTES** (Relates to Agenda No. 1-D) (26-4301)

17. Department of Public Health Lease Renewal

Recommendation: Authorize the Chief Executive Officer to execute a proposed 10-year lease with Roscoe Investments, LLC, a California limited liability company (Landlord), for the Department of Public Health's (DPH's) use of approximately 31,292 sq ft of office space and 130 on-site parking spaces located at 14500 Roscoe Boulevard Suites 150, 501, 502, and 600, Panorama City. This proposes a lease for a term of 10 years. The estimated maximum first-year base rental cost is \$1,058,000. The estimated total proposed lease cost including parking and low-voltage costs will be \$14,212,000 over the 10-year term. Rental costs for the Health Facilities Inspection Division program will be funded by State funds through a State service agreement; the Community Field Services program is funded by Net County Cost (NCC); and the Environment Health program will be funded by revenue through the collection of fees. All are included in DPH's existing budget. DPH will not be requesting additional NCC for this action. Authorize the Director of Public Health to contract with and direct the Internal Services Department, in coordination with the Chief Executive Officer for the acquisition and installation of telephone, data, and low-voltage systems and vendor installation (Low-Voltage Items) at a total cost not to exceed \$295,000 paid in a lump sum. The cost for the Low-Voltage Items is in addition to the rental costs and the County tenant improvement contribution payable to the Landlord. Authorize and direct the Chief Executive Officer to execute any other ancillary documentation necessary to effectuate the proposed lease and to take actions necessary and appropriate to implement the proposed lease, including, without limitation, exercising any early termination rights or option to extend at 95% fair market value for an additional five years. If the option is exercised, the total term of the proposed lease will be up to 15 years. Find that the proposed lease is exempt from the California Environmental Quality Act. (Supervisory District 3) (26-4299)

18. Los Angeles Centers for Alcohol and Drug Abuse Lease Agreement

Recommendation: Find that execution of the proposed lease, and related recommended actions, are within the scope of the project impacts analyzed in the Environmental Impact Report (EIR) previously certified by the Board for the LAC+USC Medical Center Campus Plan and the subsequently certified Second Addendum to the EIR. Find that pursuant to Government Code Section 26227, the recommended action to authorize execution of the proposed lease will serve a public purpose and will make available County real property, not needed for County purposes, and by granting a five-year lease term to Los Angeles Centers for Alcohol and Drug Abuse (L.A. CADA) will meet the social needs of the population of the County, by providing comprehensive and high-quality behavioral health services to eligible residents of the County including offering a continuum of care that supports integrated and coordinated substance use disorder, mental health, physical health, and other services to County residents. Authorize the Chief Executive Officer to execute the proposed lease with L.A. CADA on the terms described in this Board letter. Authorize and direct the Chief Executive Officer to execute any other ancillary documentation necessary to effectuate the terms of the proposed lease and to take actions necessary and appropriate to implement the proposed lease, including, without limitation, exercising any early termination rights. (Supervisory District 1) (26-4300)

County Operations**20. January 2025 Windstorm and Critical Fire Events Bi-Weekly Emergency Contracts Report**

Recommendation: Review the emergency actions ordered and taken by the Director of Internal Services, under delegated authority by the Board, acting as both the County and the Governing Body of various districts, under Board Order No. 13-C of January 28, 2025, to respond to and recover from the January 2025 Windstorm and Critical Fire Events, including the Palisades Fire, Eaton Fire, Hurst Fire, Kenneth Fire, and multiple other fires (LA County Fires) (1, 3 and 5) including actions enumerated in the aforementioned authorities (Actions), without giving notice for bids to let contracts, and determine that there is a need to continue the emergency Actions; find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids and/or proposals to procure construction, materials, equipment and services for projects and initiatives necessary to respond to and recover from the LA County Fires; and find that authority should, therefore, continue to be delegated to the Director of Internal Services to amend or extend and supplement existing as-needed or on-call contracts without giving notice for bids to let contracts related to facilities and related support services, and to award new contracts for response to and recovery from the LA County Fires, and such contracts should be issued because they are necessary to respond to the emergency. **(Internal Services Department)**

21. Telecommunications Services, Disaster and Emergency Services, and Records Management Services Master Agreements

Recommendation: Authorize the Director of Internal Services (ISD), to award and execute 12 Telecom Master Agreements (MAs), with qualified vendors, to provide Countywide telecommunications services, for a 10-year initial term, with four two-year and two six-month extension options, for a total MA term of 19 years. Authorize the Director to award and execute eight Disaster and Emergency Services Master Agreements (DESMA), with qualified vendors to provide Countywide DESMA services, upon Board approval, for an initial term of 10 years, with three two-year and six month-to-month extension options, for a maximum total term of 16 years and six months. Authorize the Director to award and execute six Records Management Services MAs, with qualified vendors for an initial term of five years, with three two-year and six month-to-month extension options, for a maximum total term of 11 years and six months. Authorize the Director to take the following actions: **(Internal Services Department)** *(NOTE: The Chief Information Officer recommended approval of this item.)*

