LOCAL AND TARGETED WORKER HIRING QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports be based on empirical data that measures compliance and the efficacy of the Policy.

The Policy became effective for project development agreements approved by the Board after October 31, 2016. Therefore, for this first report, this Office requested data from the Department of Public Works (DPW), Internal Services Department (ISD), and the Community Development Commission (CDC) for the period covering November 1, 2016 through January 31, 2017. Both ISD and CDC indicated that the Board did not approve any agreements managed by their departments during the reporting period applicable to the Policy, thus no data is available. DPW provided the local and targeted hire data for four active projects (Attachment A), of which three were approved by the Board after October 31, 2016:

1. The Del Valle Infrastructure Project, approved by the Board on August 16, 2016, with best efforts goal under the Board's prior local hiring program (Veterans Local Worker Hiring Program). The contractor achieved 79.97 percent local hiring, far exceeding the County's 30 percent best efforts goal;

"To Enrich Lives Through Effective And Caring Service"

*Please Conserve Paper – This Document and Copies are Two-Sided
Intra-County Correspondence Sent Electronically Only*

2. The Hall of Justice (HOJ) Cafeteria Project approved by the Board on November 15, 2016. Because the Cafeteria Project is a component of the overall larger HOJ Renovation Project, rather than a 30 percent mandatory local hiring goal and a 10 percent targeted hiring goal, a 30 percent local hiring aspirational goal was approved by the Board. While the larger HOJ Renovation Project achieved 54 percent local worker hiring, the Cafeteria Project achieved a lower 4.72 percent rate during this reporting period. DPW indicated that while the Department has been actively working with the contractor on local worker participation, many workers who were solicited within the local zip codes did not pass Sheriff's stringent background checks and, therefore, were unable to work on this project. The same security requirement was not implemented in the original HOJ Renovation Project because the building was vacant at the time;
3. The Pamela Park Community Building Addition and Restroom Renovation Project approved by the Board on November 15, 2016. Because the total project cost is under \$2.5 million, it contains a 30 percent best efforts local hiring and no targeted hiring requirement goal. As of the end of this reporting period, no construction hours have occurred and, thus, no local hiring hours are being reported; and
4. The South Gate Vehicle Shelter Expansion Project, approved by the Board on November 15, 2016. Because the total project cost is under \$2.5 million, it also contains a 30 percent best efforts local hiring and no targeted hiring requirement goals. As of the end of this reporting period, no construction hours have occurred and, thus, no local hiring hours are being reported.

In addition, DPW reported other aspirational and mandatory hiring statistics for projects that the Board authorized and awarded prior to the effective date of the Policy, showing local hire participation rates ranging from 10.99 percent to 61.75 percent (Attachment B).

Separately, in response to a December 8, 2009 motion by both DPW and ISD have been providing periodic reports to the Board regarding local worker hiring for Job Order Contracts (JOC). DPW's most recent report was recently issued on May 22, 2017 (Attachment C). ISD will be issuing their local worker hiring report for JOC within the next few weeks.

Each Supervisor
May 26, 2017
Page 3

This Office will provide the next quarterly report on or before July 31, 2017, for the period from February 1, 2017 through April 30, 2017. We will also be considering combining the aforementioned JOC reports into this quarterly report, and provide the Board with a single, consolidated report going forward. In addition, through a March 21, 2017 motion by the Board directed the CEO, County Counsel, and several other departments to report back on augmenting the Policy with apprentice requirements, expanding the Targeted Worker definition, mandatory registration, linkage to the County's other services, and living wage requirements. Upon the completion of the report back and the Board's revision of the Policy, the quarterly report will be modified, if needed, to include the additional categories.

If you have additional questions, please contact Assistant CEO David Howard at (213) 893-2477, or dhoward@ceo.lacounty.gov.

**BOARD MOTION OF DECEMBER 8, 2009, AGENDA ITEM 25
COSTS ASSOCIATED WITH THE LOCAL WORKER
JOB ORDER CONTRACT PROGRAM
SECOND QUARTER 2017**

This is in response to the Board's December 8, 2009, motion directing Public Works to report quarterly on the costs associated with the Local Worker Job Order Contract Program (see attached).

During this reporting period, Public Works utilized the Job Order Contracts to issue 54 work orders totaling \$4,581,165. Public Works staff expended 202 hours, at a cost of \$26,664 to manage the Local Worker Program for these work orders. The table below summarizes Public Works' costs for the last four quarters, including the local worker participation rate associated with the Local Worker Program.

**JOB ORDER CONTRACTING
LOCAL WORKER UTILIZATION**

Quarterly Report	Period	No. of Work Orders Issued	Total Amount of Work Orders	PW Hours for Tracking Local Worker	Total PW Cost for Tracking Local Worker	Local Worker Participation
2016 3 rd	05/16/2016-08/15/2016	62	\$8,624,836	467	\$64,749	31%
2016 4 th	08/16/2016-11/15/2016	42	\$9,582,259	212	\$27,984	50%
2017 1 st	11/16/2016-02/08/2017	58	\$5,009,514	233	\$30,756	49%
2017 2 nd	02/09/2017-04/31/2017	54	\$4,581,165	202	\$26,664	53%
	Totals	216	\$27,797,774	1,114	\$150,153	

Each Supervisor

STATEMENT OF PROCEEDINGS FOR THE
REGULAR MEETING OF THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES HELD IN ROOM 381B
OF THE KENNETH HAHN HALL OF ADMINISTRATION
500 WEST TEMPLE STREET, LOS ANGELES, CALIFORNIA 90012

Tuesday, December 8, 2009

9:30 AM

25. Recommendation: Find that the Local Worker Job Order Contract Program, which is intended to foster the employment of local workers on Job Order Contract projects managed by Public Works, furthers a legitimate public interest; approve the implementation of the Local Worker Job Order Contract Program as part of the procurement process with an aspirational goal of 40% of California construction labor hours to be performed by qualified local workers residing in zip codes that are within a 15-mile radius of the Job Order Contract Jobsite. (Department of Public Works) (09-2711)

William T Fujioka, Chief Executive Officer, and Massood Eftekhari, Deputy Director of Public Works, responded to questions posed by the Board.

