BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

August 08, 2023

29 August 8, 2023

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

CELIA ZAVALA
EXECUTIVE OFFICER

Dear Supervisors:

**ACCEPTANCE OF GRANT AWARDS FOR COMMUNITY SERVICES BLOCK GRANT NATIVE
AMERICAN SET-ASIDE FUNDING FROM THE STATE OF CALIFORNIA DEPARTMENT OF
COMMUNITY SERVICES & DEVELOPMENT
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles City/County Native American Indian Commission Self Governance Board (LANAIC SGB), housed at the Los Angeles County Department of Arts and Culture (Arts and Culture), has received ongoing Federal Community Services Block Grant Native American Set-Aside funding (CSBG Native American Set-Aside) annually since 1993. The funds are administered by the State of California Department of Community Services & Development (CSD) and are used to provide low-income American Indian and Alaska Native (AIAN) families and individuals throughout Los Angeles County with access to supportive and emergency services that help them achieve self-sufficiency.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed actions are not a project under the California Environmental Quality Act (CEQA), for the reasons stated in this Board letter and the record.
2. Approve and authorize the Director of Arts and Culture to accept CSBG Native American Set-aside-funding up to \$500,000 from the State of California Department of Community Services and Development (CSD) and any additional funds received through Fiscal Year (FY) 2028-29 for CSBG Native American Set-Aside funded programs.
3. Approve and authorize the Director of Arts and Culture, or her designee, to sign and execute a Grant Agreement, substantially similar to Attachment I, with the CSD.

4. Delegate authority to the Director, or her designee, subject to prior review and approval as to form by County Counsel, to prepare, sign, and execute future amendments to: 1) extend the term; 2) add, delete, modify, or replace terms, including the Statement of Work; 3) allow for the rollover of unspent funds; and 4) reflect regulatory and/or policy changes.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The CSBG Native American Set-Aside Program provides low-income AIAN families and individuals throughout Los Angeles County with access to supportive and emergency services that help them achieve self-sufficiency. Allowable CSBG services include employment services, education and cognitive development services, income, infrastructure and asset-building services, housing services, health and social/behavioral development services, and other supportive services that address poverty and increase self-sufficiency. Between 2017-2022, approximately 1,500 individuals were served through the CSBG Native American Set-Aside Program.

Previously, the CSBG Native American Set-Aside Program was administered by LANAIC SGB under the Workforce, Development, Aging, and Community Services (WDACS) Department. During FY 2021-2022, WDACS transitioned into two new departments. This transition involved realignment and restructuring of economic and workforce development and aging programs and commissions support by WDACS. As part of this realignment effort, LANAIC, was transferred from WDACS to the Executive Office of the Board (EO) in January of 2022. In October 2022, the Board determined that Arts and Culture can provide the LANAIC and the LANAIC SGB with the unique support needed to deliver its mission. The LANAIC and LANAIC SGB were subsequently transferred from the EO to Arts and Culture during FY 2022-2023.

Current and future CSBG funding is based on 2020 Census data and it is expected that future CSBG Native American Set-Aside funding will remain stable for a 10-year period. LANAIC SGB has received CSBG Native American Set-aside funds annually since 1993 and LANAIC anticipates that the 2024 CSBG award will remain stable or increase from the current award of \$432,512. Future award amounts are subject to change based on revised census data or the availability of additional Federal funds, however, awards are not anticipated to exceed \$500,000.

CSBG awards are aligned with the calendar year and LANAIC SGB receives the notification of the formal award from CSD each November for contracts to begin the following January. To ensure there is no lapse in these critical services, the authority to accept funding is needed prior to the issuance of the annual notification from CSD of the subsequent calendar year's CSBG award.

Implementation of Strategic Plan Goals

The recommended actions support: (i) Goal I, Make Investments that Transform Lives, Strategy I, Increase Our Focus on Prevention Initiatives, Strategy 2, Enhance Our Delivery Of Comprehensive Interventions, and Strategy 3, Reform Service Delivery within our Justice Systems; (ii) Goal II, Foster Vibrant and Resilient Communities, Strategy 2, Support the Wellness of Our Communities; and (iii) Goal III, Realize Tomorrow's Government Today, Strategy 3, Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability.

FISCAL IMPACT/FINANCING

There is no Net County Cost impact. Arts and Culture will submit a request to budget the CSBG revenue through standard County budget processes.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended grant award acceptance is not subject to CEQA because such activity is excluded from the definition of a project as an administrative activity by section 21065 of the Public Resources Code and section 15378(b) of the State CEQA Guidelines.

