Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

78 April 5, 2022

CELIA ZAVALA
EXECUTIVE OFFICER

ANNEXATION OF PROPERTY AS IMPROVEMENT AREA NO. 2 OF COUNTY OF LOS ANGELES COMMUNITY FACILITIES DISTRICT NO. 2021-01 (VALENCIA-FACILITIES) (FIFTH DISTRICT) (3 VOTES)

SUBJECT

On March 9, 2021, the County of Los Angeles established County of Los Angeles Community Facilities District No. 2021-01 (Valencia – Facilities) (the “Facilities CFD”) in order to finance facilities and improvements in the Valencia area, which is located in the western Santa Clarita Valley, west of Interstate-5 and south of State Route 126. The formation proceedings designated Improvement Area No. 1 within the Facilities CFD and designated certain property which may be annexed to the Facilities CFD in the future as additional improvement areas (“Future Improvement Areas”) subject to the receipt of the unanimous consent and approval of the owners of the property to be annexed (“Unanimous Consent and Approval”) and approval by the Board of Supervisors acting as the legislative body of the Facilities CFD. The Unanimous Consents and Approvals of owners of property within proposed Improvement Area No. 2 of County of Los Angeles Community Facilities District No. 2021-01 (Valencia – Facilities) (“Improvement Area No. 2”) have been submitted to the Board for acceptance.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed project is exempt from the provisions of the California Environmental Quality Act (CEQA) for the reasons stated in this Board letter and the record.
2. Adopt the Resolution (the “Resolution”) of the Board of Supervisors, acting as the legislative body of the Facilities CFD, accepting the Unanimous Consents and Approvals of property owners to

annex certain property as Improvement Area No. 2 of the Facilities CFD, authorizing the levy of a special tax and the incurring of bonded indebtedness therein, and directing the Executive Officer-Clerk of the Board to sign and record the annexation map of Improvement Area No. 2 and to record a notice of special tax lien with respect thereto within 15 days.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the above recommendations will accept the Unanimous Consents and Approvals submitted by the Owners (as defined below) to (1) annex the property described in Exhibit B to the Resolution as Improvement Area No. 2 of the Facilities CFD, (2) authorize the levy of a special tax on the property annexed in accordance with the Rate and Method of Apportionment of Special Tax for Improvement Area No. 2 attached as Exhibit A to the Resolution, and (3) authorize the incurrence of bonded indebtedness for Improvement Area No. 2 in an aggregate principal amount not to exceed [\$47.5M]. The purpose of annexing Improvement Area No. 2 is to finance facilities and improvements of the type authorized to be financed by the Facilities CFD at the time it was established, including park and recreation facilities, road/bridge improvements, median/parkway landscaping, storm drains, sewer improvements, water improvements, and water quality basins.

The Newhall Land and Farming Company, a California limited partnership (“Newhall Land and Farming Company”); AG EHC II (LEN) CA 2, L.P., a Delaware limited partnership; KB Home Greater Los Angeles Inc., a California corporation; Richmond American Homes of Maryland, Inc., a Maryland corporation; and Valencia C4A & C5A – Newhall, L.P., a Delaware limited partnership (collectively, the “Owners”) own the property proposed to be annexed as Improvement Area No. 2 of the Facilities CFD. Each of the Owners has submitted to the County a Unanimous Consent and Approval with respect to the property that each owns within Improvement Area No. 2.

The property to be annexed as Improvement Area No. 2 of the Facilities CFD is within a long-term master planned community in the Valencia area that will require implementation of significant public infrastructure and facilities (the “Valencia Project”). The Valencia Project implements the Newhall Ranch Specific Plan adopted by the Board on May 27, 2003. The proposed plan for the entire project consists of approximately 25,000 dwelling units and 13 million square feet of commercial, industrial, and other non-residential uses. The dwelling units will include a broad range of housing types, including apartments, single-family attached and detached homes of various sizes, as well as affordable housing. The Valencia Project will also include approximately 10,000 acres of protected open space and a multitude of public facilities. It is anticipated that additional property will be annexed to the Facilities CFD as Future Improvement Areas as the Valencia Project is built out.

