FEDERAL FUNDS, AND APPROVAL OF THREE-YEAR COOPERATION AGREEMENTS WITH
PARTICIPATING CITIES TO REQUALIFY FOR ENTITLEMENT STATUS AS AN URBAN COUNTY**

(ALL DISTRICTS) (3 VOTE)

SUBJECT

This letter recommends approval of various actions required for the administration of the Five-Year 2023-2028 Housing and Community Development Consolidated Plan (Consolidated Plan) for the Los Angeles Urban County, and the Fiscal Year (FY) 2023-2024 Action Plan (Action Plan) for the County of Los Angeles (County) to apply for, receive and administer Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grants (ESG) Program funds from the U.S. Department of Housing and Urban Development (HUD) for housing and community development activities in the 48 participating cities and the unincorporated areas of the Los Angeles Urban County. The Los Angeles County Development Authority (LACDA) serves as the agent of the County in administering the Consolidated Plan, the Action Plan, and the allocated funds described herein. This letter also recommends approval of cooperation agreements with participating cities, as part of the Urban County qualification process, for participation in the CDBG program for the next three-year period (July 1, 2024 through June 30, 2027).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that approval of the Five-Year 2023-2028 Consolidated Plan (Consolidated Plan) and FY 2023-2024 Action Plan is not subject to the provisions of the California Environmental Quality Act (CEQA) because it is not defined as a project under CEQA.
2. Approve the Action Plan, which will enable the Los Angeles Urban County to receive and administer a total of \$43,827,259 in FY 2023-2024 funding. The funding is comprised of the following amounts: \$21,345,486 in CDBG grant funds for the County and the cities of Cerritos and Torrance, which are joint applicants; \$3,800,000 in future CDBG program income; \$9,403,271 in HOME Program funds; \$7,500,000 in future HOME program income; and \$1,778,502 in Federal ESG funds.
3. Designate the LACDA to serve as the agent of the County for administration of the Consolidated Plan and the Action Plan and the allocated funds described herein; and authorize the transfer of these allocated funds to the LACDA.
4. Approve cooperation agreements between the County of Los Angeles and participating cities for the Fiftieth, Fifty-First, and Fifty-Second program years (July 1, 2024 through June 30, 2027), to include required federal provisions, to enable the County of Los Angeles to administer the CDBG Program within these jurisdictions, following approval as to form by County Counsel.
5. Authorize the Executive Director of the LACDA to execute cooperation agreements, with participating cities and any new participating cities, for all future program years, for the purpose described above, following approval as to form by County Counsel.

IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE LOS ANGELES COUNTY DEVELOPMENT AUTHORITY:

1. Find that the acceptance of FY 2023-2024 CDBG, HOME, and ESG Program funds from the County is not subject to the provisions of CEQA because it is not defined as a project under CEQA.
2. Accept the LACDA's designation to serve as the agent of the County for the administration of the Consolidated Plan and Action Plan; and accept from the County a total of \$43,827,259 in FY 2023-2024 funding, comprised of the following: \$21,345,486 in CDBG grant funds for the County and the cities of Cerritos and Torrance, which are joint applicants; \$3,800,000 in future CDBG program income; \$9,403,271 in HOME Program funds; \$7,500,000 in future HOME program income; and \$1,778,502 in Federal ESG funds, which will be included in the LACDA's FY 2023-2024 budget through the annual budget approval process; all subject to final notification of approval by HUD.
3. Designate the Executive Director, or designee, as the official responsible for completing all required actions to be taken by the LACDA for administration of the Consolidated Plan, the Action Plan, and the allocated funds described within; and authorize the Executive Director, or designee, to do the following:
 - a. Execute CDBG Reimbursable and Advance Contracts, following approval as to form by County Counsel, to provide a total of \$2,610,561 in CDBG funds for 58 projects with 27 community-based organizations and other public agencies described in the Action Plan, to be effective from July 1, 2023 to June 30, 2024;
 - b. Execute CDBG Reimbursable Contracts with 48 participating cities, following approval as to form

by County Counsel, to provide a total of \$9,076,700 in CDBG funding for eligible activities, to be effective from July 1, 2023 to June 30, 2024;

c. Execute a CDBG Reimbursable Contract with the City of Covina, following approval as to form by County Counsel, for the purpose of repaying a Section 108 Loan previously approved by your Board; and authorize the Executive Director, or designee, to set aside approximately \$182,369 of the City of Covina's FY 2023-2024 CDBG allocation for repayment of the Section 108 loan;