CONTRACTING PROCESS

Arts and Culture is in the process of competitively soliciting future service contracts in accordance with Federal, State, and County requirements. The current solicitation is a Request for Statements of Qualifications (RFSQ) that will establish a diverse prequalified list of non-profit, community-based, faith-based organizations and public entities qualified to deliver critical services to AIAN communities in Los Angeles County. CSBG Native American Set-aside program service providers must demonstrate a proven ability to provide critical core services and have experience assisting low-income individuals and families within the AIAN community to achieve financial stability and economic security.

Entities placed on the Prequalified List may bid on Work Orders to provide CSAIBG program services within four Core Service Categories: Emergency Services; Child and Family Development Services; Elder and Disabled Adult Services; and Employment Services. Qualified entities will remain active for a period of five (5) years and solicited contract terms will not exceed terms of two (2) years with an option to extend for three (3) additional one-year terms.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will enable the continuation of supportive and emergency services to low-income AIAN families and individuals residing in Los Angeles County. The CSBG Native American Set-Aside Program is available to more than 75,000 AIAN residing in the Los Angeles area that live below the poverty line.

GAVIN NEWSOM
GOVERNOR

Dear Executive Director:

The purpose of this letter is to notify you that the Department of Community Services and Development (CSD) has received California's final Community Services Block Grant (CSBG) Notice of Grant Award from the U.S. Department of Health and Human Services Office of Grants Management. The final CSBG grant award for the 2023 program year is \$67,695,215, an increase of \$637,956 over the 2022 program year allocation. The attached amendment releases the final CSBG allocation for the 2023 program year and includes the distribution of CSBG discretionary funds as applicable.

To facilitate the timely execution of the contract amendment, please refer to the 2023 CSBG Amendment 1 Checklist for specific contract changes, required documents, and due dates for contract deliverables. All budget forms for regular and discretionary grant awards may be accessed through CSD's [Local Agencies Portal](#), located under the "Forms" tab after selecting "CSBG."

CSD will issue an advance payment in accordance with state statute for the regular CSBG allocation; the advance payment will not exceed 25 percent of the total allocation. Upon approval of your contract deliverables, your agency's advance payment will be automatically authorized. If your agency opts not to receive an advance, you must submit a letter on your organization's letterhead with the contract declining the advance. Please refer to the allocation spreadsheets, which detail the budget allocations and the amount of the advance.

This amendment to the 2023 contract includes CSBG discretionary funds. The approach to the distribution of discretionary funds was recommended by the CSBG Funding Task Force (FTF). In 2022, CSD convened the CSBG FTF, comprised of CSBG agencies, to provide a recommendation on updating the CSBG funding distribution formula. The FTF recommended updating the distribution formula with the implementation of U.S. Census American Community Survey (ACS) data, effective with the 2023 program year. The FTF also recommended CSD utilize the 2023 discretionary funds to minimize the impact of funding shifts resulting from the updated methodology formula.

In accordance with the recommendation presented to the network in October 2022, the use of the 2023 discretionary funding is limited to one year and is intended to ensure that:

1. Discretionary funding is allocated to ensure no agency receives a decrease of more than 2.5 percent due to the implementation of the 2016-2020 ACS Census data.
2. Agency allocations, where the agency experiences a decrease or an increase of less than \$26,000 due to the implementation of the 2016-2020 ACS Census data will receive discretionary funding up to \$26,000.
3. Agency allocations, where an agency experiences an increase of \$26,000 or more due to the implementation of the 2016-2020 ACS Census data will not receive discretionary funding.

If you have any questions, please contact your assigned field representative. CSD looks forward to a continued productive partnership so that we can effectively administer critical programs and services designed to strengthen and improve the economic security of vulnerable Californians.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D. Scribner', with a stylized flourish extending to the right.

SUBVENTION AGREEMENT

PREAMBLE

This subvention agreement, for the funding of Community Services Block Grant (CSBG) programs in 2023 (“Agreement”), is entered into between the Department of Community Services and Development (“CSD”) and the contractor named on the face sheet of this Agreement, Form STD 213 (“Contractor”), and shall be enforceable on the date last signed.

NOW THEREFORE, in consideration of the promises and of the mutual agreements and covenants hereinafter set forth, the CSD and Contractor hereby agree as follows:

ARTICLE 1 – SCOPE OF WORK

1.1 General

Contractor shall administer and/or operate community-based programs designed to reduce poverty, revitalize low-income communities, and empower low-income families and individuals within Contractor’s service area to achieve greater self-sufficiency, pursuant to Title 42 of the United States Code (USC) Sections 9901 et seq. (the Community Services Block Grant Act, as amended) and Government Code Sections 12085 et seq., as amended. Unless otherwise specified in the Contractor’s Community Action Plan or elsewhere in this Agreement, Contractor shall make its services and activities available to the low-income community within its service area throughout the entire performance period of this Agreement. Contractor shall ensure that all services funded in whole or in part through this Agreement will support state and federal policies and goals of the CSBG Act as set forth in the above-referenced statutes. The CSBG Catalog of Federal Domestic Assistance number is 93.569. The award is 100 percent financed through the United States Department of Health and Human Services (HHS).

