Set Matter 1		<b>Favor</b>	Genevieve M Clavreul	
		<b>Oppose</b>	BRITTANY YANG	This decision wasn't done properly and needs to be reevaluated. Have you considered residents and children living in the neighborhood ? Do know 60 fwy is right there ? Elementary School is behind it ? How can you dump human beings to anywhere and consider mission accomplished ? What is your step by step plans ? No matter what city you dump these homeless individuals to, you are NOT solving the problems, you are not getting rid of the roots of the problems !!!!! WE ARE HUMANS TOO !!! HOMELESS INDIVIDUALS ARE HUMANS TOO ! HOW COULD YOU DO THIS TO ANYONE OF US !!!!!????
			Kelvin Chen	This is for RE: the Homekey Project in Motel 6 on 7th Ave., Hacienda Heights (HH), Because Homekey matter is not numbered here in this agenda, I am writing in as follows: Dear Supervisors: I am writing to oppose the above referenced project based on the following grounds.  1. No due process of law. No one knew the project was about to begin construction until the meeting held 5/04. It appeared the project management did not adequately notify HH residents surrounding the project. 2. Homelessness is a Countywide issue, or even a Statewide issue and cannot be addressed with a bandage solution like the 7th Avenue Project. 3. This 7th Avenue Project will only bring to HH residents endless problems, and chaos. Our tranquil living will be irreversibly harmed. 4. This Project is a typical example of "using taxpayer money to inflict damage on taxpayers." 5. Many homeless people are at their prime ages, 30s and 40s, when I see them in Schabarum Park, a lot of them at these ages and they show sex desires. They are clear and present danger for all residents, especially children, in HH.  Based on the above, I respectfully request the County Board to rescind this project in its entirety. I look forward to hearing from you soon. Thanks.
		<b>Other</b>	Ace Anaya	Board must continue to fund services and housing because it will keep people out of jail. 19 people have died this year inside MCJ and every day the board stalls on closing could be another life.