Mission Village is one of five villages in the Newhall Ranch Specific Plan. The Newhall Ranch Specific Plan requires that the Newhall Ranch Affordable Housing Program be implemented to provide for the direct inclusion of very low, low, and moderate income affordable housing opportunities as defined in the Specific Plan, and in accordance with the Specific Plan’s Implementation of the Affordable Housing Program. A total of 2,200 affordable housing units are required to be provided within the Specific Plan Area (440 units very low income, 550 units low income, 1,210 units moderate income) as defined by the Specific Plan; the affordable units are required to be disbursed throughout the Specific Plan Area and constructed in pace with the overall residential development and pursuant to the Implementation of the Affordable Housing Program. The Board-approved Mission Village Project is required to provide 300 affordable housing units of the 2,200 total affordable housing units required for the Specific Plan Area.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness/Fiscal Sustainability through the use of cost-effective financing to facilitate ongoing projects that improve the quality of life for County residents.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County. Costs of acquiring or constructing certain facilities and debt service payments on any bonds issued for Improvement Area No. 2 will be paid from the special tax levy on the parcels in Improvement Area No. 2. Newhall Land and Farming Company has previously advanced funds to the County to pay for costs associated with the annexation of Improvement Area No. 2, and such costs will be reimbursed if and when bonds are issued by the Facilities CFD for Improvement Area No. 2.

Similar to the existing community facilities districts ("CFDs") within the County, each year the Board will approve the special tax levy for Improvement Area No. 2 of the Facilities CFD in an amount sufficient to provide for the debt service on any bonds issued for Improvement Area No. 2, to pay for administrative expenses, and for a limited period of time, to pay directly for the costs of acquiring facilities.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Mello-Roos Community Facilities Act of 1982, as amended (the "Act"), was enacted by the State of California in 1982 to enable local governments to form CFDs to fund the construction, acquisition, operation, maintenance, or enhancement of certain public facilities and services. The Act authorizes the issuance of bonds to finance public facilities, and the levying of special taxes to pay the debt service on CFD bonds and to provide funding for certain public services provided to property owners and residents within a CFD.

Section 53350 of the Act provides that any parcel of property that was included in territory proposed for future annexation, as to which there was no majority protest, can complete annexation through the unanimous consent and approval of its owners without further public hearings or election. As permitted under the Act, the proceedings establishing the Facilities CFD provided that property may be annexed to the Facilities CFD as additional improvement areas upon the unanimous consent and approval of the owners of the property to be annexed. The unanimous consent and approval of landowners is sufficient as long as there are fewer than 12 registered voters residing within the boundaries of the proposed area to be annexed for the 90 days preceding the adoption of the Resolution. The Office of the County Registrar-Recorder/County Clerk has confirmed that there are no registered voters residing within the boundaries of the property proposed to be annexed as Improvement Area No. 2.

As required by Section 3110.5 of the Streets and Highways Code for annexation proceedings in connection with a CFD, the Executive Officer-Clerk of the Board shall sign and record the annexation map of Improvement Area No. 2 with the Office of the County Registrar-Recorder/County Clerk within 15 days of the Board's adoption of the Resolution.

Pursuant to Streets and Highways Code section 31114.5, the Executive Officer-Clerk of the Board shall record a notice of special tax lien with respect to Improvement Area No. 2 with the Office of the County Registrar-Recorder/County Clerk within 15 days of the Board's adoption of the Resolution.

ENVIRONMENTAL DOCUMENTATION

The proposed actions are not subject to CEQA because they are activities that are excluded from the definition of a project by Section 21065 of the Public Resources Code, and Section 13578(b) of the State CEQA Guidelines. The proposed actions would create a government funding mechanism that does not involve any commitment to a specific project that may result in a potentially significant physical impact on the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

None. The levy of a special tax within Improvement Area No. 2 will pay the costs of providing certain public facilities and improvements. The County previously engaged an outside consultant to provide a Fiscal Impact Report that assessed the impact of the Valencia Project on the County's future revenues and expenditures. The report concluded that the Valencia Project will be fiscally neutral for the County and revenues generated by the project will offset the cost of the public services required.

CONCLUSION

Upon approval of the attached Resolution, it is requested that the Executive Officer of the Board return executed copies to the Treasurer and Tax Collector and Regional Planning.

Respectfully submitted,

KEITH KNOX

Assessor's Parcels of Developed Property shall further be classified as Residential Property, Apartment Property, or Non-Residential Property. Each Assessor's Parcel of Residential Property shall then be classified as a Detached Property, Cluster Property, or Attached Property. Each Assessor's Parcel of Detached Property, Cluster Property, or Attached Property shall be further categorized into Land Use Classes based on its Residential Floor Area and assigned the appropriate Assigned Special Tax rate.