1.2 Agreement Term

1.2.1 The term of this Agreement shall be as specified on the Agreement face sheet (STD 213) and is divided into two distinct sections: a period of performance from January 1, 2023 through December 31, 2023, and an extension period of January 1, 2024 through May 31, 2024. *Period of Performance.* The period of performance of this Agreement shall be from January 1, 2023 through December 31, 2023. One hundred percent of the Agreement amount specified in Article 1.3 below is expected to be fully expended by the end of the period of performance.

1.2.2 *Extension Period.* The extension period provided by this Agreement is available upon approval by CSD from January 1, 2024 through May 31, 2024 to those contractors who will not fully expend 100 percent of the Agreement amount by the end of the performance period. Requests for extensions must follow Article 3.1.3

SUBVENTION AGREEMENT

of this Agreement and be received by CSD no later than November 16, 2023.

1.3 Agreement Amount

The maximum amount of this Agreement shall be as specified on the face sheet (STD 213) and is subject to adjustment(s), in accordance with the following terms:

- 1.3.1 The initial amount shall be based on the prior year's grant award of the federal Community Services Block Grant award.
- 1.3.2 Upon notification of the full federal fiscal year grant award amount from the HHS, CSD shall, if necessary, issue an amendment to this Agreement to increase or decrease the maximum amount.
- 1.3.3 If the full amount of the HHS CSBG grant award to CSD is not available for allocation, CSD will notify Contractor in writing of the amount of Contractor's allocation that is available for expenditure and shall advance funds in accordance with Article 5.2 of this Agreement, as appropriate. When additional funds are subsequently made available by HHS, CSD will notify Contractor of the total amount of funds that may be expended. Contractor may not expend funds in excess of the amount available and authorized by CSD for expenditure. Access to funding shall be conferred upon Contractor through written authorization by CSD, and amendment to this Agreement shall not be required for such purpose, except in cases where the maximum amount of the Agreement has been revised.
- 1.3.4 In the event HHS fails to provide sufficient funding to CSD to enable payment of Contractor's maximum amount of the Agreement prior to the end of the contract term, the contract amount shall be deemed to be reduced to the amount actually provided by HHS or the contract shall be closed on that basis without need for amendment pursuant to Articles 2.3.1.2 and 2.3.2.2.
- 1.3.5 This Agreement may include a specific amount allocated from the annual discretionary allocation. These funds may target a specific purpose and require a separate budget and work plan in accordance with Article 7.1 of this Agreement.

1.4 Service Area

The services shall be performed in the Contractor's service area as indicated on CSD's Public Website at <https://www.csd.ca.gov>.

SUBVENTION AGREEMENT

1.5 Legal Authorities – Program Requirements, Standards, and Guidance

1.5.1 All services and activities are to be provided in accordance with all applicable federal, state, and local laws and regulations, and as those laws and regulations may be amended from time to time, including but not limited to, the following:

1.5.1.1 The Community Services Block Grant Act, as amended, 42 USC § 9901 et seq., and 45 Code of Federal Regulations (CFR) Part 96;

1.5.1.2 California laws and regulations applicable to CSBG Programs, Government Code (Cal. Gov. Code) § 12085 et seq., as amended, and Title 22, California Code of Regulations (Cal. Code Regs.) §§ 100601-100795;

1.5.1.3 The Single Audit Act, 31 USC § 7501 et seq., and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards, 45 CFR Part 75;

1.5.1.4 California Civil Code §§ 1798 et seq., and the Federal Privacy Act of 1974 (5 USC § 552a); Requirements to Respond to Incidents Involving a Breach of Personal Information, Statewide Information Management Manual (SIMM) 5340-C, California Department of Technology; and

1.5.1.5 California Contractor Certification Clauses 04/2017 (CCC 04/2017); and State contracting requirements, “General Terms and Conditions, GTC 04/2017”. The provisions in their entirety, can be reviewed and downloaded at the [Department of General Services](https://www.dgs.ca.gov/) website at <https://www.dgs.ca.gov/>.

1.5.2 *Conflict of Laws.* Contractor shall comply with all of the requirements, standards, and guidelines contained in the authorities listed within this Agreement, as they may be amended from time to time, with respect to procurement requirements, administrative expenses, and other costs claimed under this Agreement, including those costs incurred pursuant to subcontracts executed by Contractor, notwithstanding any language contained in the following authorities that might otherwise exempt Contractor from their applicability. To the extent that the authorities directly conflict with any State law or regulation, or any provision of this Agreement, then that federal law or regulation shall apply, unless a provision of federal law applicable to block grants, such as 45 CFR § 96.30, specifically allows for the application of state law.