d. Execute an amendment to the cooperation agreements to include required federal provisions, and to execute cooperation agreements with participating cities for all future program years, for the purpose described above, following approval as to form by County Counsel;

e. Approve the use of Federal ESG funds in the amount of approximately \$1,778,502;

f. Execute agreements with the Los Angeles Homeless Services Authority (LAHSA) to fund programs that assist persons who are unhoused, as described in the Action Plan;

g. Accept and incorporate additional FY 2023-2024 CDBG, HOME, or ESG funding, into the Action Plan and LACDA budget, in the event that HUD makes changes to the allocations that result in additional funding for the Los Angeles Urban County Program; and, if necessary, reprogram such funds, whether unexpended, disallowed, or recovered, in order to fully expend the grants for the purposes described in the Action Plan, within the limits prescribed by HUD;

h. Modify funding at the project level as needed to incorporate and utilize all FY 2023-2024 CDBG, HOME, and ESG funds allocated by HUD;

i. Amend the Action Plan from time to time, as necessary to address the cancellation and/or inclusion of off-cycle projects, as well as any necessary non-monetary amendments and any monetary amendments up to \$200,000, to projects being undertaken by the County, participating cities, and recipient agencies during FY 2023-2024, and to include federal regulatory changes and new HUD directives;

j. Terminate CDBG Reimbursable and Advance Contracts utilizing FY 2023-2024 or prior year funds when the operating agencies fail to address administrative deficiencies, CDBG Program compliance issues, or other contract obligations;

k. Execute agreements with Los Angeles Urban County participating cities or other entitlement cities to provide administrative and construction management and oversight of their CDBG and HOME Programs, including procurement, contracting for, and carrying out construction projects within these jurisdictions;

l. Administer and execute agreement with participating cities for the CDBG Revolving Grant Fund, comprised of funding reallocated by participating cities, to sign agreements with cities that would utilize such funds for specific CDBG-eligible activities upon application by jurisdictions that participate in the Los Angeles Urban County Program; and

m. Execute any necessary non-monetary amendments, as well as any monetary amendments up to \$200,000, following approval as to form by County Counsel, for the activities described herein.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Consolidated Plan is a five-year strategy for the County to expend CDBG, HOME and ESG funds. On May 22, 2018, the Board approved the Five-Year Consolidated Plan for 2018-2023, and on June 14, 2022, the Board approved the FY 2022-2023 Action Plan. These documents have been updated as required by HUD. The current Consolidated Plan and FY 2022-2023 Action Plan end on June 30, 2023, and new plans must be adopted by the Board in order to receive continued funding from HUD. The new Action Plan is a component of the Consolidated Plan that defines projects and programs to be undertaken during FY 2023-2024 to address the objectives of the Consolidated Plan's five-year strategy. Following approval by the Board of Supervisors, the Consolidated Plan and the Action Plan must be submitted to HUD by June 30, 2023. FY 2023-2024 is the first year of the FY 2023-2028 Consolidated Plan.

The National Affordable Housing Act (NAHA) of 1990 (Cranston/Gonzalez Housing Act), as amended in 1992, requires that the County provide a single, consolidated submission of the proposed expenditure of funds to be eligible for HUD formula grant funding, including CDBG, HOME, and ESG funds. The Action Plan satisfies these federal requirements to provide for the release of these allocated funds. The purpose of the recommended actions is to allow the LACDA to administer the Consolidated Plan, the Action Plan, and the allocated federal funds on behalf of the County.

The Executive Director is also requesting the following authorities:

