The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

43 July 13, 2021

CELIA ZAVALA
EXECUTIVE OFFICER

**RECOMMENDATIONS REGARDING
2021-22 GRANT AWARDS FOR CULTURAL SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The County, through the Los Angeles County Department of Arts and Culture, provides grants to nonprofit arts organizations to deliver a wide variety of cultural services to County residents and to support arts and culture throughout the region. Grants to nonprofit organizations in artistic disciplines such as visual arts, media arts, literary arts, film, music, and performing arts provide concerts, theatre productions, exhibitions, arts education programs and core operations that increase access to the arts and quality of life for residents throughout the County.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve grants to 231 nonprofit arts organizations at a cost of \$4,518,000 for the Fiscal Year 2021-22 Organizational Grant Program (OGP), as such grants help to meet the needs of constituents by fostering excellence, diversity, vitality, understanding and accessibility of the arts in Los Angeles County.
2. Instruct the Department of Arts and Culture Director to prepare, sign and execute contracts and approve expenditures necessary to implement the 2021-2022 OGP after County Counsel approves as to form.
3. Delegate authority to the Department of Arts and Culture to reallocate forfeited grant awards, not to exceed \$100,000 in aggregate, to existing Board-approved grantee organizations and instruct the Department of Arts and Culture Director to amend these contracts accordingly.

4. Find that the proposed actions are exempt from California Environmental Quality Act (CEQA) for the reasons stated in the Board Letter and the record.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to disburse grant funds allocated by your Board. This is the annual implementation of the Organizational Grant Program (OGP). All organizations apply for two years of consecutive funding and all award amounts are for two years. The number of recommended grantees in 2021-22 is 231.

Organizational Grant Program 1/Small Budget Organizations

This category provides support for nonprofit arts organizations with budgets up to \$199,999 and two years of producing history. OGP 1 grant funds will be disbursed to 114 nonprofit arts organizations (see BOS Attachments Pg. 5-14) at a cost of \$1,121,300.

Organizational Grant Program 2/Mid-Size Budget Organizations

This category provides support for nonprofit arts organizations with budgets between \$200,000 and \$999,999. OGP 2 grant funds will be disbursed to 73 nonprofit arts organizations (see BOS Attachments Pg. 15-20) at a cost of \$1,471,400.

Organizational Grant Program 3/Larger Mid-Size Budget Organizations

This category provides support for nonprofit arts organizations with budgets between \$1,000,000 and \$14,999,999. OGP 3 grant funds will be disbursed to 39 nonprofit arts organizations (see BOS Attachments Pg. 21-24) at a cost of \$1,494,900.

Organizational Grant Program 4/Large Budget Organizations

This category provides support for nonprofit arts organizations with budgets over \$15 million to ensure accessibility. Grants must be used for programs that increase access to cultural services for County residents. OGP 4 grant funds will be disbursed to 5 nonprofit arts organizations (see BOS Attachments Pg. 25) at a cost of \$430,400.

Grant amounts are awarded utilizing the formula adopted by the Arts Commission. A total of 242 grant funding requests were received. With this formula, to fit the total available funding of \$4,518,000, all awards across all OGP categories were reduced to 45% of the fundable request amount (score multiplied by total amount requested). Scores are determined by evaluating the organization's artistic quality and accomplishments, quality of standards-based K-12 arts education services (if applicable), services to community/audience, evaluation methodology, and fiscal and administrative competence.

Since funding is over two years, organizations that receive grants apply every other year. For your information, also attached is a list of 219 grants that were made last year in Fiscal Year 2020-21 (BOS Attachments Pg. 26) to provide you with a full perspective of all arts and cultural organizations that are supported through this program. A total of \$4,518,000 was allocated in Fiscal Year 2020-21 for 219 grants as follows: 104 organizations received funding in the OGP 1/Small Budget category, 73 organizations received funding in the OGP 2/Mid-Size Budget category, 37 organizations received funding in the OGP 3/Mid-Size Budget category, and 5 organizations received funding in the OGP 4/Large Budget category. Combined, this is the largest group of awarded organizations in the program's history at 450 organizations.

Implementation of Strategic Plan Goals

The recommended actions support Countywide Strategic Plan Goal II: Foster Vibrant and Resilient Communities, as arts and cultural resources support healthy and vibrant communities and the proposed organization's contracts will help to meet the needs of constituents by providing direct access and

increased opportunities for quality arts activities and programming that is often free or low cost throughout Los Angeles County.

FISCAL IMPACT/FINANCING

The \$4,518,000 in Net County Cost for this program is included in the Department of Arts and Culture FY2021-22 Adopted budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Department of Arts and Culture utilized peer panels grouped by artistic discipline to review and score all applications and to make recommendations to the Arts Commission. The Arts Commission reviewed these scores and allocations at their meeting on June 14, 2021 and voted to approve the funding recommendations for submission to your Board for approval.

Upon notification of a forfeited FY 2021-22 OGP grant award, the Department of Arts and Culture will reallocate the forfeited funds to existing Board-approved grantee organizations. The reallocation will be approved by the Arts Commission.

For Fiscal Year 2020-21, forfeited funds totaling \$13,900 from two of the OGP 1 organizations awarded grants through the OGP were reallocated to Board-approved grantee organizations. Consistent with prior re-allocations made by the Arts Commission, the grant dollars were reallocated to organizations in the same OGP category across all five supervisorial districts (BOS Attachments Pg. 31).

The County is authorized to contract with any firm or corporation for artistic services for the residents of Los Angeles County pursuant to Government Code sections 25562 and 26227. The contractor (grantee) will be governed by the policy and guideline requirements of the Department of Arts and Culture. Grantees are defined as nonprofit 501(c)(3) organizations with missions to provide arts services for the benefit of the public.

ENVIRONMENTAL DOCUMENTATION

The recommended actions are exempt from the California Environmental Quality Act (CEQA) pursuant to sections 15301, 15304(e), 15322, and 15323 of the CEQA Guidelines. The OGP programs 1) utilize existing facilities making either minor or negligible alterations to the environment; 2) make minor alterations to land having negligible or no permanent effects on the environment; 3) involve educational or training programs with no physical outdoor alterations to the environment; or 4) consist of normal operations of facilities for public gatherings. In addition, based on the proposed projects records, they will comply with all applicable regulations, and they are not in a sensitive environment, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste site lists compiled pursuant to Government Code section 65962.5, or indications that they may cause a substantial adverse change in the significance of a

historical resource that would make any of the exemption inapplicable.

CONTRACTING PROCESS

The County will pay the contractor (grantee), in consideration of services to be performed and fulfillment of matching requirements, a specific grant award sum (see BOS Attachments Pg. 5-25).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program ensures that a wide variety of diverse cultural services will continue to reach County residents. These services will positively impact residents, neighborhoods and communities by providing direct access and increased opportunities for quality arts activities and programming that is often free or low cost. The proposed grantee organizations are located throughout LA County with offices in 48 of the County's 88 municipalities with programs and services provided in all five supervisorial districts.

Respectfully submitted,

NULLKRISTIN SAKODA