Execute MAs for each of the following: telecommunication services, disaster emergency services, and records management services with new vendors as vendors become qualified throughout the term of each MA; exercise the renewal option extensions; terminate MAs pursuant to termination provisions; execute MA amendments as necessary to reflect any merger, acquisition, corporate reorganization, name change, assignment, or other change in legal entity status of the original contractors; execute MA amendments to revise the terms and conditions to align with Board policy changes, legal requirements, and/or directives; add related services, categories, and/or add/delete service categories/exhibits to each MA as they become necessary; and conduct subordinate solicitations and execute work orders/purchase orders for each MA.

Approve the transfer of 21 Work Orders (WOs) from the current Telecom MA to the new Telecom MA (2026) and execute new WOs under the new Telecom MA (2026) for open WOs solicited under the current Telecom MA. (26-4183)

Family and Social Services**23. Service of Process Services Contracts**

Recommendation: Find that pursuant to County Code Section 2.121.420 that service of process services for the Child Support Services Department (CSSD) can be performed more economically by an independent contractor than by County employees. Authorize the Director of Child Support Services to take the following actions: **(Child Support Services Department)**

Execute two contracts for service of process services with the contractors. The contract term will be three years, beginning September 1, 2026, and ending August 31, 2029, with the option to extend for up to two additional one-year periods. The total maximum annual contract sum for the two contracts is \$1,300,000 and is fully funded by Federal and State revenue. Funding for this contract is included in the Fiscal Year 2026-27 Budget. Funding for future years will be included in the Department's budget requests.

Exercise the two additional one-year extend options for each contract by written notice at the Director's discretion and notify the Board and the Chief Executive Office (CEO) within 10 working days of issuing such notices.

Execute contract amendments to increase the maximum annual contract sum by up to 15%. The price per successful serve may potentially increase due to the volatility of inflation and the possible impacts of new legislation. The Director will notify the Board in writing within 10 business days after execution.

Prepare and execute amendments to the service of process services contract to make changes necessitated by Federal, State, or local rules, or to meet program needs, provided total annual payments do not exceed 15% of the Board approved amount, sufficient funds are available, and the Director notifies the Board and CEO in writing within 10 working days of execution of such amendments. 25. January 2025 Windstorm and Critical Fire Events Bi-Weekly Emergency Contracts Report

Recommendation: Review the emergency actions ordered and taken by the Director of Public Works, under delegated authority by the Board, acting as both the County and the Governing Body of various Districts, under Board Order No. 13-C of January 28, 2025, to respond and recover from the January 2025 Windstorm and Critical Fire Events, including the Palisades Fire, Eaton Fire, Hurst Fire, Kenneth Fire, and multiple other fires (LA County Fires) (3 and 5), and actions to repair or replace public facilities, actions directly related and immediately required by the emergency, and actions to procure the necessary equipment, services and supplies for such purposes (Actions), without giving notice for bids to let contracts, and determine that there is a need to continue the emergency Actions. Take the following actions: **(Department of Public Works)**
4-VOTES

Find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids to procure construction services for projects necessary to respond to and recover from the LA County Fires.

Find that authority should, therefore, continue to be delegated to the Director of Public Works to amend or extend and supplement existing as-needed or on-call contracts without giving notice for bids to let contracts, and to award new contracts for response to and recovery from the LA County Fires, and such contracts should be issued because they are necessary to respond to the emergency. 26. Harbor-UCLA Medical Center Replacement Program Construction-Related Contract

Recommendation: Find that the scope of work to be carried out by the proposed change orders is within the scope of the environmental impacts analyzed in the previously certified Final Environmental Impact Report and subsequent Addenda Nos. 1, 2, and 3 for the Harbor-UCLA Medical Center Campus Master Plan. Approve and authorize the Director of Public Works to finalize negotiations and execute a change order with Hensel Phelps Construction Company, for a not-to-exceed amount of \$1,000,000, to design and construct an auxiliary generator yard at Surface Lot 2. Approve and authorize the Director to finalize negotiations and execute a change order with Hensel Phelps Construction Company, for a not-to-exceed amount of \$15,000,000, an increase of \$4,677,655 from the previously Board-approved change order amount of \$10,322,345, to design and construct utility ductbank and a utility bridge between the new Central Utility Plant and the existing Surgery/Emergency Building. There is no Net County Cost impact associated with the recommended actions. (Supervisory District 2) **(Department of Public Works) 4-VOTES (26-4245)**