- To terminate CDBG contracts with operating agencies that fail to address administrative deficiencies, CDBG Program compliance issues, or other contract obligations. Following consultation with County Counsel and the respective Supervisorial Districts, the LACDA will determine whether it is in the best interest of the County to suspend funding for non-compliant agencies for the CDBG Program Year and/or terminate the contract(s). If so, the LACDA will then recover any disallowed or unexpended funds and return said funds to the appropriate Supervisorial Districts.
- To execute these contracts and any necessary non-monetary amendments, as well as any monetary amendments up to \$200,000, following approval as to form by County Counsel. This would enable participating agencies to respond to immediate community needs.
- To enter into agreements with cities participating in the Los Angeles Urban County or other entitlement cities to provide administrative, construction management, and oversight of their CDBG and HOME Programs including procurement, contracting for, and carrying out construction projects within these jurisdictions. Administrative services would include such tasks as consulting with the cities to provide project recommendations; drafting information for public noticing and other citizen participation activities; conducting procurements and assisting with developing contracts with vendors, contractors, and other service providers; assisting the cities and service providers with compiling information for project quarterly performance reports; collecting reimbursable expenditure information in order to process payment requests; and overseeing construction or other CDBG-eligible activities. The LACDA would be compensated by each jurisdiction using CDBG or non-CDBG funds. The LACDA is also requesting authority to execute contracts up to \$200,000, following approval as to form by County Counsel. Each proposed contract will be subject to environmental review. The Board will be notified each time such an agreement is executed.
- To administer the CDBG Revolving Grant Fund, comprised of funds reallocated by participating cities; and to execute contracts of up to \$200,000 transferring these funds to the cities, following County Counsel approval. The funds withdrawn from the pool would be repaid with future CDBG funds allocated to the participating city that utilized funds from the pool.

- To accept additional FY 2023-2024 CDBG, HOME, or ESG funding, and incorporate such funding into the Action Plan and LACDA budget, in the event that HUD makes changes to the allocations that result in additional funding for the Los Angeles Urban County Program.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund.

The FY 2023-2024 Action Plan allocates a total of a \$43,827,259 in FY 2023-2024 funding. The funding is comprised of the following: \$21,345,486 in CDBG grant funds for the County and the cities of Cerritos and Torrance, which are joint applicants; \$3,800,000 in future CDBG program income; \$9,403,271 in HOME Program funds; \$7,500,000 in future HOME program income; and \$1,778,502 in Federal ESG funds, which will be included in the LACDA's FY 2023-2024 budget through the annual budget approval process, all subject to final notification of approval by HUD.

CDBG funds total \$25,145,486 and are comprised of new and program income funds, of which \$4,024,074 will be used for administration. A total of \$10,012,921 in CDBG funds will be allocated among the five Supervisorial Districts for projects in the unincorporated areas of the County. A total of \$11,108,491 in CDBG funds will be allocated among the 48 participating cities. Projects to address housing and community needs will be implemented by the LACDA and the County Departments Parks and Recreation, District Attorney, Regional Planning, Sheriff, Economic Opportunity, and Internal Services (collectively, County Departments), and 27 community-based organizations and other public agencies.

HOME funds total \$9,403,271, of which \$940,327 will be used for HOME Program administration, as determined by HUD. The First-Time Home Ownership Program will use \$4,231,472 in FY 2023-2024 HOME funds to provide homeownership opportunities in the unincorporated areas of the County and participating cities, and housing development is allocated \$4,231,472. HOME funds may be reprogrammed based on homeownership or development needs. In addition, \$7,500,000 in previously approved prior year HOME funds will be allocated among the above activities.

Federal ESG funds total \$1,778,502, which will be utilized for projects to assist persons who are homeless in the unincorporated areas of the County and participating cities.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

All public notice requirements contained in 24 Code of Federal Regulations (CFR) Part 91 Section 91.105 of the NAHA for approval of the Action Plan have been satisfied. Public participation was conducted through outreach mailings, surveys, and the LACDA outreach and information website. An in-person community meeting was held on November 5, 2022 and virtual community meetings were held on November 16, 2022 and November 19, 2022, to solicit further public participation. Comments received through all these efforts have been incorporated into the Action Plan and the documents were posted on the outreach website in March 2023 to update the community regarding the comments received through the participation process. Public notices of the 30-day comment period were published in newspapers in various languages throughout the County and copies of the Consolidated Plan and draft Action Plan were made available for review at public libraries. The comment period will conclude on June 6, 2023.

The following documents are attached to this letter: Fiscal Year 2023-2024 CDBG Program

Allocation Funding Summary (Attachment A); Proposed Use of Federal HOME Funds (Attachment B); Proposed Use of Federal ESG Funds (Attachment C); Fiscal Year 2023-2024 Funding for Participating Cities (Attachment D); and Fiscal Year 2023-2024 Summary Totals for Minority and Women Board Members and Employees for funded community-based organizations (Attachment E).

All the projects proposed in the Action Plan are being federally funded. As applicable, the administering agencies will be subject to the prevailing wage requirements of the Davis-Bacon Act, and related Acts, and Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to persons of limited means, particularly to persons who are recipients of HUD housing assistance. However, where Section 3 is not applicable, the agencies will be subject to the County's Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program, which furthers the same or similar goals.

