Reward Extension in the Homicide Investigation of Salvador Esparza

On Tuesday, July 5, 2016, at approximately 10:40 p.m., Los Angeles County Sheriff's Department (LASD) deputies were dispatched to the 300 block of West Figueroa Drive in unincorporated Altadena. Responding deputies found 4-year-old Salvador Esparza lying on the front porch suffering from a single gunshot wound to his head. Victim Esparza was transported to Huntington Memorial Hospital where he succumbed to his injuries. Another gunshot victim, a 27-year-old African American male was also found lying on the front porch and was transported to Huntington Memorial Hospital where he was treated for his injury.

According to witnesses, the suspect was chasing the 27-year-old male onto the property and shot at him, striking both victims. The suspect then ran south on Olive Avenue.

LASD investigators believe the suspect to be a gang member, and the shooting is believed to be gang-related. LASD investigators also believe that victim Esparza and his family were not the intended target.

Victim Esparza is survived by his parents and grandparents. The families, who have been helpful during the investigation and remain in contact with the investigators are devastated by this senseless tragedy.
