(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Provide authorization to accept and implement a grant award and future awards and/or amendments from the Health Resources and Services Administration for the Transforming Pediatrics for Early Childhood project for the period of September 30, 2023, through September 29, 2027, and to execute a sole source contract with Children’s Hospital Los Angeles.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize and instruct the Director of the Department of Public Health (Public Health), or designee, to accept Award Number 1 U9HMC49201-01-00 (Exhibit I) from Health Resources and Services Administration (HRSA), Assistance Listing Number 93.110, for the Transforming Pediatrics for Early Childhood (TPEC) project in the amount of \$998,573 for the Year 1 budget period of September 30, 2023, through September 29, 2024, with the project term starting September 30, 2023, through September 29, 2027, subject to review and approval by County Counsel.

2. Delegate authority to the Director of Public Health, or designee, to accept future awards and/or amendments that are consistent with the requirements of the HRSA Grant referenced in Recommendation 1, that extend the funding periods at amounts to be determined by HRSA; reflect revisions to the grant award’s terms and conditions to include but not be limited to the rollover of

unspent funds, redirection of funds, and/or increase or decrease in funding; subject to review and approval by County Counsel and notification to your Board and the Chief Executive Office (CEO).

3. Authorize and instruct the Director of Public Health, or designee, to execute a new sole source contract, substantially similar to Exhibit II, with Children's Hospital Los Angeles (CHLA) for provision of TPEC-Early Needs Response for Infant and Child Health – Los Angeles County (TPEC-ENRICH LAC) project, effective upon date of execution through September 29, 2027, in the amount of \$612,968, 100 percent funded by HRSA funds, subject to review and approval by County Counsel.

4. Delegate authority to the Director of Public Health, or designee, to execute amendments to the sole source contract that: a) add annual funding at amounts to be determined by Public Health, based on HRSA funding availability; b) allow for the rollover of unspent funds; c) provide an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation, effective upon amendment execution; and d) make corresponding service adjustments, as necessary, subject to review and approval, by County Counsel, and notification to your Board and the CEO.

5. Delegate authority to the Director of Public Health, or designee, to execute change notices to the contract that authorize modifications to, or within, budget categories and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions.

6. Delegate authority to the Director of Public Health, or designee, to immediately suspend the contract upon issuing a written notice to CHLA if it fails to fully comply with program requirements; to terminate the contract for convenience by providing a 30-calendar day advance written notice to CHLA.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of Recommendation 1 will allow Public Health to accept Award Number 1 U9HMC49201-01-00 from HRSA TPEC to expand the ENRICH pilot project to communities in Los Angeles County (LAC). This program is an extension of the ENRICH model that is currently implemented in the Exide-impacted area. The Exide-impacted area is a 1.7 square mile Preliminary Investigation Area (PIA) in parts of East Los Angeles where residents have suffered health consequences related to the area's industry and commerce. The PIA has shown to have increased levels of lead from unauthorized run-off from Exide Technologies through the Wiley Sanders Truck Lines, which have led to poor health outcomes in children and youth, including increased instances of developmental delays.

Grant acceptance will expand the ENRICH model into multiple regions of LAC, with affected communities within each Supervisorial District, through the implementation of TPEC-ENRICH LAC, that will facilitate the integration of core improvements including, but not limited to access to support services and referral linkages for children with mild-to-moderate developmental delays.

This grant will support Public Health's provision of TPEC-ENRICH LAC project to under-resourced and disproportionately impacted communities. The purpose of TPEC-ENRICH LAC project is to respond to a growing need for early childhood development (ECD) experts in historically underserved communities with limited access to developmental screenings and family support services in LAC. TPEC-ENRICH LAC project aims to promote care coordination, community collaboration, and address health equity. It will also provide parents, families, and caregivers with

hands-on support to navigate and secure developmental resources and coaching and training on educational rights and resources.

