Dear Supervisors:

**APPROVAL OF THE LOS ANGELES COUNTY WORKFORCE DEVELOPMENT BOARD (WDB)
APPLICATION FOR SUBSEQUENT LOCAL AREA DESIGNATION AND LOCAL BOARD
RECERTIFICATION FOR PROGRAM YEARS 2019-2021
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Los Angeles County (County) Workforce Development, Aging and Community Services (WDACS) seeks your Board's approval of the Los Angeles County Workforce Development Board's (L.A. County WDB) Application for Subsequent Local Area Designation and Local Board Recertification for Program Years 2019-2021 (Recertification Application; Attachment A). Recertification of local WDBs is a federal and state requirement under the Workforce Innovation and Opportunity Act (WIOA). The Recertification Application details the L.A. County WDB's compliance with board membership and categorical representation under federal and state law, as well as certifying compliance with other key administrative and fiscal requirements. The Recertification Application also summarizes the WDB's contributions to regional planning efforts and to the development of regional WIOA performance goals for Program Years (PY) 2018-19 and 2019-20.

IT IS RECOMMENDED THAT THE BOARD:

Approve the L.A. County WDB Recertification Application and instruct the Chair to sign the application on behalf of the Board of Supervisors. The signed Recertification Application will be submitted to the State by July 31, 2019.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval by your Board and submission of the Recertification Application will grant authority to the WDB to continue with its policy and oversight roles under WIOA for the County's Local Workforce

Development Area (LWDA), which encompasses 58 of the 88 cities and all unincorporated areas within the County. The California Workforce Development Board (CWDB) and EDD directed WDBs to submit their applications without requesting any changes to the geographic composition of their LWDA. The State will issue a Directive later this year that outlines the process for a local WDB to request a change to their LWDA.

Approval of the recommended action will also allow for the continued eligibility of the County to receive WIOA funding and will enable WDACS and the L.A. County WDB to continue to lead and support implementation of Board priorities related to workforce and economic development initiatives Countywide. The recertification will cover a two-year period, from July 1, 2019 to June 30, 2021.

Your Board Chair's signature certifies that the L.A. County WDB appointed members consistent with WIOA, performed successfully (as defined within the Recertification Application), and sustained fiscal integrity during PYs 2016-17 and 2017-18 and developed and implemented strategies to improve and strengthen the workforce development system in accordance with WIOA. Furthermore, the Chair's signature signifies agreement that the L.A. County WDB will adhere to state and federal requirements as outlined in the Local Board Assurances section of the Recertification Application. The criteria for recertification have been fully satisfied and are described in the attached Recertification Application (Attachment A). The L.A. County WDB approved the Recertification Application on June 14, 2019.

Implementation of Strategic Plan Goals

The recommended actions support the County Strategic Plan Goal I: Make Investments That Transform Lives, and Goal II: Foster Vibrant and Resilient Communities, in particular Objective I.2.4: Support Job Readiness and Increase Employment Opportunities for Youth Served by the County, and Objective II.1.3: Coordinate Workforce Development: Identify and align workforce development programs to provide career pathways for high-needs, priority populations and to support the labor needs of the County's high-growth industry sectors.

FISCAL IMPACT/FINANCING

The recommended actions carry no Net County Cost impact as the operations of the L.A. County WDB are financed by federal WIOA funds and included in the WDACS Annual Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

WIOA, which amended and reauthorized the Workforce Investment Act, was signed into law on July 22, 2014 and went into effect on July 1, 2015. Section 107(c)(2) of WIOA requires state WDBs to recertify local WDBs that have met WIOA WDB member requirements and performance accountability measures, as well as maintained fiscal integrity standards. In addition, local boards requesting recertification must provide a status update on progress made towards implementation of key WIOA provisions.

