**Reward Extension in the Murders of Andrew Chavez and Clotee Reyes**

On Saturday, September 30, 2017, at approximately 1:46 a.m., 18-year-old Andrew Chavez and his girlfriend, 19-year-old Clotee Reyes had just left an impromptu birthday party for a friend in the 43000 block of 6<sup>th</sup> Street East in the City of Lancaster. As they stood outside talking with friends on the street, a black sedan drove northbound on 6<sup>th</sup> Street East. Gunshots were fired from the vehicle into the crowd. The vehicle fled northbound away from the scene. Tragically, both Andrew and Clotee were mortally wounded.

Both families, who have been helpful during the investigation and remain in contact with the investigators, are devastated by the loss of these young lives. To date, investigators have received no viable clues regarding this tragedy. The Los Angeles County Sheriff's Department (LASD) detectives believe that there are witnesses in the neighborhood that may have seen the suspect(s) leave the area or know of their identities.