The determination of the Residential Floor Area shall be made by reference to the original Building Permit issued for the Dwelling Unit of an Assessor's Parcel. The Building Permit may include any subsequent document(s) authorizing new construction on an Assessor's Parcel that are issued or changed by the County after the original issuance, as determined by the CFD Administrator as necessary to fairly allocate Special Tax to the Assessor's Parcel, provided that following such determination the Maximum Special Tax that may be levied on all Assessor's Parcels of Taxable Property in each year will be at least 1.1 times annual debt service on all outstanding Bonds plus the estimated annual Administrative Expenses in each year.

C MAXIMUM SPECIAL TAX RATE

C.1.b Backup Special Tax

- i. The Backup Special Tax for a Final Map, in Fiscal Year 2022-2023, shall equal the lesser of (a) the amount per Acre for each such Final Map as shown in Table 2 below, and (b) the amount in connection with any reduction in the Assigned Special Tax as set forth in Section H herein.

Table 2: Fiscal Year 2022-2023 Backup Special Tax

Final Map	Backup Special Tax
61101-22	\$88,492 PER ACRE
61101-23	\$72,175 PER ACRE
61105-24	\$57,385 PER ACRE
61105-25	\$79,653 PER ACRE
61105-26	\$83,217 PER ACRE
61105-27	\$74,738 PER ACRE

61105-30	\$95,575 PER ACRE
ALL OTHER FINAL MAPS (excluding Apartment Property)	\$58,318 PER ACRE

For each Final Map identified in Table 2 above, the Backup Special Tax for Residential Property shall be calculated according to the following formula:

- Backup Special Tax for Residential Property per Dwelling Unit = ((Backup Special Tax) X (Acreage of all Assessor’s Parcels of Residential Property in Final Map)) / (Number of Dwelling Units of Residential Property in Final Map).
 - The Backup Special Tax for Non-Residential Property in a Final Map for Fiscal Year 2022-2023 shall be \$58,318 per Acre.
- ii. The Backup Special Tax for an Assessor’s Parcel of Apartment Property, in Fiscal Year 2022-2023, shall equal the lesser of (a) the amount per Acre as shown below and (b) the amount in connection with any reduction in the Assigned Special Tax as set forth in Section H herein.
- The Backup Special Tax for Apartment Property for Fiscal Year 2022-2023 shall be \$10,795 per Acre for Assessor’s Parcel 2826-184-003, \$28,399 per Acre for Assessor’s Parcel Number 2826-178-004, and \$29,031 per Acre for Assessor’s Parcel Number 2826-178-003.

On each July 1, commencing July 1, 2023, the Backup Special Tax for each Final Map shall be increased by an amount equal to two percent (2.00%) of the amount in effect for the previous Fiscal Year.

- iii. Furthermore, all Assessor's Parcels within CFD No. 2021-01 (IA No. 2) shall be relieved simultaneously and permanently from the obligation to pay and disclose the Backup Special Tax if the CFD Administrator calculates that the annual debt service required for the Outstanding Bonds, when compared to the Assigned Special Tax that shall be levied against all Assessor's Parcels of Developed Property in CFD No. 2021-01 (IA No. 2), results in 110% debt service coverage (i.e., the Assigned Special Tax that shall be levied against all Developed Property in CFD No. 2021-01 (IA No. 2) in each remaining Fiscal Year based on the then existing development is at least equal to the sum of (a) 1.10 times the debt service necessary to support the remaining Outstanding Bonds in each corresponding Fiscal Year, and (b) the Administrative Expenses as defined in Section A herein), and all authorized Bonds have already been issued or the County has covenanted that it shall not issue any additional Bonds (except refunding bonds) to be supported by the Assigned Special Taxes in CFD No. 2021-01 (IA No. 2).

C.2 Final Mapped Property

The Fiscal Year 2022-2023 Maximum Special Tax for each Assessor's Parcel of Final Mapped Property expected to be classified as Residential Property shall be the Backup Special Tax computed pursuant to Section C.1.b above.

On each July 1, commencing July 1, 2023, the Maximum Special Tax for Final Mapped Property shall be increased by an amount equal to two percent (2.00%) of the amount in effect for the previous Fiscal Year.

C.3 Undeveloped Property, Taxable Property Owner Association Property, and/or Taxable Public Property.