SUBVENTION AGREEMENT

- 1.5.3 CSD shall provide Contractor with specific program guidance which shall be binding on the Contractor as a condition of the Contractor's eligibility to receive CSBG funds, provided:
- 1.5.3.1 That such guidance shall be issued by CSD in writing in the form of "CSD Program Notice (CPN) No. XX-XX" or "CSD Program Advisory (CPA) No. XX-XX";
 - 1.5.3.2 That such guidance shall be issued by CSD in the most timely and expeditious manner practicable;
 - 1.5.3.3 That such guidance shall be reasonably necessary to realize the intent and purposes of the CSBG Act;
 - 1.5.3.4 That major and material changes in program requirements, which substantially affect the Contractor's and/or CSD's ability to fulfill contractual obligations, or which otherwise create a substantial hardship on either the Contractor or CSD, shall be subject to an amendment to this Agreement;
 - 1.5.3.5 That the parties' failure or inability to execute a mutually acceptable amendment within a period of time allowing the parties to reasonably comply with any major change(s) in CSBG requirements, shall result in this Agreement being without force and effect, subject only to such provisions contained herein as are intended to survive the Agreement in accordance with the express and implied provisions of applicable federal and state law;
 - 1.5.3.6 That Contractor is duly informed of the risk of de-designation as an eligible entity, based on CSD's obligation to avoid/minimize interruption of CSBG-funded services in any part of the state, in the event that this Agreement terminates due to failure to agree to any necessary amendment; and
 - 1.5.3.7 That upon CSD's or Contractor's good faith determination, delivered to the other party by written notice, that agreement to any necessary amendment cannot be achieved, then this contract shall be terminated, and any issues of eligible entity status addressed, in accordance with requirements of federal and state law and established CSD policy and procedure.

SUBVENTION AGREEMENT

- 1.5.4 The federal and state laws, regulations, and other authorities referenced in this Agreement are hereby incorporated by reference. Copies may be accessed for reference on the Local Agencies Portal at <https://agencies.csd.ca.gov/>.

- 4.19.6 In all procurements, whether requiring CSD pre-approval or not, Contractor is solely responsible for maintenance of adequate procurement records demonstrating compliance with Federal and State requirements.

4.20 Use and Disposition of Vehicles and Equipment

- 4.20.1 Use of CSBG-funded vehicles and equipment by other programs shall comply with Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR § 75.320 and § 75.439).

SUBVENTION AGREEMENT

- 4.20.1.1 Vehicles and equipment purchased with CSBG funds must be used by Contractor in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by CSBG funds, and Contractor must not encumber the property without prior approval of CSD. When no longer needed for the original program or project, the equipment may be used in other activities supported by CSD, in the following order of priority: (a) activities under a Federal award from CSD; then (b) activities under Federal awards from other HHS awarding agencies.
- 4.20.1.2 During the time that equipment is used on the project or program for which it was acquired, Contractor must also make the equipment available for use on other projects or programs currently or previously supported by the Federal Government. User fees should be considered, if appropriate, in accordance with federal regulations.
- 4.20.1.3 Any user fees shall be treated as “program income” to the CSBG program, as described in 45 CFR § 75.307.
- 4.20.1.4 Contractor may be compensated for the use of its buildings, capital improvements, equipment and software projects capitalized in accordance with generally accepted accounting principles (GAAP), provided they are used, needed in Contractor’s program activities, and properly allocated to the CSBG grant program. Such compensation must be made by allocating and computing depreciation in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR § 75.436).
- 4.20.2 Contractor shall comply with all equipment management requirements outlined in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR § 75.320 (d)), including, but not limited to: (a) property records; (b) physical inventory of the property; (c) a control system to prevent loss, damage, or theft; (d) adequate maintenance procedures; and (e) proper sale procedures.
- 4.20.3 *Sale or Disposition of CSBG-Funded Vehicles and Equipment.*

SUBVENTION AGREEMENT

with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR § 75.320).

4.20.3.2 Conflict of interest policies and proper sales procedures should be followed to ensure that the best possible value and sale price is realized.

4.20.3.3 Pursuant to 45 CFR 75.307(d), (*see also* 45 CFR § 75.2 “Program Income”), sale proceeds from the sale of real property, equipment, or supplies are not program income. Such proceeds will be handled in accordance with the requirements of Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards – *Subpart D–Post Federal Award Requirements* (including 45 CFR §§ 75.318, 75.320 and 75.321).