Approval of Recommendation 2 will allow Public Health to accept future awards from HRSA and/or amendments that extend the funding periods at amounts to be determined by HRSA and reflect revisions to the award's terms and conditions to include but not be limited to the rollover of unspent funds, redirection of funds, and/or increases or decreases in funding. This authority is being requested to enhance Public Health's efforts to expeditiously maximize grant revenue, consistent with Board Policy 4.070: Full Utilization of Grant Funds.

Approval of Recommendation 3 will allow Public Health to execute a sole source contract with CHLA for the implementation of TPEC-ENRICH LAC. CHLA is the current provider of ENRICH pilot project in the Exide-impacted area in LAC. The partnership with CHLA for the implementation of TPEC will allow Public Health to expand the ENRICH pilot project (now TPEC-ENRICH LAC) and establish resource hubs in LAC that support the placement of ECD experts into pediatric practices to serve high proportions of prenatal-to-five-year-old (P-5) populations who are eligible for Medicaid, Children's Health Insurance Program, or who are uninsured.

As a sole source contractor, and partner in the application to the HRSA's Notice for Funding Opportunity for TPEC, CHLA is directly responsible for recruiting, hiring, and managing the ECD experts at each of the participating pediatric practices in highly impacted communities plus clinical staff to support the implementation of TPEC-ENRICH LAC. CHLA's involvement is fundamental to the ENRICH program model, and currently provides family partner services in medical practices in the Exide-impacted area. TPEC-ENRICH LAC will expand the CHLA-run model of the current ENRICH pilot project to other areas of the LAC. CHLA will be responsible for soliciting and contracting with pediatric practices in those designated communities to carry-out the TPEC-ENRICH LAC activities in each of the regions in LAC.

Public Health's role will be as the grant administrator, coordinating grant and TPEC-ENRICH-LAC operations.

Approval of Recommendation 4 will allow Public Health to execute amendments to add funding to the contract; rollover unspent funds; increase or decrease in funding up to 10 percent above or below the annual base maximum obligation and make corresponding service adjustments, as necessary, and make other necessary modifications. This authority is being requested to enhance Public Health's efforts to expeditiously maximize grant revenue, consistent with Board Policy 4.070: Full Utilization of Grant Funds

Approval of Recommendation 5 will allow Public Health to execute change notices to the contract that authorize budget modifications to or within budget categories within each budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the contract's terms and conditions, when needed.

Approval of Recommendation 6 will allow Public Health to immediately suspend the contract if CHLA fails to perform and/or fully comply with program requirements, to terminate the contract for convenience by providing a 30-calendar day advance written termination notice to contractor.

Implementation of Strategic Plan Goals

The recommended actions support Strategy I.2, Enhance Our Delivery of Comprehensive Interventions, and Strategy II.2, Support the Wellness of Our Communities of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Public Health will accept Award Number 1 U9HMC49201-01-00 from HRSA in the amount of \$998,573 for the Year 1 budget period of September 30, 2023, through September 29, 2024, with the project term for the implementation of TPEC-ENRICH LAC running September 30, 2023, through September 29, 2027. Funds will support expenditures associated with personnel, programmatic, and contractual costs.

There is no net County cost associated with this action.

Funding is included in Public Health's Final Adopted Budget for fiscal year (FY) 2023-2024 and will be included in future FYs, as necessary.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On March 24, 2022, HRSA released a Notice for Funding Opportunity (NFO) for TPEC (HRSA-22-141) to solicit applications from states, county governments, territories, and cities to establish resource hubs that support the placement of ECD experts into pediatric practices that serve a high percentage of P-5 populations who are eligible for Medicaid of the Children's Health Insurance Program or uninsured.

On May 22, 2022, Public Health responded to the NFO by submitting an application in response to HRSA's NFO for TPEC in partnership with CHLA to implement the expansion of ENRICH pilot project in East Los Angeles (ELA) across all regions of LAC. Under the ENRICH pilot project, CHLA employs Family Partners at pediatric clinics in ELA target areas to serve as early child development experts, and individuals with lived experience to assist connecting families to early intervention and other needed services for families with children with developmental concerns, as well as basic needs under the CHLA Parent Navigator program. The Parent Navigator program is expanding to serve additional clinics and has been an integral part of the ENRICH pilot project and will continue to serve LAC communities through TPEC-ENRICH LAC.