The Fiscal Year 2022-2023 Maximum Special Tax for each Assessor's Parcel of Undeveloped Property, Taxable Property Owner Association Property, or Taxable Public Property shall be \$58,318 per Acre.

On each July 1, commencing July 1, 2023, the Maximum Special Tax for Undeveloped Property, Taxable Property Owner Association Property, or Taxable Public Property shall be increased by an amount equal to two percent (2.00%) of the amount in effect for the previous Fiscal Year.

C.4 Multiple Land Use Classes

In some instances, an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The annual Maximum Special Taxes levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes for all Land Use Classes located on that Assessor's Parcel. If an Assessor's Parcel of Developed Property includes either Apartment Property or Non-Residential Property, the Acreage to be assigned to such property for purposes of establishing the Special Tax shall be an amount proportional to the Total Floor Area associated with Apartment Property or Non-Residential Property, as applicable. Furthermore, for a condominium plan, if only a portion of its Building Permits have been issued, the remaining portion of the condominium plan shall be considered Final Mapped Property. The CFD Administrator's allocation to each type of property shall be final.

D APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2022-2023 and for each following Fiscal Year, the Board shall determine the Special Tax Requirement and shall levy the Special Tax each Fiscal Year as follows:

First: The Special Tax shall be levied (i) on each Assessor's Parcel of Developed Property at 100% of the applicable Assigned Special Tax rates until the earlier of (a) the Fiscal Year following the issuance of the last series of Bonds secured by the Special Tax, (b) the third Fiscal Year following the Fiscal Year in which the first series of Bonds secured by the Special Tax were issued, and (c) the fifth Fiscal Year following the Fiscal Year in which the Special Tax were first levied; and (ii) thereafter, Proportionately on each Assessor's Parcel of Developed Property up to 100% of the applicable Assigned Special Tax rates to satisfy the Special Tax Requirement.

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Final Mapped Property at up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to 100% of the Maximum Special Tax as needed to satisfy the Special Tax Requirement.

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.

Sixth: If additional moneys are needed to satisfy the Special Tax Requirement after the first five steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property up to 100% of the Maximum Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Assessor's Parcel of Residential Property as a result of a delinquency in the payment of the Special Tax applicable to any other Assessor's Parcel be increased by more than 10% above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

E EXEMPTIONS

No Special Tax shall be levied on up to 33.28 Acres of Property Owner Association Property or Public Property in CFD No. 2021-01 (IA No. 2). Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property in CFD No. 2021-01 (IA No. 2) becomes Public Property or Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as Public Property or Property Owner Association Property, it will, from that point forward, be subject to the Special Tax.

Property Owner Association Property or Public Property that is not exempt from the Special Tax under this section shall be subject to the levy of the Special Tax and shall be taxed Proportionately as part of the fifth step and sixth step in Section D above, respectively, at up to 100% of the applicable Maximum Special Tax for Taxable Property Owner Association Property or Taxable Public Property.

In addition, no special tax shall be levied on welfare property. Pursuant to Section 53340(c) of the Act, after the issuance of the first series of Bonds any Assessor's Parcels that receive a welfare exemption under subdivision (g) of Section 214 of the California Revenue and Taxation Code (or any successor statute) shall not be classified as Exempt Welfare Property and will be subject to the Special Tax.

F APPEALS AND INTERPRETATIONS

Any taxpayer may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Board by filing a written notice of appeal with the clerk of the Board, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for the disagreement with the CFD Administrator's determination.

Interpretations may be made by the Board by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

G PREPAYMENT

The following additional definitions apply to this Section G:

"CFD Public Facilities" means \$31,394,348 or such lower amount (i) authorized by the Board to provide the public facilities to be funded under CFD No. 2021-01 (IA No. 2), or (ii) determined by the Board concurrently with a covenant that it will not issue any more Bonds to be supported by the Special Tax levied under this Rate and Method of Apportionment.

"Construction Fund" means a fund held by the Trustee for Improvement Area No. 2 to fund CFD Public Facilities.

"Future Facilities Cost" means the CFD Public Facilities minus public facility costs previously funded, or that can be funded from funds in the Construction Fund.

“Outstanding Bonds” means all previously issued Bonds secured by the levy of the Special Tax which will remain outstanding after the first interest and/or principal payment date following the current Fiscal Year, excluding Bonds to be redeemed at a later date with the proceeds of prior prepayments of the Special Tax.