After discussion, Supervisor Knabe made a motion to instruct the Director of Public Works to report back quarterly on the costs associated with individual Job Order Contracts.

On motion of Supervisor Knabe, seconded by Supervisor Ridley-Thomas, this item was approved as amended.

Ayes: 5 - Supervisor Ridley-Thomas, Supervisor Yaroslavsky, Supervisor Knabe, Supervisor Antonovich and Supervisor Molina

LOCAL AND TARGETED WORKER HIRING POLICY - SECOND QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

The Policy became effective for project development agreements approved by the Board after October 31, 2016. This Office has requested data from the Department of Public Works (DPW), Internal Services Department (ISD), and the Community Development Commission (CDC) for the second quarterly report covering the period of February 1, 2017 through June 30, 2017. Both ISD and CDC indicated that the Board did not approve any agreements managed by their departments during the reporting period applicable to the Policy, thus no data is available. DPW provided a summary of the local and targeted hire data for six projects with a "best effort" standard (of which one was approved by the Board before the October 31, 2016, effective policy date), and three active projects with a mandatory requirement. Four of the best effort hiring goal projects are continuing from the previous quarter (Attachment A).

"To Enrich Lives Through Effective And Caring Service"

**Please Conserve Paper – This Document and Copies are Two-Sided
Intra-County Correspondence Sent Electronically Only**

Best Efforts Goal Projects

These projects have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements.

1. Del Valle Infrastructure Project was approved by the Board on August 16, 2016, under the Board's prior local hiring program (Veterans Local Worker Hiring Program). The contractor has maintained 70 plus percent local hiring.
2. The Hall of Justice (HOJ) Cafeteria Project was approved by the Board on November 15, 2016. The Cafeteria Project is a component of the overall larger HOJ Renovation Project. Therefore, rather than a 30 percent mandatory local hiring goal, and a 10 percent targeted hiring goal, a 30 percent local hiring aspirational goal was approved by the Board. The Cafeteria Project continues to achieve a 4 percent participation rate. DPW indicated that while the Department has been actively working with the contractor on local worker participation, many workers who were solicited within the local zip codes did not pass the Sheriff's stringent background checks and, therefore, were unable to work on this project.
3. The Pamela Park Community Building Addition and Restroom Renovation Project was approved by the Board on November 15, 2016, and it has achieved 2 percent local worker hiring. DPW will continue working with the contractor to increase the local worker participation.
4. Pathfinder Park Project construction was awarded in March 2017 and it has achieved a 38 percent local hiring.
5. The South Gate Vehicle Shelter Expansion Project approved by the Board on November 15, 2016, has achieved a 65 percent local hiring.
6. The Sheriff's Communications Center was approved by the Board on February 14, 2017. As of the end of this reporting period, no construction hours have occurred, and thus no local hiring hours are being reported.

Mandatory Hiring Projects

The following projects have a project budget greater than \$2.5 million and are required to obtain a 30 percent mandatory local and a 10 percent targeted hiring goals. Since these projects were recently awarded at the end of this reporting period, no construction hours have occurred, and thus no local hiring hours are being reported.

1. Fire Camp 13 Life Safety Improvements, approved by the Board on March 8, 2017.
2. Marina Beach General Improvements, approved by the Board on May 17, 2017.
3. Martin Luther King, Jr. Medical Campus Child Care Center, approved by the Board on May 30, 2017.

In addition, as noted in the May 26, 2017, report from this Office, beginning with this quarterly report, the December 8, 2009 motion requesting DPW and ISD to provide periodic reports to the Board regarding local worker hiring for Job Order Contracts (JOC) is combined into this quarterly report, providing the Board with a single, consolidated report.

Furthermore, we have extended the reporting period of this quarterly report by two months from April 30, 2017 to June 30, 2017, to synchronize this report with the standardized quarterly reporting periods. The third quarterly report will cover the period ending October 31, 2017.

If you have additional questions, please contact David Howard, Assistant Chief Executive Officer, at (213) 893-2477 or dhoward@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- THIRD QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

The Policy became effective for project development agreements approved by the Board after October 31, 2016. This Office has requested data from the Department of Public Works (DPW), Internal Services Department (ISD), and the Community Development Commission (CDC) for the third quarterly report covering the period of July 1, 2017 through September 30, 2017. CDC indicated that the Board did not approve any agreements during the reporting period applicable to the Policy, thus no data is available. DPW and ISD provided summaries of the local and targeted hire data for their respective departments. ISD reported two projects with a "best effort" standard. DPW reported sixteen projects with a "best effort" standard, and six projects with a mandatory requirement. Six of the "best effort," and three of the mandatory hiring goal projects, are continuing from the previous quarter.

"To Enrich Lives Through Effective And Caring Service"

Best Efforts Goal Projects

These projects have a budget greater than \$500,000 and less than \$2.5 million and have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. Project managers encourage and provide support to contractors of projects not meeting the participation goal to increase their local worker hiring. The third quarter local hiring percentage and total California construction labor hours for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain a 30 percent mandatory local, and 10 percent targeted hiring goals. A few of the projects were recently awarded and have none to minimal construction hours reported during this quarter. An increase of targeted worker participation is anticipated as the progress and construction hours of the projects increase. The third quarter average local hiring percentage, targeted hiring percentage, and total California construction labor hours for these projects are detailed on Attachment A.

The December 8, 2009 motion requesting DPW and ISD to provide periodic reports to the Board regarding local worker hiring for the Job Order Contracts is combined into this quarterly report, providing the Board with a single, consolidated report.

The fourth quarterly report will cover the period ending December 31, 2017.

If you have additional questions, please contact David Howard, Assistant Chief Executive Officer, at (213) 893-2477, or dhoward@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- FOURTH QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

The Policy became effective for project development agreements approved by the Board after October 31, 2016. This Office has requested data from the Department of Public Works (DPW), Internal Services Department (ISD), and the Community Development Commission (CDC) for the fourth quarterly report covering the period of October 1, 2017 through December 31, 2017. CDC indicated that the Board did not approve any agreements during the reporting period applicable to the Policy, thus no data is available. DPW and ISD provided summaries of the local and targeted hire data for their respective departments. ISD reported two projects with a "best effort" standard of which one was completed in this reporting quarter. DPW reported 19 projects with a "best effort" standard, of which two were completed in this reporting period, and 11 projects with a "mandatory" requirement. During the fourth quarter, eight new projects were added, three in the "best effort", and five in the "mandatory" categories.