4.21 Subcontracts

4.21.1 Contractor may enter into subcontract(s) to perform part or all of the direct services covered under this Agreement. Prior to the commencement of subcontracted services under this Agreement, Contractor shall obtain board approval, to include but not be limited to, an assurance that the subcontractor agreement(s) shall comply with all terms, conditions, assurances, and certifications of this Agreement for the nonprofit and local governmental agencies performing services in the area(s) described in ARTICLE 1 - SCOPE OF WORK.

4.21.2 *Notification of Subcontract Execution.*

4.21.2.1 Contractor shall provide annual written notification to CSD within 60 calendar days of execution of each subcontractor agreement by completing the CSD 163 Subcontractor List (Form), which can be found on the Local Agencies Portal at <https://agencies.csd.ca.gov/>.

4.21.2.2 This annual written notification shall also include a certification that, to the best of Contractor’s knowledge, the subcontractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency. For purposes of this certification of subcontractor eligibility, Contractor may rely on information provided via the Excluded Parties List System (EPLS), available at <https://www.sam.gov>.

4.21.2.3 If CSD determines that Contractor has executed a subcontract with an

SUBVENTION AGREEMENT

individual or entity listed as debarred, suspended, or otherwise ineligible on EPLS as of the effective start date of the subcontract, costs Contractor has incurred under the subcontract may be disallowed.

- 4.21.2.4 Contractor must ensure that funds expended pursuant to this Agreement are allowable and allocable and Contractor must adopt fiscal control and accounting procedures sufficient to enable the tracing of funds paid to any subcontractor to a level of expenditure adequate to establish that such funds have not been used in violation of this Agreement. Contractor shall ensure that any subcontracts under this Agreement contain all provisions necessary to ensure adequate substantiation and controls of the expenditure of such funds. Contractor may achieve this through detailed invoices, by periodic monitoring of subcontractor's program activities and fiscal accountability, by retaining a right of reasonable access to the subcontractor's books and records, or by any other method sufficient to meet the Contractor's responsibility to substantiate costs required by the Uniform Administrative Requirements, Cost Principles and Audit Requirements for HHS Awards (45 CFR Part 75, Subpart E – Cost Principles).
- 4.21.3 Contractor is solely responsible for performance of the terms, conditions, assurances, and certifications of this Agreement, without recourse to the State, regarding the settlement and satisfaction of all contractual and administrative issues arising out of subcontract agreement(s) entered into in support of this Agreement, including disputes, claims, or other matters of a contractual nature as well as civil liability arising out of negligence or intentional misconduct of the subcontractor(s).
- 4.21.4 Nothing contained in this Agreement shall create any contractual relation between CSD and any subcontractors, and no subcontract shall relieve the Contractor of its responsibilities and obligations hereunder. Contractor shall be liable for any acts and omissions of its subcontractors or of persons either directly or indirectly employed by subcontractors in violation of this Agreement. Contractor's obligation to pay subcontractor(s) is independent from CSD's obligation to make payments to Contractor. As a result, CSD shall have no obligation to pay or to enforce payment of any moneys to any subcontractor.
- 4.21.5 In the event CSD suspends, terminates, and/or makes changes to the services to be performed under this Agreement, Contractor shall notify all of its subcontractors in writing within five business days of receipt of notice of such action.

Contractor shall not use funds provided under this Agreement to cover administrative costs incurred in the Low-Income Home Energy Assistance Program (LIHEAP) and the Low-Income Household Water Assistance Program (LIHWAP) in excess of the LIHEAP and LIHWAP contractual limitations by the Contractor's agency.

- 5.1.3.1 A qualifying community action program is defined by Cal. Gov. Code § 12750(b) as:

SUBVENTION AGREEMENT

5.1.3.2.2 Serve the purposes and goals of the federal Community Services Block Grant Act, Section 672 (42 USC § 9901) and Cal. Gov. Code § 12750 with particular reference to the reduction of the causes and conditions of poverty and persistent economic insecurity.

- 5.1.4 For purposes of allocating indirect costs, contractors may use current negotiated indirect cost rates that have been approved by a cognizant federal agency. Contractor shall submit a copy of the letter of approval from the cognizant agency which includes date of approval and amount of rate. In the absence of a negotiated indirect cost rate, Contractor may elect to use a 10 percent de minimis indirect cost rate as permitted under 45 CFR § 75.414(f) and 2 CFR § 200.414(f).
- 5.1.5 *Budget modifications require pre-approval by CSD.* No originally approved budget line item may be increased or decreased by more than 10 percent (10%) without prior CSD approval. - 5.2.2 If HHS does not initially make enough funds available for CSD to pay the advance amount in full, CSD shall provide that portion of the advance amount that is available and pay the remaining portion(s) as funds become available.
- 5.2.3 If HHS fails to provide sufficient funds to pay the authorized advance amount

SUBVENTION AGREEMENT

during the first six months of the contract term, Contractor will not be entitled to additional advance payments thereafter.

