She twists the data to keep kids in masks so that the LA Teacher's Union can use the students as negotiation paws to get more money. SHE IS EVIL!
			Asmaa Kaur	Los Angeles County Public Health Director Barbara Ferrer has reinstated a countywide 10 day close contact student mask mandate with zero scientific justification. Ferrer uses loaded political language like "health racism" and "health equity" to describe the pandemic. It's obvious that her objective in prolonging lockdowns is achieving political objectives, not protecting us from disease. Therefore, her tenure as public health director must end, effective immediately. The elected Board of Supervisors must fire her.

			Manfred Aguilar	FIRE BARBARA FERRER NOW
			Manju Robles	End the 10 day mask mandate now. Align with the state and stop forcing harsher restrictions on our children vs the rest of LA County. Enough is enough. BOS DO SOMETHING!
			Manoel Brennan	Barbara Ferrer classifies schools at the same covid risk as convalescent homes, yet we ALL KNOW that they are not even close when it comes to risk of death or even moderate illness from covid. She twists the data to keep kids in masks so that the LA Teacher's Union can use the students as negotiation paws to get more money. SHE IS EVIL!
			Manoel Hurst	FIRE BARBARA FERRER NOW
			Manoj Reed	First Sheila Kuehl was caught in a corruption scandal giving her friend \$8000 per phone call to the Metro hotline, then it was Nury Martinez who was caught trying to redraw district lines to benefit other council members and union leaders, and next will be BARBARA FERRER FOR FORCING THE KIDS OF LOS ANGELES TO WEAR MASKS FOR THE FINANCIAL BENEFIT OF THE LOS ANGELES TEACHERS UNION.
Manuel Brown	Why are kids at LA Parks still mandated to mask when playing sports. STOP THIS NOW.			
Manuel Perez	No more mandates and the county should be aligned in all aspects and subjects with the state.			
Manuela Davila	Kids in other states are living a normal life free of covid restrictions. Stop punishing them.

Set Matter 2		Oppose	Rama Carr	Los Angeles County Public Health Director Barbara Ferrer has reinstated a countywide 10 day close contact student mask mandate with zero scientific justification. Ferrer uses loaded political language like "health racism" and "health equity" to describe the pandemic. It's obvious that her objective in prolonging lockdowns is achieving political objectives, not protecting us from disease. Therefore, her tenure as public health director must end, effective immediately. The elected Board of Supervisors must fire her.
			Ramesh Bernard	Now that Los Angeles County is in the CDC low category, it is time to end the transportation mask mandate.
			Ramesh Magana	The LADPH has no idea what they are doing. End the LAUSD mask mandate.
			Ramon Schaefer	At Mar Vista (West LA) Rec Center kids forced to mask inside playing sports. Ferrer & the Los Angeles BOS should be ashamed.
			Ran Robinson	Remove the 10 mask exposure and testing requirements for kids and childcare setting. We are in low tier. Kids have suffered enough, and this is a big inconvenience for schools and families. Masking is now doing more harm than good for preschool kids.
			Rana Jones	Did FERRER get vaccinated AT ALL?!?!?
			Ranjit Munoz	Barbara Ferrer says that covid becoming endemic is irrelevant. This sounds about right coming from someone WITHOUT a medical degree who SHOULD NOT be making public policy for ANYONE. Get rid of this mess of a human NOW.
			Ranjit Roach	
			Raquel Villanueva	Enough is enough. Ferrer is ruining our children's lives. Complete overreach and we are done.
			Rashid Obrien	Barbara Ferrer says she aligns with the CDC on the 10 day close contact masking mandate for schools, but when pressured on this she resorts to saying that she actually aligns with the intent of the CDC strong recommendations. This is not science this is excuses.

Set Matter 2		Oppose	Trang Dawson	Time and time again parents are speaking up and Barbara Ferrer chooses to ignore anything but her opinion on Covid. Our children have been through enough, it was three weeks of my daughter being perpetually masked bc of "close contacts". This needs to stop, at this point in the pandemic, we can assess our own families' risk
			Trang Jenkins	Enough is enough. Ferrer is ruining our children's lives. Complete overreach and we are done.
			Tu Espinoza	That video of Barbara Ferrer as Hitler is very very accurate
			Tu Richards	Barbara Ferrer says that submitting a question to LADPH social media accounts will receive a direct reply. I have submitted several questions and no reply.
			Tuan Dodson	
			Tuan Montoya	Barbara Ferrer says that covid becoming endemic is irrelevant. This sounds about right coming from someone WITHOUT a medical degree who SHOULD NOT be making public policy for ANYONE. Get rid of this mess of a human NOW.
			Tun Mason	FIRE BARBARA FERRER NOW
			Uma Rangel	
			Umar Johnson	Now Barbara Ferrer says that the reason that Los Angeles kids are under a 10 day masking mandate is because of the size of the county. What does this even mean?
			Umar Walter	Barbara Ferrer needs to align with the state of California and CDC and eliminate the 10 day close contact mask mandate in Los Angeles schools
			Ursula Best	Barbara Ferrer is NOT A REAL DOCTOR
			Ursula Sosa	Please end the 10 day mask mandate for exposure in schools. Align with state guidelines. Please remove Barbara ferrer from her position since she is not following science, common sense, and what is good for our children.
