Wade in the Water Film Screening & Community Beach Activities Fee Waiver

Mitchell launched the Racial Justice Learning Exchange (RJLE) as an initiative to bring County, civic, and community leaders and local residents together to learn from one another, celebrate diversity, confront biases, and inspire meaningful steps to eliminate structural racism. This July, in partnership with the County Department of Beaches and Harbors and community organizations, Supervisor Mitchell’s Office will host the “RJLE: Wade in the Water Film Screening & Community Beach Activities” event, which will include a discussion after the film, free surf lessons, and additional water resources and activities on the beach, all aimed at highlighting the work of the Black surfing community to diversify access to the beach. This free RJLE event will be held at the Dockweiler Youth Center and on Dockweiler Beach on Saturday, July 29, 2023, from 10:00 AM to 2:00 PM.