 - 5.3.1.1 Contractor receives less than \$120,000 in Federal awards per year.
 - 5.3.1.2 The best reasonably available interest-bearing account would not be expected to earn interest in excess of \$500 per year on CSBG cash balances.
 - 5.3.1.3 The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.
- 5.3.2 Interest earned amounts up to \$500 may be retained by Contractor for administrative expenses. Any additional interest earned on CSBG advance payments deposited in interest-bearing accounts must be remitted annually to the U.S. Department of Health and Human Services at:

5.4 Advance Payments – Liquidation of Advance

SUBVENTION AGREEMENT

- 5.4.1 Contractor may liquidate the advance at any time through offsets against CSD-approved reimbursement requests; however, CSD shall initiate repayment of the advance through offsets of approved expenditures at the seventh monthly reporting period of the period of performance, or when the Contractor has expended 75 percent of the maximum amount of this Agreement.
- 5.4.2 CSD-initiated repayments of the advance shall be accomplished through offsets against subsequent reimbursement of approved expenditures. CSD shall determine the amount to be offset against reimbursements by dividing the unpaid advance amount by the number of remaining expenditure reporting periods in the period of performance. In the event that an expenditure request for a reporting period is less than the offset amount as determined above, the entire amount of the expenditure reimbursement request shall be applied against the remaining advance balance. If the original contract is granted a term extension, this does not extend the advance repayment period.
- 5.4.3 If the advance repayment is not fully paid by the end date of the original contract term, then CSD will offset any subsequent reimbursement of approved expenditures to fully repay the advance repayment.

5.5 Advance Payments – Lien Rights

The State retains lien rights on all funds advanced.

The report shall indicate the actual expenditures being billed to CSD for reimbursement for the specific report period.
- 5.6.2 Subsequent payments to Contractor shall be contingent on receipt and approval by CSD of the preceding Expenditure/Activity Report. If Contractor owes CSD any outstanding balance(s) for overpayments of any Agreement, current or previous, the balance(s) may be offset after notice to the Contractor providing an opportunity to present any valid objection to the offset.

SUBVENTION AGREEMENT

- 8.6.2 *Collection of Disallowed Costs.* Contractor shall have no less than ten business days from receipt of the draft Audit Transmittal Report (TR) or comparable document to provide acceptance of the disallowed costs or, alternatively, to provide CSD with complete and accurate information or documentary evidence in support of the allowability of questioned costs.
- 8.6.3 If Contractor challenges questioned costs and submits complete and accurate information or documentary evidence in support of the allowability of questioned costs CSD shall, after consideration of Contractor's submission, issue a final TR, no later than 30 calendar days after receipt of Contractor's information or documentation. If questioned costs are determined to be owing, ASU shall notify CSD's Financial Services Unit (FSU) to send an invoice. Contractor will tender payment to FSU or negotiate a repayment plan acceptable to FSU.

8.7 Enforcement Actions Resulting from Noncompliance with this Agreement

- 8.7.1 *Legal Authority.* The authority for CSD Enforcement Actions, as defined in Article 8.7.2, for cost disallowances/recovery of misused funds, and for de-designation of eligible entity status (collectively "Enforcement Process") is found in the federal CSBG Act (42 USC §§ 9914-9916), in the Code of Federal Regulations, and in state regulations, with particular reference to 22 Cal. Code Regs. § 100780. In order to facilitate compliance with the cited authorities, the parties to this Agreement agree that Article 8.7 shall: (a) guide, inform and clarify the Enforcement Process; (b) establish the procedures to be followed; and (c) establish the rights and obligations of the parties with respect to the Enforcement Process, for purposes of implementing the principles set out in the applicable legal authorities.

- 8.7.2 *Definitions.*

Enforcement Action. For purposes of this Article, "Enforcement Action" shall refer to official steps taken by CSD in response to material breaches of this Agreement and/or Contractor's inability to fulfill contractual obligations of the Agreement due to serious financial instability or insolvency. Enforcement Actions may include any of the following: (a) "High-Risk" designation; (b) a determination of cost disallowance; (c) contract suspension; (d) contract termination; or (e) termination of Contractor's designation as eligible entity.

High Risk Designation refers to the status of a Contractor which, due to material breach/failure to fulfill contractual obligations and/or serious financial

SUBVENTION AGREEMENT

instability, is subject to Enforcement Action(s) that may include imposition of Special Conditions and/or Sanctions designed to allow for continued performance of the Agreement within the conditions/sanctions imposed, or other actions deemed necessary to safeguard public funds.