HUD requires that existing urban counties requalify for entitlement status as urban counties for participation in the CDBG program every three (3) years. To meet the requirements of requalification, each urban county must enter into or amend cooperation agreements that note the specific guidance HUD provides for the cities that wish to be part of the urban county. Currently, the LACDA is conducting the Urban County Qualification process for participation in the CDBG program for the next three-year period (July 1, 2024 through June 30, 2027).

Cooperation agreements and amendments to include required federal provisions will be signed by cities that wish to participate or continue participating in the Urban County Program, and the Executive Director will approve the agreements as to program. Following execution of the cooperation agreements and amendments by the Executive Director, they will be submitted to HUD, and will become effective July 1, 2024. In future years, the Executive Director will execute the cooperation agreements and amendments to complete the qualification process. Cooperation agreements for this period (July 1, 2024 through June 30, 2027) must be submitted to HUD no later than August 4, 2023.

This letter has been reviewed by County Counsel.

ENVIRONMENTAL DOCUMENTATION

These actions are exempt from the provisions of National Environmental Policy Act pursuant to 24 CFR, Part 58, Section 58.34(a)(3) because they are administrative actions and do not involve activities that will alter existing environmental conditions. The actions are not subject to the provisions of CEQA, pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

Each project within the Action Plan will be reviewed for environmental impact on a project-by-project basis before funding is released.

CONTRACTING PROCESS

The County does not use a competitive process to award CDBG contracts to non-profit agencies. Each Supervisorial District utilizes the Community Resources Investment Strategy (CRIS), citizen input from community meetings, and consultations with the LACDA in order to select agencies that

best meet community needs.

HOME funds are used to implement a variety of affordable housing development programs available to households earning less than 80% of the area median income for the Los Angeles-Long Beach Metropolitan Statistical Area, adjusted for family size, as determined by HUD. HOME funds for development are made available on an annual basis through a competitive Notice of Funding Availability (NOFA) to for-profit and nonprofit developers. Projects are selected to maximize the impacts of HOME funds based on viability, financial feasibility, and appropriateness to geographic location and community need. Funds are also made available on a first-come, first-served basis to income-qualified buyers for the purchase of existing housing.

Federal ESG funds are allocated to LAHSA, which contracts with nonprofit and government agencies in order to provide housing and services for persons who are homeless, as outlined in the Action Plan.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The projects contained in the Action Plan will benefit residents of limited means in the unincorporated County and participating cities.

PROPOSED USE OF FEDERAL ESG FUNDS

Los Angeles Homeless Services Authority (LAHSA) proposes to use the 2023-2024 Emergency Solutions Grant (ESG) allocation to meet the purpose of the Stewart B. McKinney Homeless Assistance Act 24 Code of Federal Regulations 576.1 (b) as amended by The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 and to meet the goals in the Fiscal Year 2023-2028 Consolidated Plan.

In 2009, the HEARTH Act revised the Emergency Shelter Grant Program and renamed the program to the Emergency Solutions Grant (ESG) Program and revised it to broaden existing emergency shelter and homelessness prevention activities to add rapid re-housing activities. As such, homelessness prevention and rapid re-housing services will be provided, along with homeless shelter and street outreach. Together, these activities will strengthen the referral system of these services in order to address the needs of individuals and families at risk of homelessness and persons that are now chronically homeless.

The following are the percentages of the ESG funds to be allocated to the various eligible activities:

ELIGIBLE ACTIVITY	ALLOCATION	%
Emergency Shelter ¹	1,045,873	58.80%
Rapid Re-Housing	482,703	27.14%
HMIS	116,539	6.55%
Administration ²	133,387	7.50%
Total	1,778,502	100.00%

LAHSA will meet the matching funds requirement with 100% Federal Supportive Housing Program funds for the 2023-2024 Program Year.

¹ Subpart B Sec. 576.100 states that total outreach and operations expenses cannot exceed the greater of (a) 60% of the entire ESG contract, or (b) amount of FY 2010 grant funds committed for homeless assistance activities. The County's 2023-2024 allocation towards emergency shelter, which is \$1,045,783, is not greater than the FY 2010 grant funds of \$1,261,678 committed for homeless assistance activities.

² Administration is split 60/40, with LAHSA receiving 60% and the LACDA receiving 40%.
