

MOTION BY SUPERVISORS KATHRYN BARGER  
AND JANICE HAHN

November 24, 2020

**Maintain Outdoor Dining at Restaurants**

In response to the overwhelming public response and serious economic and social implications from closing outdoor dining at restaurants, it is imperative that the Board of Supervisors and Department of Public Health reconsider the decision made last week to close outdoor dining if cases hit a specific threshold.

**We therefore move** that the Health Officer of the Department of Public Health:

1. Maintain the current restrictions on restaurants, including outdoor dining only at 50% capacity and closed for takeout only from 10:00 p.m. to 6:00 a.m.
2. Re-engage the restaurant sector of the Economic Resiliency Task Force to discuss any additional measures that could significantly limit the spread of COVID-19.