Material Breach means any act or omission by Contractor that is in contravention or disregard of Contractor's duties and obligations under the terms of this Agreement and under applicable State and federal law, which act or omission: (a) constitutes fraud or gross negligence by Contractor or its agent(s); (b) is likely to result in significant waste and/or abuse of federal funds; (c) has a significant adverse impact on Contractor's ability to meet its administrative, financial, or programmatic duties and obligations over the term of the contract or a significant portion thereof; (d) violates or otherwise disregards significant program guidance and other requirements of the Federal Government, whether issued directly or through CSD; (e) may have serious adverse effects and consequences on the Contractor's customers, employees, subcontractors, creditors, suppliers, vendors, or other stakeholders; or (f) may otherwise significantly and adversely affect the viability, effectiveness, or integrity of the program.

8.7.3 *Initiation of Enforcement Action.*

8.7.3.1 *Grounds for Enforcement Action.* If CSD determines that Contractor has not complied with the requirements of this Agreement and that Contractor's noncompliance constitutes a material breach of the Agreement, or if CSD determines that Contractor's financial condition is so unstable and tenuous that its ability to implement this Agreement is seriously compromised, CSD may initiate an Enforcement Action.

8.7.3.2 *Notice of High-Risk Designation.* To initiate an Enforcement Action, CSD must provide Contractor with written Notice of High-Risk designation, setting forth: (a) the factual and legal basis for the determination of noncompliance, upon which the High-Risk designation is based; (b) the corrective action(s) required; and (c) the date by which they must be taken and completed.

8.7.4 *Special Conditions and Sanctions.*

8.7.4.1 CSD may impose Special Conditions and/or Sanctions upon a determination that such steps are reasonably necessary to address acute

SUBVENTION AGREEMENT

financial instability or a material breach, as defined above. Imposition of Special Condition(s) and/or Sanction(s) shall be in writing and shall become effective on the date specified in the notice. Such notices must contain the following information: (a) the nature of the Special Condition(s) and/or Sanction(s) being imposed; (b) the reason(s) for imposing Special Condition(s) and/or Sanction(s); and (c) the corrective actions that must be taken and the time allowed for completing them before CSD removes the Special Condition(s) and/or Sanction(s).

8.7.4.2 Special Conditions may include but are not limited to: (a) requiring Contractor to obtain training and/or technical assistance; (b) imposition of special or additional reporting requirements; (c) special or conditional cost reimbursement requirements and procedures; (d) provision of documentation by Contractor; and/or (e) requiring Contractor to amend or modify systems, procedures, and/or policies.

8.7.4.3 Sanctions may include but are not limited to: (a) suspension of advances and/or reimbursements; and/or (b) issuance of notices to suspend operations.

8.7.4.4 Sanctions may not be imposed without a hearing being first held in accordance with applicable regulations, *unless* CSD reasonably determines, based on credible information, that: (a) substantial sums to be paid to Contractor have been or will be used in violation of law or the provisions of this Agreement, and/or (b) associated costs are otherwise very likely to be disallowed; and (c) taxpayer dollars are at significant risk and are unlikely to be recovered if Sanctions are not immediately imposed.

8.7.5 Procedures for Review of Special Conditions and/or Sanctions.

8.7.5.1 If Contractor wishes to contest the imposition of Special Conditions and/or Sanctions, Contractor shall have five business days following receipt of a Notice of Enforcement Action in which to show cause, in writing, why the Special Conditions or Sanctions should not be imposed.

8.7.5.2 CSD shall have five business days following receipt of Contractor's response to accept or reject Contractor's objection and to state in writing the consequences of the decision and Contractor's obligations going forward, if any.

SUBVENTION AGREEMENT

8.7.5.3 *Hearing.* Within five business days of receipt of a Notice of Enforcement Action, Contractor may request a hearing for the parties to consider the matters addressed in the Notice and to discuss alternative courses of action, which meeting CSD may agree to if, in its sole judgment, it determines that the meeting would be helpful to the process, can be held expeditiously, and will not cause undue delay or further jeopardize taxpayer dollars.

8.7.5.4 Contractor may, at any time, request in writing that CSD initiate the contract suspension or contract termination processes, to include the requisite hearings, as set out in applicable federal and State law, with particular reference to 22 Cal. Code Regs. § 100780.

8.7.5.5 Should Contractor fail to show cause as to why the Enforcement Action should not go forward, or should Contractor fail to request that CSD initiate either the contract suspension or termination processes, CSD may initiate such action at its own discretion.

8.7.5.6 Special Conditions and Sanctions shall remain in effect until the hearing procedure is completed, provided, with respect to sanctions, CSD reasonably determines that Article 8.7.5.3 applies.

8.7.6 *Enforcement Action Cost Disallowance.*

8.7.6.1 *Statement of Questioned Costs.* If CSD determines that Contractor's non-compliance has resulted in questioned costs, CSD shall provide Contractor with a Statement of Questioned Costs along with the Notice of Enforcement Action, or at such later time in the enforcement process as questioned costs are identified.