27. Avocado Heights San Jose Hills - Valley Boulevard Construction Project

Recommendation: Approve and authorize the Director of Public Works to sign a Funding Cooperative Agreement between the County and the City of Industry to include the City's jurisdictional cost share estimated to be \$1,110,000, to the Avocado Heights San Jose Hills - Valley Boulevard Project (Project). The Director may execute amendments to the Funding Cooperative Agreement to incorporate necessary programmatic and administrative changes. Approve the Project and adopt the plans and specifications that are on file for the Project at an estimated construction contract cost between \$8,000,000 and \$12,250,000. There will be no impact to the County General Fund. Advertise for bids to be received before 11:00 a.m. on August 18, 2026. Find that the proposed Project and related actions are exempt from the California Environmental Quality Act. Authorize the Director to take the following actions: (Supervisory District 1) **(Department of Public Works)**

4-VOTES

Determine whether the bid of the apparent responsible contractor with the lowest apparent responsive bid is, in fact, responsive and, if not responsive, determine which apparent responsible contractor submitted the lowest responsive bid.

Award and execute a construction contract for the Project to the responsible contractor with the lowest responsive bid within or less than the estimated cost range of \$8,000,000 and \$12,250,000, or that exceeds the estimated cost range by no more than 15%, if additional funds have been identified.

Extend the date and time for the receipt of bids; allow substitution of subcontractors and relief of bidders; approve and execute change orders within the same monetary limits delegated to the Director; accept the Project upon its final completion; and make required findings and release retention money. 28. Avalon Boulevard Traffic Signal Synchronization Program - 126th Street to Sepulveda Boulevard Construction Contract

Recommendation: Adopt a resolution finding that the modification and synchronization of traffic signals in the City of Carson (City) is of general County interest and that the County aid in the form of Highways-Through- Cities funds in the amount of \$7,757,500 shall be provided to the City to be expended in accordance with all applicable provisions of law relating to funds derived from the Proposition C Discretionary Grant Fund, Measure M Multi-Year Sub-Regional Program Grant Fund, and Proposition C Local Return Fund. Approve and authorize the Director of Public Works to sign a Funding Cooperative Agreement between the County and the City to allow the City to contribute its share of funding to the Avalon Boulevard Traffic Signal Synchronization Program - 126th Street to Sepulveda Boulevard Project (Project). The total Project cost is currently estimated to be \$9,106,900 with the City's share estimated to be \$8,250,300; and the County's share estimated to be \$856,600. There will be no impact to the County General Fund. The Director may execute amendments to the Funding Cooperative Agreement to incorporate necessary programmatic and administrative changes. Approve the Project and adopt the plans and specifications that are on file for the Project at an estimated construction contract cost between \$3,600,000 and \$5,400,000. Advertise for bids to be received before 11:00 a.m. on August 18, 2026. Find pursuant to California Public Contract Code, Section 3400 (c) 2), that it is necessary to specify the designated items by specific brand name in order to match other products already in use on a particular public improvement either completed or in the course of completion. Find that the proposed Project and related actions are exempt from the California Environmental Quality Act. Authorize the Director to take the following actions: (Supervisory District 2) **(Department of Public Works) 4-VOTES**

Determine whether the bid of the apparent responsible contractor with the lowest apparent responsive bid is, in fact, responsive and, if not responsive, determine which apparent responsible contractor submitted the lowest responsive bid.

31. East Los Angeles Demonstration Bicycle Sharing Program Service Contract

Recommendation: Award and authorize the Director of Public Works to execute a contract with Drop Mobility California, LLC, for the East Los Angeles Demonstration Bicycle Sharing Program. The contract will be for a period of one year with three one-year and six month-to-month extension options for a maximum potential contract term of 54 months and a maximum potential contract sum of \$1,895,025. There will be no impact to the County General Fund. The contract will be subject to the additional extension provisions specified below. Find that the contract work is not a project pursuant to the California Environmental Quality Act (CEQA), or is exempt from CEQA. Authorize the Director to take the following actions: (Supervisory District 1) **(Department of Public Works)**

Renew the contract for each additional renewal option and extension period if, in the opinion of the Director, Drop Mobility California, LLC, has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend and/or terminate the contract for convenience if it is in the best interest of the County to do so.

Authorize additional services and extend the contract expiration date as necessary to complete those additional services when those additional services are previously unforeseen, related to a previously assigned scope of work on a given work order, and are necessary for the completion of that given work order.

Annually increase the contract amount up to an additional 10% of the annual contract sum, which is included in the maximum potential contract sum for unforeseen additional work within the scope of the contract if required, and to adjust the annual contract sum for each option year over the term of the contract to allow for an annual Cost of Living Adjustment in accordance with the County policy and the terms of the contract.
