# LAHSA Outreach Efforts to Cali Lake RV Resort Residents

LAHSA's Resource & Referral Team, Homeless Engagement Teams, and SD 5's Homeless Outreach Services Team have been onsite engaging with the residents of Cali Lake RV Resort since January 2023.

## Assessments

147 residents have been assessed for service needs

## Engagements

60 households were engaged for services and referrals:

- Single Adults: 47 households
- Families: 4 households
- Unknown: 9

## Exits (No Longer Engaging with Outreach)

Of the 60 households served:

- 25 still being served
- 35 exited
  - 6 exited to permanent housing destinations
  - 29 did not complete an exit interview

## Current Tenancy

As of June 21, there were 46 households at Cali Lake RV Resort.

# Reasons for Residents Falling Out of Engagement

<b>Finding 1</b>	Household elected to work with legal aid on tenant rights to stay at location
<b>Finding 2</b>	Household preferred to remain at Cali Lake RV Resort (would like to be close to work or family, etc.)
<b>Finding 3</b>	Additional support not needed to relocate
<b>Finding 4</b>	Unable to maintain contact with household (no cell reception at site, unavailable during outreach visits, etc.)

## Next Steps to Providing Resources to Residents at Cali Lake RV Resort

LAHSA staff will continue to engage remaining occupants to support connections to services and permanent housing.

- Staff will visit Cali Lake RV Resort up to 2x per week as needed.

# Existing Mobile Home and RV Parks in Service Planning Area (SPA) 2

**As of June 22, 2023, there were a total of 79 openings at Mobile Home and RV Parks in SPA 2**

- LAHSA staff compiled a list of **43** Mobile Home and RV Parks in SPA 2
- **29** parks reported information on occupancy and turnover rates
- **12 parks had occupancy** as of June 22, 2023
- Occupancy ranged from **1 opening to 32 openings**
- All parks contacted reported **low turnover** rates mainly due to homeowners/tenants who don't sell or leave property