On May 16, 2019, the California State Employment Development Department (EDD) issued Directive WSD18-14 - Subsequent Local Area Designation and Local Board Recertification, which outlines state requirements and instructions for the development and submission of Recertification Applications. The L.A. County WDB submitted the Recertification Application to the State in advance of their June 14, 2019 deadline. The State allowed WDBs to submit the Recertification Application without the signatures of the WDB Chair and Board of Supervisors Chair, as long as the signed versions are subsequently provided as soon as feasible. We received authorization from the State to

provide the signed versions by July 31, 2019, which we will submit following your Board's approval.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended action will grant authority to the L.A. County WDB to continue with its policy and oversight roles under WIOA, and will enable the County's continued eligibility to receive WIOA funding. Approval of the recommended action will also enable WDACS and the WDB to continue to lead and support implementation of Board priorities related to workforce and economic development initiatives Countywide.

CONCLUSION

Should you have questions, you may contact me directly, or your staff may contact Kevin Anderson, Special Assistant, at (213) 738-2593 or kanderson@wdacs.lacounty.gov.

Respectfully submitted,

OTTO SOLÓRZANO

Sustained Fiscal Integrity

The Local Area hereby certifies that it has not been found in violation of one or more of the following during PY 16-17 or PY 17-18:

- *Final determination of significant finding(s)* from audits, evaluations, or other reviews conducted by state or local governmental agencies or the Department of Labor identifying issues of fiscal integrity or mis-expended funds due to the willful disregard or failure to comply with any WIOA requirement, such as failure to grant priority of service or verify participant eligibility; or
- *Gross negligence* – defined as a conscious and voluntary disregard of the need to use reasonable care, which is likely to cause foreseeable grave injury or harm to persons, property, or both; or
- *Failure to observe accepted standards of administration* – Local areas must have adhered to the applicable uniform administrative requirements set forth in Title 2 *Code of Federal Regulations* (CFR) Part 200, WIOA regulations, and state guidance (In alignment with WIOA Section 106[e][2]).

Performed Successfully

The Local Area hereby certifies that it has performed successfully, defined as successfully negotiating PY 18-19 and PY 19-20 performance goals within their designated Regional Planning Unit in the following ways:

The Los Angeles County Workforce Development Board (L.A. County WDB)/Workforce Development, Aging and Community Services (WDACS) staff worked to serve as the regional

coordinator and central point of contact to negotiate the Regional Planning Unit's (RPU) collection and individual WDB performance benchmarks. The L.A. County WDB worked with the regions other six WDBs to ensure a consistent and coordinated voice coming from the RPU, and to facilitate dialogue in a streamlined manner with the State. The County hosted two meetings in PY 2017-18 amongst the seven directors of each WDB to ensure that everyone was comfortable with the proposed performance benchmarks. The L.A. County WDB also communicated individually with each WDB director in the region as WDB specific issues arose. Lastly, the L.A. County WDB's Research and Statistics Division was able to provide the RPU with historical performance data from across the region and for each individual WDB in order to forecast aspirational, yet attainable, goals to propose to the State, and allowed the seven WDBs to negotiate in areas where they felt any counterproposals may not have been reasonable. As a result, the L.A. County WDB was successful in working with the RPU, as well as the Employment Development Department, to determine reasonable yet ambitious performance goals for PY 2018-19 and PY 2019-20.

Engaged in Regional Planning

The Local Area hereby certifies that it has participated in and contributed to regional planning and negotiating regional performance measures in the following ways:

Slingshot Initiative

The Interim Executive Director of the L.A. County WDB participated in meetings with the Regional Planning Unit (RPU) and the South East Los Angeles County (SELACO) WDB, specifically on the Health Care Coordinator Career Pathway effort for the Health Services sector. The L.A. County WDB provided feedback in meetings with the Hospital Association of Southern California, Centinela Hospital, and other partners to assist with the development of the pilot project's program design and flow chart. Specifically, the L.A. County WDB provided partners with best practices from its workforce system and strategies for care coordination trainings that are delivered in its public hospitals. The pilot program was very successful and is still in operation to this day.