Best Efforts Goal Projects

These projects have a budget greater than \$500,000 and less than \$2.5 million, a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. Project managers encourage and provide support to contractors of projects not meeting the participation goal to increase their local worker hiring. The fourth quarter local hiring percentage and total California construction labor hours for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain a 30 percent mandatory local, and 10 percent targeted hiring goals. One project was recently awarded and has no construction hours reported during this quarter. Targeted worker participation data is not comprehensive as there is no direct mechanism to ask participants about their status in a number of the targeted categories since some of these categories involve protected classes. Discussions with County Counsel are on-going to address this matter. The fourth quarter average local hiring percentage, targeted hiring percentage, and total California construction labor hours for these projects are detailed on Attachment B.

The December 8, 2009 motion requesting DPW and ISD to provide periodic reports to the Board regarding local worker hiring for the Job Order Contracts is combined into this quarterly report, providing the Board with a single, consolidated report.

The 2018 first quarterly report will cover the period ending March 31, 2018.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2018 FIRST QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

The Policy became effective for project development agreements approved by the Board after October 31, 2016. This Office has requested data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), the Music Center and the Community Development Commission (CDC) for the 2018 first quarterly report covering the period of January 1, 2018 through March 31, 2018. CDC indicated that the Board did not approve any agreements during the reporting period applicable to the Policy, thus no data is available. DPW, ISD, Parks, and the Music Center provided local and targeted worker data for their managed projects. DPW reported 31 projects with a "best effort" standard and 17 projects with a "mandatory" requirement. ISD and Parks reported four projects each with a "best effort" standard. The Music Center reported the Plaza Renovation project under the "mandatory" standard. During the 2018 first quarter, 28 new projects were added, 21 in the "best effort", and seven in the "mandatory" categories.

Best Efforts Goal Projects

These projects have a budget greater than \$500,000 and less than \$2.5 million, a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. With California construction labor hours during the reporting quarter, 71 percent of the projects met the local hiring requirement this quarter. Project managers encourage and provide support to contractors of projects not meeting the participation goal to increase their local worker hiring. The 2018 first quarter local hiring percentage and total California construction labor hours for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain a 30 percent local and 10 percent targeted hiring goals. With California construction labor hours during the reporting quarter, 94 percent of the projects met the local hiring requirement and 24 percent meet the targeted hiring requirement this quarter. Targeted worker participation data is not comprehensive as there is no direct mechanism to ask participants about their status in a number of the targeted categories since some of these categories involve protected classes. Discussions with County Counsel are ongoing to address this matter. The 2018 first quarter local hiring percentage, average targeted hiring percentage, and total California construction labor hours for these projects are detailed on Attachment B.

The December 8, 2009, motion requesting DPW and ISD to provide periodic reports to the Board regarding local worker hiring for the Job Order Contracts is combined into this quarterly report, providing the Board with a single, consolidated report.

The 2018 second quarterly report will cover the period ending June 30, 2018.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2018 SECOND QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This Office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), the Music Center, and the Community Development Commission (CDC) for the second quarter of 2018 covering the period of April 1, 2018 through June 30, 2018.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. In the second quarter, there were 31 projects in the Best Effort category. Of the 31 projects, 30 (97 percent) had local worker participation. Of the 30 projects, which had local worker participation, 77 percent met or exceeded the hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. In the second quarter, there were 17 projects in the Mandatory Hiring category. All projects had local worker participation. Of the 17 projects, which had local worker participation, 88 percent met or exceeded the local hiring goal. Seven projects (41 percent) had targeted workers and, of the seven projects, five projects (29 percent) met or exceeded the targeted worker hiring goal. Targeted worker participation data is not comprehensive as there is no direct mechanism to ask participants about their status in a number of the targeted categories since some of these categories involve protected classes. After discussions with County Counsel, we will be implementing the use of qualified independent jobs coordinators, to be hired directly by the contractor, on all new projects greater than \$2.5 million, in order to facilitate implementation and accurate reporting of the Targeted Worker hiring requirement. These jobs coordinators will be qualified using the same process employed by Metro. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment B.

The 2018 third quarterly report will cover the period ending September 30, 2018.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2018 THIRD QUARTERLY REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This Office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), the Music Center, and the Community Development Commission (CDC) for the second quarter of 2018 covering the period of July 1, 2018 through September 30, 2018.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. In the third quarter, there were 29 projects in the Best Effort category. Twenty-eight projects had local worker participation. Of the 28 projects, which had local worker participation, 83 percent met or exceeded the hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. In the third quarter, there were 23 projects in the Mandatory Hiring category. All projects had local worker participation. Of the 23 projects, which had local worker participation, 78 percent met or exceeded the local hiring goal. Eleven projects (57 percent) had targeted workers and, of the 11 projects, six projects (26 percent) met or exceeded the Targeted Worker hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of Local and Targeted Workers to meet the goals. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment B.

The 2018 fourth quarterly report will cover the period ending December 30, 2018.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2018 FOURTH QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This Office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Community Development Commission (CDC), and public and private projects for the fourth quarter of 2018 covering the period of October 1, 2018 through December 31, 2018.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. In the fourth quarter, there were 31 projects in the Best Effort category. Thirty projects had local worker participation. Of the 30 projects, which had local worker participation, 63 percent met or exceeded the hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. In the fourth quarter, there were 26 projects in the Mandatory Hiring category. All projects had local worker participation. Of the 26 projects, which had local worker participation, 77 percent met or exceeded the local hiring goal. Fifteen projects (58 percent) had targeted workers and, of the 15 projects, eight projects (31 percent) met or exceeded the targeted worker hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of Local and Targeted Workers to meet the goals. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment B.

The 2019 first quarter report will cover the period ending March 30, 2019.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

REQUEST FOR AN EXTENSION: COUNTYWIDE LOCAL AND TARGETED WORKER HIRE POLICY (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016) – ANNUAL REVIEW

On September 6, 2016, the Board adopted a motion by Supervisors Solis and Ridley-Thomas instructing the Chief Executive Officer (CEO) to conduct a regular review at annual intervals of best efforts undertaken under the Local and Targeted Worker Hire Policy (Policy) to assess the effectiveness of the best efforts standard as compared to the mandatory requirements and determine if the goal requirement percentages can be feasibly increased based on documented performance.