G.1 Prepayment in Full

The Maximum Special Tax obligation may be prepaid and permanently satisfied for (i) Assessor’s Parcels of Developed Property, (ii) Assessor’s Parcels of Final Mapped Property or Undeveloped Property for which a Building Permit has been issued, (iii) Assessor’s Parcels of Final Mapped Property or Undeveloped Property for which a Building Permit has not been issued; and (iv) Assessor’s Parcels of Public Property or Property Owner’s Association Property that are not exempt pursuant to Section E. The Maximum Special Tax obligation applicable to an Assessor’s Parcel may be fully prepaid and the obligation to pay the Special Tax for such Assessor’s Parcel permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Maximum Special Tax obligation for such Assessor’s Parcel shall provide the CFD Administrator with written notice of intent to prepay, and within 5 business days of receipt of such notice, the CFD Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2021-01 (IA No. 2) in calculating the Prepayment Amount (as defined below) for the Assessor’s Parcel. Within 15 days of receipt of such non-refundable deposit, the CFD Administrator shall notify such owner of the Prepayment Amount for the Assessor’s Parcel. Prepayment must be made not less than 60 days prior to the redemption date for any Bonds to be redeemed with the proceeds of such Prepayment Amount.

The Prepayment Amount shall be calculated as follows (capitalized terms are defined below):

Prepayment Amount	
Bond Redemption Amount	
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
less	Capitalized Interest Credit
Total: equals Special Tax Prepayment Amount	

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.
2. For an Assessor’s Parcel of Developed Property, compute the Maximum Special Tax for the Assessor’s Parcel. For an Assessor’s Parcel of Final Mapped

Property or Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax for the Assessor's Parcel as though it was already designated as Developed Property, based upon the Building Permit which has been issued for the Assessor's Parcel. For an Assessor's Parcel of Final Mapped Property or Undeveloped Property for which a Building Permit has not been issued, Public Property or Property Owner's Association Property to be prepaid, compute the Maximum Special Tax for the Assessor's Parcel.

3. Divide the Maximum Special Tax derived pursuant to paragraph 2 by the total amount of Special Taxes that could be levied at the Maximum Special Tax at build out of all Assessor's Parcels of Taxable Property based on the applicable Maximum Special Tax for Assessor's Parcels of Developed Property not including any Assessor's Parcels for which the Special Tax obligation has been previously prepaid.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Determine the Future Facilities Cost.
7. Multiply the quotient derived pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to determine the amount of Future Facilities Costs for the Assessor's Parcel, which amount shall not be less than \$0 (the "Future Facilities Amount").
8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from the Prepayment Amount.
9. Determine the Special Tax levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Determine the amount the CFD Administrator reasonably expects to derive from the investment of the Bond Redemption Amount and the Redemption Premium from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.
11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses of CFD No. 2021-01 (IA No. 2), including the cost of computation of the Prepayment Amount, the cost to invest the Prepayment Amount, the cost of redeeming the Outstanding Bonds, and the cost of recording notices to evidence the prepayment of the Maximum Special Tax obligation for the Assessor's Parcel and the redemption of Outstanding Bonds (the "Administrative Fees and Expenses").

13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of:
 - (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the Prepayment Amount, or
 - (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the Prepayment Amount from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest payment following the current Fiscal Year, the capitalized interest credit (the "Capitalized Interest Credit") shall be calculated by multiplying the quotient derived pursuant to paragraph 3 by the expected balance in the capitalized interest account after such first interest payment.
15. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit, less the Capitalized Interest Credit.
16. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds or make debt service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by CFD No. 2021-01 (IA No. 2).

The Prepayment Amount may not be sufficient to redeem an aggregate principal amount of Outstanding Bonds which is equally divisible by \$5,000. In such event, the increment above \$5,000 or an integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Special Tax prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined pursuant to paragraph 9 above, the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for the Assessor's Parcel from the County tax roll. With respect to any Assessor's Parcel for which the Maximum Special Tax obligation is prepaid, the Board shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Maximum Special Tax obligation and the release of the Special Tax lien for the Assessor's Parcel, and the obligation to pay the Special Tax for such Assessor's Parcel shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Tax that may be levied on all Assessor's Parcels of Taxable Property after the proposed prepayment will be at least 1.1 times maximum annual debt service on the Bonds that will remain outstanding after the prepayment plus the estimated annual Administrative Expenses.