Regional Training Funds

The L.A. County WDB Interim Executive Director participated in all RPU Meetings during the last two program years and provided input and feedback on the use of Regional Training Funds. Most of the Regional Training Funds allocated to the County of Los Angeles were utilized for a Business Conference, sponsored by the County and in partnership with the RPU. The remaining funds were used for sending WDB and Workforce Development, Aging and Community Services (WDACS, fiscal agent for the WDB) staff to the California Workforce Association's (CWA) Executive Leadership Bootcamp.

Prison-to-Employment Initiative (P2E)

L.A. County WDB/WDACS staff was very active in meetings and discussions related to the RPU's development of the P2E planning grant application. The Interim Executive Director participated

in all meetings and conference calls involving the other area WDBs and the RPU's consultant, Cyd Spikes, who was responsible for the development of the planning grant. In addition, the Interim Executive Director solicited feedback from WDACS Program staff and provided briefings to WDACS Executive Management on all planning efforts, which culminated in the department's support of the planning grant application.

L.A. County WDB/WDACS staff played a critical role in leading two of the four workgroups created to design the blueprint for Reentry Services in Los Angeles County outlined in the planning grant application. WDACS staff led the System Alignment Workgroup and provided critical support to the Business Engagement Workgroup. The Interim Executive Director participated in most Workgroup meetings, which included the following reentry partners: County departments that serve justice-involved individuals, community-based organizations, and the Division of Adult Parole Operations, California Department of Corrections and Rehabilitation (CDCR).

Measure H Funding

The L.A. County WDB/WDACS has provided Measure H (local ballot initiative passed in March of 2017) funding to all WDB's in order to provide more comprehensive geographic coverage of workforce services to the homeless population in the County beyond its Local Workforce Development Area (LWDA). The L.A. County WDB/WDACS provides support and training to WDBs that receive Measure H funds from the County, which includes the tracking and sharing of performance data related to the delivery of services funded with Measure H dollars.

INVEST Program

L.A. County WDB/WDACS created a unique program in coordination with the Los Angeles County Probation Department and the Los Angeles County Office of Diversion and Reentry to provide streamlined services to adult probationers seeking job opportunities through the County's America's Job Centers of California (AJCC) system. One of the key features of the INVEST Program is colocation of Probation officers at L.A. County AJCCs. With the support of the Los Angeles County WDB, other area WDBs—such as the South Bay Workforce Investment Board—have adopted the INVEST Program model to better serve reentry clients at their AJCCs.

L.A. County Youth Funds

The L.A. County WDB/WDACS provides Summer Youth Job Funds to other area WDBs in order to expand the reach of workforce services and summer job opportunities to youth countywide. Our collaboration with the other L.A. region WDBs for summer youth jobs has existed for numerous years now.

WIOA Regional and Local Plan Modifications

The RPU's seven WDBs came together to host over 50 public stakeholder convenings throughout the region, 17 of which were hosted by the L.A. County WDB, to gain input from a broad array of business, economic development, education, social service and other stakeholders throughout the region to inform the development of the WIOA Regional and Local Plan Modifications. The L.A. County WDB hosted its stakeholder convenings in strategic locations across the County to

ensure full coverage of all its LWDA subregions. In addition, the L.A. County WDB assisted other WDBs with outreach and meeting coordination for their Local Plan Stakeholder Meetings and Regional Reentry Planning Forums, which required the participation of several County agencies: Probation Department; Office of Diversion and Reentry, Department of Health Services; Child Support Services Department; and Department of Public Social Services. Lastly, the L.A. County WDB posted drafts of the Regional and Local Plan Modifications on the WDACS website for a 30-day public comment period (2/8/2019 - 3/10/2019) to gather public input and feedback on the draft documents. In total, over 500 partners and stakeholders provided input that informed the development of the Regional and Local Plan Modifications.