Background

The Policy became effective for project development agreements approved by the Board after November 1, 2016. To assist departments in implementing the new Policy, the Board directed the CEO to work with the affected County departments and agencies to formalize the Policy for future adoption by the Board. CEO, in coordination with Departments of Public Works, Internal Services, Parks and Recreation and Community Development Commission, in consultation with County Counsel revised, simplified, and formalized the Policy.

Progress to Date

The revised and formalized Policy was presented to the Audit Committee on December 19, 2018. Committee members requested some additional and updated information to be added to the Policy and its Implementation Guidelines. It was also requested that the Economic Development Policy Committee be briefed on the revised Policy.

On January 24, 2019, CEO presented the revised Policy to the Economic Development Policy Committee and addressed all questions and concerns.

On February 20, 2019, the revised Policy was presented to the Audit Committee. It was requested that the Policy refer to the Community Benefits for County Economic Development Projects Policy, as this Policy is a component of the Community Benefits Policy, and to return to the Audit Committee on May 15, 2019.

Next Steps

Once the Policy is cleared by the Audit Committee, and the Board approves and adopts the revised Policy, it will be distributed to departments. Additional time is required to assess the effectiveness of the best efforts standard as compared to the mandatory requirements and determining if the goal requirement percentage can be feasibly increased based on documented performance as the revised Policy requirements will have a direct impact on the hiring percentages. The revised Policy requires mandatory level projects to have a job coordinator who shall play an integral part in the success of contractors/subcontractors in meeting the Policy hiring requirements. In addition, the revised Policy implements monetary withholding from monthly progress payment of the contractors/subcontractors of mandatory level projects for non-compliance of hiring requirements.

An analysis will be done based on documented performance of the effectiveness of the best efforts standard as compared to the mandatory requirements, and recommendations will be submitted as to the feasibility of increasing the goal requirement percentages by July 31, 2019.

If you have any questions, please contact Brad Bolger at (213) 974-1360, or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2019 FIRST QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This Office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Community Development Commission (CDC), and public and private projects for the first quarter of 2019 covering the period of January 1, 2019 through March 31, 2019.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. In the first quarter, there were 25 projects in the Best Effort category. Twenty-two projects had local worker participation. Sixty-four percent of projects, met or exceeded the local hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. In the first quarter, there were 29 projects in the Mandatory Hiring category. All projects had local worker participation. Seventy-nine percent met or exceeded the local hiring goal. Fifteen projects (51 percent) had targeted workers and, of the 15 projects, ten projects (34 percent) met or exceeded the Targeted Worker hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of Local and Targeted Workers to meet the goals and to submit Local and Targeted Workers Hiring data on time to be included in this report. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment B.

The 2019 second quarter report will cover the period ending June 30, 2019.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

COUNTYWIDE LOCAL AND TARGETED WORKER HIRE POLICY (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016) – ANNUAL REVIEW

On September 6, 2016, the Board adopted a motion by Supervisors Solis and Ridley-Thomas, instructing the Chief Executive Officer (CEO) to conduct a regular review at annual intervals of best efforts undertaken under the Countywide Local and Targeted Worker Hire Policy (Policy) to assess the effectiveness of the best efforts standard as compared to the mandatory requirements and determine if the goal requirement percentages can be feasibly increased based on documented performance. On March 4, 2019, this office reported on progress and next steps of this Policy.

Background

The Policy became effective for County capital and construction projects and privately financed economic development projects on County property approved by the Board after November 1, 2016. To assist departments in implementing the new Policy, the Board directed the CEO to work with the affected County departments and agencies to formalize the Policy for future adoption by the Board. CEO, in coordination with the Departments of Public Works, Internal Services, Parks and Recreation and the Los Angeles County Development Authority (formerly known as the Community Development Commission), in consultation with County Counsel, updated and formalized the Policy.

Progress to Date

On June 11, 2019, the Board adopted the updated Policy. Some of the updates included Updated Qualifying Zip Code List, Expanded Targeted Worker Eligibility Requirements,

Jobs Coordinator Requirement, Employment Opportunities, Apprenticeship Hours, and Monthly Mandatory Compliance Withholding. Furthermore, on July 10, 2019, the CEO informed all department heads of the adoption of the updated Policy and the requirement for all capital or construction projects approved post June 11, 2019, must adhere to the updated Policy. Since many of the updates will impact both the mandatory requirements and best effort goals, we recommend not making any changes at this time and keeping the best efforts goal at the current 30 percent level. After one year of implementing the updated Policy, we will re-evaluate the effectiveness of the best efforts goal as compared to the mandatory requirements and determine if the goal requirement percentage can be feasibly increased based on documented performance under the updated Policy.

Next Steps

By August 2019, the Policy will be incorporated into the Los Angeles County Board of Supervisors Policy Manual under Chapter 5 – Contracting and Purchasing Section 5.270.

The updated Policy language will be included in all Board-awarded County construction and development project documents. All requests for Solicitation/Proposal/Invitations for bid will require all contractors submitting bids or proposals to agree to the terms of the Policy. Furthermore, all construction project general contractors must include a provision in their contracts obligating the contractor and its subcontractors to comply with the terms of the Policy through execution of an agreement.

An analysis will be done based on the Policy's updated documented performance of the effectiveness of the best efforts standard as compared to the mandatory requirements, and recommendations will be submitted as to the feasibility of increasing the goal requirement percentages by June 30, 2020.

If you have any questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2019 SECOND QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority (formerly known as Community Development Commission), and public and private projects for the second quarter of 2019 covering the period of April 1, 2019 through June 30, 2019.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. In the second quarter, there were 33 projects in the best effort category. Twenty-eight projects had local worker participation. Seventy-three percent of projects, met or exceeded the local hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. In the second quarter, there were 38 projects in the mandatory hiring category. Thirty-five of the projects had local worker participation. Seventy-six percent met or exceeded the local hiring goal. Nineteen projects (50 percent) had targeted workers and, of the 19 projects, fourteen projects (37 percent) met or exceeded the targeted worker hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

The 2019 third quarter report will cover the period ending September 30, 2019.