8.7.6.2 Statements of Questioned Costs shall include, at minimum: (a) particular item(s) of cost questioned and the specified amount(s) by type or category of costs; (b) factual basis for questioning costs, and the information and/or documentation required to justify payment of the costs; and (c) timeframe and procedures for Contractor's submission of the required information or documentation to CSD.

8.7.6.3 *Investigative Audits and Reports.* If CSD determines that more information is required before a Statement of Questioned Costs can be issued or before a final determination of cost disallowance can be made, CSD may conduct an investigative audit of Contractor's records, files and

SUBVENTION AGREEMENT

books of account, or retain an audit firm for such purpose. Contractor agrees to cooperate fully in any audit conducted and to ensure that Contractor's agents, accountants and subcontractors cooperate in the performance of such audit. A report of any audit conducted shall be shared with Contractor, who shall be given ample opportunity to respond to findings and to submit information and documentation in support of the response.

8.7.6.4 *Effect of Non-Cooperation with Investigative Audits.* If Contractor fails to cooperate in the conduct of an audit initiated pursuant to Article 8.7.6.3, CSD may: (a) impose sanctions as provided in article 8.7.4; and/or (b) issue a Notice of Disallowed Costs as determined appropriate.

8.7.6.5 *Notice of Disallowed Costs.* If CSD determines that further information and/or documentation provided by Contractor has not fully addressed or resolved any outstanding issues of questioned costs, CSD shall issue a Notice of Disallowed Costs, which notice shall include: (a) the amount of disallowed costs to be repaid, if any; and (b) the date by which repayment must be made or, in the alternative, (c) the date by which Contractor must submit a proposed repayment plan for consideration by CSD.

8.7.6.6 *Right to Dispute Notice.* Not later than five business days after receipt of a Notice of Disallowed Costs, Contractor may request a hearing disputing the Notice or statements made therein. The hearing shall be conducted in accordance with the procedures set out in 22 Cal. Code Regs. § 100780, for the purpose of adjudicating the matter of cost disallowance; however, either Contractor or CSD may opt to adjudicate other pending enforcement action matters, in a combined proceeding.

8.7.6.7 *Waiver of Right to Dispute.* If Contractor declines to request a hearing to adjudicate cost disallowance, or neglects to submit a request as provided in Article 8.7.6.6, the Notice of Disallowed Costs shall be deemed final, and Contractor shall be obligated to comply with the requirements of the Notice.

8.7.6.8 Contractor will be deemed to have complied with a Notice of Disallowed Costs when CSD receives full repayment of outstanding disallowed amount(s), or when CSD formally approves a repayment plan. In reviewing Contractor's repayment plan, CSD shall take into consideration such factors as, but not limited to: (a) federal requirements

SUBVENTION AGREEMENT

or conditions applicable to the grant(s) under which the disallowed costs were funded; (b) the exigencies of the grant program and CSD's ability to reallocate the funds repaid or otherwise dispose of the funds in accordance with applicable law; (c) the risk of being unable to recover funding and the options for securing Contractor's repayment obligation; and (d) Contractor's financial condition and ability to pay.

- 8.7.7 *Removal of High-Risk Designation.* Contractor shall remain on High-Risk until CSD reasonably determines that Contractor has complied with the requirements of the Notice of High-Risk Designation, including verification by CSD that corrective measures have been implemented, that all conditions have been met and that disallowed costs have been repaid or, alternatively, that CSD has deemed Contractor's repayment plan to be acceptable and Contractor has demonstrated it is in compliance with the plan. Upon determination that Contractor has complied with the requirements of the Notice of High-Risk Designation, CSD shall give Contractor written notice of such determination.
- 8.7.8 *Further Enforcement Action.* In the event Contractor's non-compliance with the terms and conditions of this Agreement are not remedied through imposition of Special Conditions, and/or Sanctions, thereby enabling CSD to remove High-Risk designation, CSD may initiate further Enforcement Actions involving Contract Suspension, Contract Termination and Termination of Contractor's designation as eligible entity, which shall be initiated and conducted in accordance with the applicable provisions found in 22 Cal. Code Regs. § 100780 and other applicable State and federal statutes and regulations.
- 8.7.9 *Contractor's Status During Federal Review Period.* The final decision with respect to any enforcement action which involves contract termination, cost disallowance, a denial of refunding, and/or de-designation of an eligible entity shall become effective upon completion of the applicable federal review, if initiated by Contractor, and in compliance with review requirements pursuant to Section 678C of the Community Services Block Grant Act, (42 USC § 9915), except that Special Conditions and Sanctions shall remain in force during the course of any federal review and appeal, and no new contracts or amendments will be executed during the federal review and appeal process.