G.2 Prepayment in Part

The Maximum Special Tax obligation for (i) Assessor's Parcels of Developed Property, (ii) Assessor's Parcels of Final Mapped Property or Undeveloped Property for which a

Building Permit has been issued, (iii) Assessor's Parcels of Final Mapped Property or Undeveloped Property for which a Building Permit has not been issued; and (iv) Assessor's Parcels of Public Property or Property Owner's Association Property that are not exempt pursuant to Section E, may be partially prepaid. For purposes of determining the partial prepayment amount, the provisions of Section G.1 shall be modified as provided by the following formula:

$$PP = ((P_E - A) \times F) + A$$

These terms have the following meaning:

- PP = The partial prepayment;
- P_E = The Prepayment Amount calculated according to Section G.1;
- F = The percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax obligation; and
- A = The Administrative Fees and Expenses determined pursuant to Section G.1.

The owner of an Assessor's Parcel who desires to partially prepay the Maximum Special Tax obligation for the Assessor's Parcel shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Maximum Special Tax obligation, (ii) the percentage of the Maximum Special Tax obligation such owner wishes to prepay, and (iii) the company or agency that will be acting as the escrow agent, if any. Within 5 days of receipt of such notice, the CFD Administrator shall notify such property owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2021-01 (IA No. 2) in calculating the amount of a partial prepayment. Within 15 business days of receipt of such non-refundable deposit, the CFD Administrator shall notify such owner of the amount of the Partial Prepayment for the Assessor's Parcel. A Partial Prepayment must be made not less than 60 days prior to the redemption date for the Outstanding Bonds to be redeemed with the proceeds of the Partial Prepayment Amount.

With respect to any Assessor's Parcel for which the Maximum Special Tax obligation is partially prepaid, the CFD Administrator shall (i) distribute the Partial Prepayment Amount as provided in Paragraph 16 of Section G.1, and (ii) indicate in the records of CFD No. 2021-01 (IA No. 2) that there has been a Partial Prepayment for the Assessor's Parcel and that a portion of the Special Tax obligation equal to the remaining percentage (1.00 - F) of Special Tax obligation will continue on the Assessor's Parcel pursuant to Section D.

"Total Effective Tax Rate" means, for a Plan Type, (a) the Total Tax Burden for such Plan Type divided by (b) the Base Price for such Plan Type, converted to a percentage.

"Total Effective Tax Rate Limit" means 1.85%.

"Total Tax Burden" means, with respect to a Plan Type, for the Fiscal Year for which the calculation is being performed, the sum of the Assigned Special Tax and estimated *ad valorem* property taxes, special assessments, special taxes for any overlapping community facilities districts, and any other governmental taxes, fees and charges levied or imposed on Dwelling Units of such Plan Type in CFD No. 2021-01 (IA No. 2) in such Fiscal Year or that would have been levied or imposed on all such Dwelling Units had these Dwelling Units been subject to such levies (excluding homeowner's association dues and Property Assessed Clean Energy ("PACE") charges imposed pursuant to AB 811 or SB 555, that are levied on individual Assessor's Parcels).

Prior to the issuance of the first series of Bonds, the following steps shall be taken for each Land Use Class of for-sale Residential Property in CFD No. 2021-01 (IA No. 2) for evaluating the Special Tax:

Step No.:

1. At least 30 days prior to the issuance of the first series of Bonds, a Price Point Study shall be completed and delivered to the CFD Administrator.
2. The CFD Administrator shall determine the Total Tax Burden and Total Effective Tax Rate for each Plan Type in CFD No. 2021-01 (IA No. 2).
3. Separately, for each Land Use Class of for-sale Residential Property in CFD No. 2021-01 (IA No. 2), the CFD Administrator shall determine whether or not the

Total Effective Tax Rate for all Plan Types in a Land Use Class is less than or equal to the Total Effective Tax Rate Limit.