If you have additional questions, please contact Brad Bolger at (213) 974-1360 or bbolger@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2019 THIRD QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved the motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the third quarter of 2019 covering the period of July 1, 2019 through September 30, 2019.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts third quarter's data of local worker hiring efforts for projects with Best Effort hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
25	24 (96%)	20 (80%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict the third quarter's data of local and targeted worker hiring efforts for projects with Mandatory Hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
36	34 (94%)	27 (75%)

Number of Projects	Number of Projects with Targeted Worker Participation	Number of Projects That Met or Exceeded Targeted Worker Hiring Goal
36	19 (53%)	10 (28%)

The 2019 fourth quarter report will cover the period ending December 31, 2019.

If you have additional questions, please contact Amir Alam at (213) 974-2620 or Aalam@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2019 FOURTH QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the fourth quarter of 2019 covering the period of October 1, 2019 through December 31, 2019.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts the fourth quarter's data of local worker hiring efforts for projects with best effort hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
28	27 (96%)	23 (82%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict the fourth quarter's data of local and targeted worker hiring efforts for projects with mandatory hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
36	34 (94%)	26 (72%)

Number of Projects	Number of Projects with Targeted Worker Participation	Number of Projects That Met or Exceeded Targeted Worker Hiring Goal
36	18 (50%)	11 (61%)

The 2020 first quarter report will cover the period ending March 31, 2020.

If you have additional questions, please contact Matthew Diaz at (213) 974-4260 or mdiaz@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2020 FIRST QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This Office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the first quarter of 2020 covering the period of January 1, 2020 through March 31, 2020.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts the first quarter's data of local worker hiring efforts for projects with Best Effort hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
31	30 (97%)	26 (84%)

"To Enrich Lives Through Effective And Caring Service"

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict the first quarter's data of local and targeted worker hiring efforts for projects with Mandatory Hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
48	47 (98%)	38 (79%)

Number of Projects	Number of Projects with Targeted Worker Participation	Number of Projects That Met or Exceeded Targeted Worker Hiring Goal
48	35 (73%)	28 (58%)

The 2020 second quarter report will cover the period ending June 30, 2020.

If you have additional questions, please contact Matthew Diaz at (213) 974-4260 or mdiaz@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY- 2020 SECOND QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis, to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the second quarter of Calendar Year (CY) 2020 covering the period of April 1, 2020 through June 30, 2020.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts the CY 2020 second quarter's data of local worker hiring efforts for projects with Best Effort hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
32	29 (91%)	21 (66%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict the second quarter's data of local and targeted worker hiring efforts for projects with mandatory hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
51	50 (98%)	40 (78%)

Number of Projects	Number of Projects with Targeted Worker Participation	Number of Projects That Met or Exceeded Targeted Worker Hiring Goal
51	44 (86%)	37 (73%)

The CY 2020 third quarter report will cover the period ending September 30, 2020, and will be submitted on October 30, 2020.

If you have additional questions, please contact Matthew Diaz at (213) 974-4260 or mdiaz@ceo.lacounty.gov.

COUNTYWIDE LOCAL AND TARGETED WORKER HIRE POLICY (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016) – ANNUAL REVIEW

On September 6, 2016, the Board adopted a motion by Supervisors Solis and Ridley-Thomas instructing the Chief Executive Officer (CEO) to conduct a regular review at annual intervals of Best Efforts undertaken under the Countywide Local and Targeted Worker Hire Policy (Policy) to assess the effectiveness of the Best Efforts standard as compared to the Mandatory requirement and determine if the goal requirement percentages can be feasibly increased based on documented performance.

This report summarizes and analyzes local hire data collected from the Second Quarter (Q2) 2019 to Q2 2020 for Best Effort and Mandatory level projects. In summary, approximately 77 percent of projects in Best Effort and Mandatory level met or exceeded the 30 percent participation goal for local hire. Increasing the participation goal percentage beyond 30 percent, however, will likely decrease the number of projects that meet the Mandatory participation goal.

Background

On June 11, 2019, the Board adopted the updated Policy. Some of the updates included, but were not limited to, an updated Qualifying Zip Code List, expanded Targeted Worker Eligibility Requirements, Jobs Coordinator Requirement, Employment Opportunities, Apprenticeship Hours, and Monthly Mandatory Compliance Withholding. Furthermore, on July 10, 2019, the CEO informed all department directors of the adoption of the updated Policy and required that all capital or construction projects approved post June 11, 2019 must adhere to the updated Policy. For reference, projects with a total project budget greater than \$2.5 million have a Mandatory hiring goal and projects with a total project budget of \$500,000 up to \$2.5 million have a Best Effort hiring goal of at least 30 percent of construction hours performed by local residents on each project. Affordable housing projects with a project budget greater than \$2.5 million have a Best Effort hiring goal of at least 30 percent of construction hours performed by local residents and 10 percent of construction hours performed by Targeted Workers.

Annual Analysis

During the reporting period from the Q2 2019 to Q2 2020, an average of 77 percent of projects in the Best Effort level met or exceeded the 30 percent participation goal for local hire. Furthermore, an analysis of the data for the reporting period indicates that Mandatory level projects have the same average percentage (77 percent) of projects meeting or exceeding the 30 percent participation goal for local hire. Therefore, project participation level, whether for Best Effort or Mandatory level, had no impact on local hire levels.

Additionally, an analysis of the current data was performed using 40 percent and 50 percent local hire participation goals to determine if the 30 percent goal requirement can be feasibly increased. Based on the data reviewed, and using a 40 percent participation goal, projects meeting or exceeding the 40 percent participation goal dropped to an average of 54 percent for Best Effort and 47 percent for Mandatory level projects. Using a 50 percent participation goal, projects meeting or exceeding the 50 percent participation goal dropped to 44 percent for Best Effort and 21 percent for Mandatory level projects. The following chart provides a breakdown of this analysis.

Participation Goal	Percent of Projects That Met or Exceeded Best Effort	Percent of Projects That Met or Exceeded Mandatory Level
30%	77%	77%
40%	54%	47%
50%	44%	21%

Therefore, based on the data analyzed, increasing the participation goal percentage is not recommended as fewer projects will likely meet the Best Effort and Mandatory level requirements.

