

**August 6, 2024**

**MOTION BY SUPERVISOR LINDSEY P. HORVATH**

**Heal the Bay California Coastal Cleanup Parking Fee Waiver 2024**

Heal the Bay (HTB) is a nonprofit organization and for the past 34 years, has mobilized Los Angeles' diverse communities to protect our coastline, restore our waterways, and advocate for clean water policy across our watersheds. Also, HTB has attracted more than 7,000 local volunteers who pitch in and remove thousands of pounds of trash and recyclables found along our coastline and rivers. Last year, volunteers were able to remove and divert 11,000 pounds of trash from reaching our water systems and neighborhoods. This year's theme is centered around uniting people to embrace self-expression, local knowledge, and collective strength to make an impact, not just at our beaches, but throughout our watershed. On Saturday, September 21, 2024, from 8:00 a.m. to 2:00 p.m. HTB will be hosting its annual Coastal Cleanup Day at more than 40 sites across the Los Angeles County coastline.

**I, THEREFORE, MOVE** that the Board of Supervisors instruct the Director of the Department of Beaches and Harbors to waive the cost of all parking fees for approximately 7,000 volunteers and support staff at County-operated beach parking lots, excluding the cost of liability insurance, and contingent upon submission of the list of beach sites and expected numbers of volunteers at each location to the Department no later than August 15, for the Annual Coastal