- a. If the Total Effective Tax Rate for all Plan Types in a Land Use Class in CFD No. 2021-01 (IA No. 2) is less than or equal to the Total Effective Tax Rate Limit, then there shall be no change in Special Tax for such Land Use Class in CFD No. 2021-01 (IA No. 2).
 - b. If the Total Effective Tax Rate for any Plan Type in a Land Use Class in CFD No. 2021-01 (IA No. 2) is greater than the Total Effective Tax Rate Limit, the CFD Administrator shall calculate a revised Assigned Special Tax for that Land Use Class in CFD No. 2021-01 (IA No. 2), such that the revised Assigned Special Tax does not cause the Total Effective Tax Rate for any Plan Type in such Land Use Class to exceed the Total Effective Tax Rate Limit.
4. If the Assigned Special Tax for any Land Use Class is revised pursuant to step 3.b. above, the CFD Administrator shall calculate a revised Backup Special Tax per Acre for each applicable Final Map within CFD No. 2021-01 (IA No. 2). The revised Backup Special Tax for applicable Final Map shall be an amount (rounded to the nearest whole dollar) calculated pursuant to the formula below:

$$\text{Revised BST} = \text{BST} \times (1 + [(\text{Revised AST} - \text{AST})/(\text{AST})])$$

Revised BST = The revised Backup Special Tax for the Final Map.

BST = The Backup Special Tax for the Final Map, as set forth in Section C.1.b.

Revised AST = The total estimated Assigned Special Tax levy for all Land Use Classes of Developed Property in the Final Map, assuming buildout of CFD No. 2021-01 (IA No. 2), including any reduced Assigned Special Taxes resulting from the calculations in step 3.b. above.

AST = The total estimated Assigned Special Tax levy for all Land Use Classes of Developed Property in the Final Map, assuming buildout of CFD No. 2021-01 (IA No. 2) based on the Assigned Special Taxes in effect prior to the reduction pursuant to steps 3.a. and 3.b.

5. If the Assigned Special Tax for any Land Use Class is revised pursuant to step 3.b. above, the CFD Administrator shall also prepare and execute a Certificate to Amend the Special Tax substantially in the form of Exhibit "A" hereto and shall deliver such Certificate to Amend the Special Tax to CFD No. 2021-01 (IA No. 2). The Certificate to Amend the Special Tax shall be completed for all Land Use Classes and shall set forth, as applicable, either (i) the reduced Assigned Special Tax for a Land Use Class as calculated pursuant to step 3.b., or (ii) the Assigned Special Tax as identified in Table 1 of Section C for a Land Use Class that was not revised as determined pursuant to step 3.a.; as well as either (i) the revised Backup Special Tax as calculated pursuant to step 4, or (ii) the Backup Special Tax as identified in Section C.1.b. that was not revised as determined pursuant to step 4 above.
6. If the anticipated date of issuance for the first series of Bonds is within 180 days of the date of receipt of the Price Point Study by the CFD Administrator,

CFD No. 2021-01 (IA No. 2) shall execute the acknowledgement on such Certificate to Amend the Special Tax dated as of the closing date of such Bonds, and upon the closing of such first series of Bonds, the Assigned Special Tax for each Land Use Class and the Backup Special Tax shall be as set forth in such Certificate to Amend the Special Tax. If the Date of Issuance of the first series of Bonds is not within 180 days of the date of receipt of the Price Point Study by the CFD Administrator, such Certificate to Amend the Special Tax shall not be acknowledged by CFD No. 2021-01 (IA No. 2) and shall, as of such date, be void and of no further force and effect. In such case, if subsequently a first series of Bonds is expected to be issued, at least 30 days prior to that expected date, steps 1 through 5 of this section shall be performed based on a new Price Point Study.

7. After the execution by CFD No. 2021-01 (IA No. 2) of the acknowledgement on the Certificate to Amend the Special Tax, CFD No. 2021-01 (IA No. 2) shall cause to be recorded in the records of the County Recorder an Amended Notice of Special Tax Lien for CFD No. 2021-01 (IA No. 2) reflecting the Assigned Special Tax and the Backup Special Tax for CFD No. 2021-01 (IA No. 2) set forth in such Certificate to Amend the Special Tax.
8. If the Assigned Special Tax is not required to be changed for any Land Use Class based on the calculations performed under step 3 above, there shall be no reduction in the Assigned Special Tax or Backup Special Tax, and no Certificate to Amend the Special Tax shall be required.

I MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2021-01 (IA No. 2) may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

J TERM OF SPECIAL TAX

The Special Tax shall be levied until the earlier of (i) the final maturity of the Bonds or (ii) 40 years after the commencement of the Special Tax, provided that the Special Tax shall not be levied after Fiscal Year 2062-2063. The Special Taxes will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on the Bonds have been paid, no delinquent Special Taxes remain uncollected, and the County has covenanted that it will not issue any more Bonds (other than refunding Bonds) to be supported by Special Taxes levied under this Rate and Method of Apportionment as described in Section D.