We will continue to monitor and encourage project delivery departments to work with contractors to achieve better outcomes for Best Effort and Mandatory level requirements. The next annual report will be provided in October 2021.

Should you have any questions concerning this matter, please contact me or David Howard, Assistant CEO, at (213) 893-2477 or dhoward@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY – 2020 THIRD QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the third quarter of Calendar Year (CY) 2020 covering the period of July 1, 2020 through September 30, 2020.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts the CY 2020 third quarter's data of local worker hiring efforts for projects with Best Effort hiring goal. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
37	35 (95%)	26 (70%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict the CY 2020 third quarter's data of local and targeted worker hiring efforts for projects with Mandatory Hiring goal. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

Number of Projects	Number of Projects with Local Worker Participation	Number of Projects That Met or Exceeded Local Worker Hiring Goal
58	57 (98%)	43 (74%)

Number of Projects	Number of Projects with Targeted Worker Participation	Number of Projects That Met or Exceeded Targeted Worker Hiring Goal
58	53 (91%)	51 (88%)

The CY 2020 fourth quarter report will cover the period ending December 31, 2020 and will be submitted by February 15, 2021.

Should you have any questions concerning this matter, please contact me or Vanessa Moody, Senior Manager, at (213) 974-1360, or vmoody@ceo.lacounty.gov.

LOCAL AND TARGETED WORKER HIRING POLICY – 2020 FOURTH QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the fourth quarter of Calendar Year (CY) 2020 covering the period of October 1, 2020 through December 31, 2020.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the fourth quarter of CY 2019 through the fourth quarter of CY 2020. The local workers hours, total California construction labor hours, and hiring percentage for these projects in the fourth quarter of CY 2020 are detailed on Attachment A.

Quarter	# of Projects	# of Projects with Local Worker Participation	# of Projects That Met or Exceeded Local Worker Hiring Goal
4th Quarter 2020	42	38 (90%)	32 (76%)
3rd Quarter 2020	37	35 (95%)	26 (70%)
2nd Quarter 2020	32	29 (91%)	21 (66%)
1st Quarter 2020	31	30 (97%)	26 (84%)
4th Quarter 2019	28	27 (96%)	23 (82%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the fourth quarter of CY 2019 through the fourth quarter of CY 2020. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects in the fourth quarter of CY 2020 are detailed on Attachment B.

Quarter	# of Projects	# of Projects with Local Worker Participation	# of Projects That Met or Exceeded Local Worker Hiring Goal
4th Quarter 2020	56	54 (96%)	43 (77%)
3rd Quarter 2020	58	57 (98%)	43 (74%)
2nd Quarter 2020	51	50 (98%)	40 (78%)
1st Quarter 2020	48	47 (98%)	38 (79%)
4th Quarter 2019	36	34 (94%)	26 (72%)

Quarter	# of Projects	# of Projects with Targeted Worker Participation	# of Projects That Met or Exceeded Targeted Worker Hiring Goal
4th Quarter 2020	56	52 (93%)	49 (88%)
3rd Quarter 2020	58	53 (91%)	51 (88%)
2nd Quarter 2020	51	44 (86%)	37 (73%)
1st Quarter 2020	48	35 (73%)	28 (58%)
4th Quarter 2019	36	18 (50%)	11 (61%)

LOCAL AND TARGETED WORKER HIRING POLICY – 2021 FIRST QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the first quarter of Calendar Year (CY) 2021 covering the period of January 1, 2021 through March 31, 2021.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the first quarter of CY 2020 through the first quarter of CY 2021. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
1 st Quarter 2021	54	49 (91%)	34 (63%)
4 th Quarter 2020	42	38 (90%)	32 (76%)
3 rd Quarter 2020	37	35 (95%)	26 (70%)
2 nd Quarter 2020	32	29 (91%)	21 (66%)
1 st Quarter 2020	31	30 (97%)	26 (84%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the first quarter of CY 2020 through the first quarter of CY 2021. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
1 st Quarter 2021	66	65 (98%)	54 (82%)
4 th Quarter 2020	56	54 (96%)	43 (77%)
3 rd Quarter 2020	58	57 (98%)	43 (74%)
2 nd Quarter 2020	51	50 (98%)	40 (78%)
1 st Quarter 2020	48	47 (98%)	38 (79%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
1 st Quarter 2021	66	50 (76%)	47 (71%)
4 th Quarter 2020	56	52 (93%)	49 (88%)
3 rd Quarter 2020	58	53 (91%)	51 (88%)
2 nd Quarter 2020	51	44 (86%)	37 (73%)
1 st Quarter 2020	48	35 (73%)	28 (58%)

Each Supervisor
May 19, 2021

LOCAL AND TARGETED WORKER HIRING POLICY – 2021 SECOND QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the second quarter of Calendar Year (CY) 2021 covering the period of April 1, 2021 through June 30, 2021.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the second quarter of CY 2020 through the second quarter of CY 2021. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
2 nd Quarter 2021	51	49 (96%)	41 (80%)
1 st Quarter 2021	54	49 (91%)	34 (63%)
4 th Quarter 2020	42	38 (90%)	32 (76%)
3 rd Quarter 2020	37	35 (95%)	26 (70%)
2 nd Quarter 2020	32	29 (91%)	21 (66%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the second quarter of CY 2020 through the second quarter of CY 2021. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
2 nd Quarter 2021	72	68 (94%)	54 (75%)
1 st Quarter 2021	66	65 (98%)	54 (82%)
4 th Quarter 2020	56	54 (96%)	43 (77%)
3 rd Quarter 2020	58	57 (98%)	43 (74%)
2 nd Quarter 2020	51	50 (98%)	40 (78%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
2 nd Quarter 2021	72	55 (76%)	52 (72%)
1 st Quarter 2021	66	50 (76%)	47 (71%)
4 th Quarter 2020	56	52 (93%)	49 (88%)
3 rd Quarter 2020	58	53 (91%)	51 (88%)
2 nd Quarter 2020	51	44 (86%)	37 (73%)

LOCAL AND TARGETED WORKER HIRING POLICY – 2021 THIRD QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the third quarter of Calendar Year (CY) 2021 covering the period of July 1, 2021 through September 30, 2021.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the third quarter of CY 2020 through the third quarter of CY 2021. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
3 rd Quarter 2021	63	60 (95%)	49 (78%)
2 nd Quarter 2021	51	49 (96%)	41 (80%)
1 st Quarter 2021	54	49 (91%)	34 (63%)
4 th Quarter 2020	42	38 (90%)	32 (76%)
3 rd Quarter 2020	37	35 (95%)	26 (70%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the third quarter of CY 2020 through the third quarter of CY 2021. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
3 rd Quarter 2021	62	60 (97%)	51 (82%)
2 nd Quarter 2021	72	68 (94%)	54 (75%)
1 st Quarter 2021	66	65 (98%)	54 (82%)
4 th Quarter 2020	56	54 (96%)	43 (77%)
3 rd Quarter 2020	58	57 (98%)	43 (74%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
3 rd Quarter 2021	62	51 (82%)	50 (81%)
2 nd Quarter 2021	72	55 (76%)	52 (72%)
1 st Quarter 2021	66	50 (76%)	47 (71%)
4 th Quarter 2020	56	52 (93%)	49 (88%)
3 rd Quarter 2020	58	53 (91%)	51 (88%)

LOCAL AND TARGETED WORKER HIRING POLICY – 2021 FOURTH QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the fourth quarter of Calendar Year (CY) 2021 covering the period of October 1, 2021 through December 31, 2021.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the fourth quarter of CY 2020 through the fourth quarter of CY 2021. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
4th Quarter 2021	71	66 (93%)	54 (76%)
3 rd Quarter 2021	63	60 (95%)	49 (78%)
2 nd Quarter 2021	51	49 (96%)	41 (80%)
1 st Quarter 2021	54	49 (91%)	34 (63%)
4 th Quarter 2020	42	38 (90%)	32 (76%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the fourth quarter of CY 2020 through the fourth quarter of CY 2021. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
4th Quarter 2021	62	61 (98%)	49 (79%)
3 rd Quarter 2021	62	60 (97%)	51 (82%)
2 nd Quarter 2021	72	68 (94%)	54 (75%)
1 st Quarter 2021	66	65 (98%)	54 (82%)
4 th Quarter 2020	56	54 (96%)	43 (77%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
4th Quarter 2021	62	57 (92%)	57 (92%)
3 rd Quarter 2021	62	51 (82%)	50 (81%)
2 nd Quarter 2021	72	55 (76%)	52 (72%)
1 st Quarter 2021	66	50 (76%)	47 (71%)
4 th Quarter 2020	56	52 (93%)	49 (88%)

LOCAL AND TARGETED WORKER HIRING POLICY – 2022 FIRST QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Department of Public Works (DPW), Internal Services Department (ISD), Department of Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the first quarter of Calendar Year (CY) 2022 covering the period of January 1, 2022, through March 31, 2022.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the first quarter of CY 2021 through the first quarter of CY 2022. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
1 st Quarter 2022	71	68 (96%)	53 (75%)
4 th Quarter 2021	71	66 (93%)	54 (76%)
3 rd Quarter 2021	63	60 (95%)	49 (78%)
2 nd Quarter 2021	51	49 (96%)	41 (80%)
1 st Quarter 2021	54	49 (91%)	34 (63%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the first quarter of CY 2021 through the first quarter of CY 2022. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
1 st Quarter 2022	65	64 (98%)	52 (80%)
4 th Quarter 2021	62	61 (98%)	49 (79%)
3 rd Quarter 2021	62	60 (97%)	51 (82%)
2 nd Quarter 2021	72	68 (94%)	54 (75%)
1 st Quarter 2021	66	65 (98%)	54 (82%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
1 st Quarter 2022	65	57 (88%)	52 (80%)
4 th Quarter 2021	62	57 (92%)	57 (92%)
3 rd Quarter 2021	62	51 (82%)	50 (81%)
2 nd Quarter 2021	72	55 (76%)	52 (72%)
1 st Quarter 2021	66	50 (76%)	47 (71%)

Each Supervisor

LOCAL AND TARGETED WORKER HIRING POLICY – 2022 SECOND QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Departments of Public Works (DPW), Internal Services (ISD), Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the second quarter of Calendar Year (CY) 2022 covering the period of April 1, 2022, through June 30, 2022.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the second quarter of CY 2021 through the second quarter of CY 2022. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
2 nd Quarter 2022	80	80 (100%)	61 (76%)
1 st Quarter 2022	71	68 (96%)	53 (75%)
4 th Quarter 2021	71	66 (93%)	54 (76%)
3 rd Quarter 2021	63	60 (95%)	49 (78%)
2 nd Quarter 2021	51	49 (96%)	41 (80%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the second quarter of CY 2021 through the second quarter of CY 2022. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
2 nd Quarter 2022	54	54 (100%)	44 (81%)
1 st Quarter 2022	65	64 (98%)	52 (80%)
4 th Quarter 2021	62	61 (98%)	49 (79%)
3 rd Quarter 2021	62	60 (97%)	51 (82%)
2 nd Quarter 2021	72	68 (94%)	54 (75%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
2 nd Quarter 2022	54	51 (94%)	46 (85%)
1 st Quarter 2022	65	57 (88%)	52 (80%)
4 th Quarter 2021	62	57 (92%)	57 (92%)
3 rd Quarter 2021	62	51 (82%)	50 (81%)
2 nd Quarter 2021	72	55 (76%)	52 (72%)

Each Supervisor

LOCAL AND TARGETED WORKER HIRING POLICY – 2022 THIRD QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Departments of Public Works (DPW), Internal Services (ISD), Parks and Recreation (Parks), Los Angeles County Development Authority, and public and private projects for the third quarter of Calendar Year (CY) 2022 covering the period of July 1, 2022, through September 30, 2022.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the third quarter of CY 2021 through the third quarter of CY 2022. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
3 rd Quarter 2022	73	72 (99%)	56 (77%)
2 nd Quarter 2022	80	80 (100%)	61 (76%)
1 st Quarter 2022	71	68 (96%)	53 (75%)
4 th Quarter 2021	71	66 (93%)	54 (76%)
3 rd Quarter 2021	63	60 (95%)	49 (78%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the third quarter of CY 2021 through the third quarter of CY 2022. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed on Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
3 rd Quarter 2022	56	54 (96%)	45 (80%)
2 nd Quarter 2022	54	54 (100%)	44 (81%)
1 st Quarter 2022	65	64 (98%)	52 (80%)
4 th Quarter 2021	62	61 (98%)	49 (79%)
3 rd Quarter 2021	62	60 (97%)	51 (82%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
3 rd Quarter 2022	56	52 (93%)	52 (93%)
2 nd Quarter 2022	54	51 (94%)	46 (85%)
1 st Quarter 2022	65	57 (88%)	52 (80%)
4 th Quarter 2021	62	57 (92%)	57 (92%)
3 rd Quarter 2021	62	51 (82%)	50 (81%)

Each Supervisor
November 16, 2022

**LOCAL AND TARGETED WORKER HIRING POLICY – 2022 FOURTH QUARTER
REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)**

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Departments of Public Works, Internal Services, Parks and Recreation, Los Angeles County Development Authority, and public and private projects for the fourth quarter of Calendar Year (CY) 2022 covering the period of October 1, 2022, through December 31, 2022.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the fourth quarter of CY 2021 through the fourth quarter of CY 2022. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
4 th Quarter 2022	73	73 (100%)	60 (82%)
3 rd Quarter 2022	73	72 (99%)	56 (77%)
2 nd Quarter 2022	80	80 (100%)	61 (76%)
1 st Quarter 2022	71	68 (96%)	53 (75%)
4 th Quarter 2021	71	66 (93%)	54 (76%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the fourth quarter of CY 2021 through the fourth quarter of CY 2022. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed in Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
4 th Quarter 2022	62	61 (98%)	51 (82%)
3 rd Quarter 2022	56	54 (96%)	45 (80%)
2 nd Quarter 2022	54	54 (100%)	44 (81%)
1 st Quarter 2022	65	64 (98%)	52 (80%)
4 th Quarter 2021	62	61 (98%)	49 (79%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
4 th Quarter 2022	62	56 (90%)	55 (89%)
3 rd Quarter 2022	56	52 (93%)	52 (93%)
2 nd Quarter 2022	54	51 (94%)	46 (85%)
1 st Quarter 2022	65	57 (88%)	52 (80%)
4 th Quarter 2021	62	57 (92%)	57 (92%)

Each Supervisor
February 16, 2023

LOCAL AND TARGETED WORKER HIRING POLICY – 2023 FIRST QUARTER REPORT (ITEM NO. 14, AGENDA OF SEPTEMBER 6, 2016)

On September 6, 2016, the Board approved a motion by Supervisors Ridley-Thomas and Solis to create the Countywide Local and Targeted Worker Hire (LTWH) Policy (Policy). The motion directed that quarterly reports be submitted to the Board and the Economic Development Policy Committee, and the reports are to be based on empirical data that measures the compliance and the efficacy of the Policy.

This office has received local and targeted worker data from the Departments of Public Works, Internal Services, Parks and Recreation, Los Angeles County Development Authority, and public and private projects for the first quarter of Calendar Year (CY) 2023 covering the period of January 1, 2023, through March 31, 2023.

Best Efforts Goal Projects

Projects with a budget greater than \$500,000 and less than \$2.5 million have a 30 percent best efforts local hiring goal, and no targeted worker hiring requirements. The matrix below depicts data of local worker hiring efforts for projects with a Best Effort hiring goal from the first quarter of CY 2022 through the first quarter of CY 2023. The local workers hours, total California construction labor hours, and hiring percentage for these projects are detailed on Attachment A.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
1 st Quarter 2023	75	73 (97%)	63 (84%)
4 th Quarter 2022	73	73 (100%)	60 (82%)
3 rd Quarter 2022	73	72 (99%)	56 (77%)
2 nd Quarter 2022	80	80 (100%)	61 (76%)
1 st Quarter 2022	71	68 (96%)	53 (75%)

Mandatory Hiring Projects

Mandatory hiring projects have a project budget greater than \$2.5 million and are required to obtain 30 percent local and 10 percent targeted hiring goals. The matrices below depict data of local and targeted worker hiring efforts for projects with a mandatory hiring goal from the first quarter of CY 2022 through the first quarter of CY 2023. For those projects not meeting the mandatory hiring percentages goals, project managers are working with contractors to increase participation of local and targeted workers to meet the goals. The local workers hours, total California construction labor hours, and local and targeted hiring percentage for these projects are detailed in Attachment B.

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Local Worker Participation</i>	<i># of Projects That Met or Exceeded Local Worker Hiring Goal</i>
1 st Quarter 2023	62	62 (100%)	49 (79%)
4 th Quarter 2022	62	61 (98%)	51 (82%)
3 rd Quarter 2022	56	54 (96%)	45 (80%)
2 nd Quarter 2022	54	54 (100%)	44 (81%)
1 st Quarter 2022	65	64 (98%)	52 (80%)

<i>Quarter</i>	<i># of Projects</i>	<i># of Projects with Targeted Worker Participation</i>	<i># of Projects That Met or Exceeded Targeted Worker Hiring Goal</i>
1 st Quarter 2023	62	57 (92%)	55 (89%)
4 th Quarter 2022	62	56 (90%)	55 (89%)
3 rd Quarter 2022	56	52 (93%)	52 (93%)
2 nd Quarter 2022	54	51 (94%)	46 (85%)
1 st Quarter 2022	65	57 (88%)	52 (80%)

Each Supervisor
May 16, 2023

This will be the final LTWH quarterly report submitted by the Chief Executive Office (CEO). To facilitate transparency and public access to information, the CEO and the Department of Economic Opportunity (DEO) partnered to develop an online report dedicated to LTWH data. Going forward, DEO will post quarterly LTWH data on their website. The dashboard can be found at the link below:

- [Local & Targeted Worker Hiring Dashboard](#)

The CY 2023 second quarter report will cover the period ending June 30, 2023 and will be published on the DEO website by August 16, 2023.

If you have any questions concerning this matter, please contact me or Vanessa Moody at (213) 974-1360 or vmooddy@ceo.lacounty.gov.