On June 30, 2023, HRSA issued Award Number 1 U9HMC49201-01-00 for TPEC project, representing Year 1 of the project term of September 30, 2023, through September 29, 2027.

As required under Board Policy 5.100, Public Health notified your Board on August 2, 2023, of its intent to negotiate a sole source contract with CHLA.

County Counsel has reviewed and approved Exhibit I and II as to form.

Attachment A is the Sole Source Checklist signed by the CEO.

 7. Development and submission of updated performance measurement and evaluation plans within 60 days of the start of each project year.

Program Specific Term(s)

1.
 1. The primary goals of the program are to: 1) improve equitable access to a continuum of ECD services in pediatric patient-centered medical homes and similar settings, and 2) improve the capacity of pediatric practices and workforce to deliver high-quality ECD services that address the holistic needs of children and families. Recipients are responsible for the placement of ECD experts in multiple pediatric primary care settings within a state, territory, jurisdiction, or tribal area; pediatric practice partners must serve a high percentage of prenatal-to-5 year old (P-5) populations who are eligible for Medicaid or CHIP or are uninsured.

The cooperative agreement recipient shall abide by programmatic expectations outlined in the NOFO. This includes advancing the following objectives:

1.
 - a. Increase the number of ECD experts trained, equipped, and placed in pediatric settings serving Medicaid/CHIP-eligible or uninsured P-5 populations;
 - b. Increase the number of pediatric practices offering a continuum of ECD services that includes comprehensive early developmental health promotion/prevention, screening and surveillance, care coordination and linkage, and intervention;
 - c. Improve ECD knowledge and competencies among pediatric primary care staff; and
 - d. Identify and advance solutions to specific barriers to sustained and holistic ECD service delivery in primary care, such as policy and financing barriers, ECD workforce needs, care coordination, and service gaps.

Core areas of activity for the award include: Facilitate the placement of ECD experts into pediatric practices; Provide training, technical assistance, and implementation resources for pediatric practices; Develop a plan and partner to address policy and financing barriers, ECD workforce needs, care coordination, service gaps, and other barriers to sustained ECD services; Address health equity and the social and structural determinants of health; and Support data collection, analysis, and CQI.

2. Funds awarded to any sub-contractor, sub-recipient or recipient by the Department of Health and Human Services shall not be expended for research involving human subjects, and individuals shall not be enrolled in such research without an assurance by the Office of Human Research Protections (OHRP) (<http://www.hhs.gov/ohrp/about/index.html>) that the studies comply with the requirements of 45 CFR Part 46 to protect Human Research subjects. This restriction applies to all collaborating sites without OHRP Approved Assurances, whether domestic or foreign; compliance must be ensured by the awardee.
3. Recipients must collaborate with the Early Childhood Developmental Health System (ECDHS): Evidence to Impact Center recipient (described in HRSA-22-091) to improve program quality, align efforts with current evidence and work of other recipients, and support program-wide evaluation.

The Privacy Rule implements the Health Insurance Portability and Accountability Act (HIPAA) of 1996, 42 U.S.C. 1320d et seq., which governs the protection of individually identifiable health information. The Privacy Rule is administered and enforced by HHS's Office of Civil Rights (OCR) and is codified at 45 CFR parts 160 and 164. Not all HHS recipients are subject to the Privacy Rule. The Privacy Rule applies only to "covered entities," as defined by the rule, which include health plans and most health-care providers. (<http://www.hhs.gov/ocr/hipaa>).
5. Approximately 120 days prior to the end of the budget period, the recipient must submit a progress report narrative to HRSA annually via the Non-Competing Continuation (NCC) Renewal in the EHBs, which should address progress towards program outcomes (e.g., accomplishments, barriers, significant changes, plans for the upcoming budget year, and measures of progress as identified in Evaluation and Technical Support Capacity). Awardees will receive notification of the exact due date and guidance related to the submission via EHBs. Submission and HRSA approval of a progress report will trigger the budget period renewal and release of each subsequent year of funding.
6. In addition to DGIS measures specified in this NoA, recipients are expected to collect and report to HRSA in their annual performance

reports, progress reports, or requests for information, the following data:

- Number of pediatric practice partners with integrated ECD experts.
- Number and percentage of P-5 families (disaggregated by race/ethnicity and income level) in partner pediatric practices receiving each domain of required ECD services, including:
 - o Early developmental health and family well-being promotion and prevention services
 - o Screening and surveillance for developmental, family, and environmental concerns or risks
 - o Care coordination and linkage
 - o Targeted consultation or brief intervention
- Number of pediatric practice staff receiving training or TA to deliver high-quality ECD services, by role.

B. Contractor: The sole proprietor, partnership, corporation or other person or entity that has entered into this Contract with the County.

3. DESCRIPTION OF SERVICES:

be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

D. Federal Award Information for this Contract is detailed in Exhibit I, Notice of Federal Subaward Information, attached hereto and incorporated herein by reference.

4. TERM OF CONTRACT:

The term of this Contract shall be effective upon date of execution and shall continue in full force and effect through September 29, 2027, unless sooner terminated or extended, in whole or in part, as provided in this Contract.

B. Contractor will not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of Contractor's duties,

responsibilities, or obligations, or performance of same by person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, must not occur except with the County's express prior written approval.

Upon occurrence of this event, Contractor must send written notification to the Department at the address herein provided under the NOTICES Paragraph.

D. No Payment for Services Provided Following Expiration/Termination of Contract: Contractor will have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment it must immediately notify County and must immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract will not constitute a waiver of County's right to recover such payment from Contractor. This provision will survive the expiration or other termination of this Contract.

6. INVOICES AND PAYMENT:

A. Contractor must invoice the County only for providing the tasks, deliverables, goods, services, and other work specified in Exhibit A and/or Exhibit B, and in accordance with Exhibit C.

B. Contractor shall invoice the County monthly in arrears. All invoices shall include a financial invoice and all required reports and/or data. All invoices shall clearly reflect all required information as specified on forms provided by the County regarding the services for which claims are to be made and any and all payments made to Contractor.

C. Invoices must be submitted to County within 30 calendar days after the close of each calendar month. If this Contract is terminated prior to the close of the Contract term, the cost report shall be for that Contract period which ends on the termination date. The report shall be submitted within 30 calendar days after such termination date.

The primary objective of the annual cost report shall be to provide the County with actual expenditure data for the Contract period that shall serve as the basis for determining final amounts due to/from Contractor.

If the annual cost report is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report is delivered to County and/or, at the Director's sole discretion, a final determination of amounts due to/from Contractor is determined on the basis of the last monthly invoice received.

Failure to provide the annual cost report may constitute a material breach of this Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

F. Upon expiration or prior termination of this Contract, Contractor shall submit, within 30 calendar days, any outstanding and/or final invoice(s) for processing and payment. Contractor's failure to submit any outstanding and/or final invoice(s) within the specified period shall constitute Contractor's waiver to receive payment for any outstanding and/or final invoice(s).

G. Withholding Payment:

(1) Subject to the reporting and data requirements of this Contract and the Exhibit(s) attached hereto, Director may withhold any payment to Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Contract, or if such report or data is incomplete in accordance with requirements set

forth in this Contract. This withholding may be invoked for the current month and any succeeding month(s) for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, Director may withhold any claim for payment by Contractor if Contractor has been given at least 30 calendar days' notice of deficiency(ies) in compliance with the terms of this Contract and has failed to correct such deficiency(ies). This withholding may be invoked for any month(s) for deficiency(ies) not corrected.

(3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, Director will reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of this Contract and its Exhibit(s), if the services are not completed by Contractor within the specified time, Director may withhold all payments to Contractor under this Contract until proof of such service(s) is/are delivered to County.

(5) In addition to Sub-paragraphs (1) through (4) immediately above, Director may withhold payments due to Contractor for amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year's Contract(s) or any prior year's Contract(s) between the County and Contractor. The withheld payments will be used to pay all

amounts due to the County. Any remaining withheld payment will be paid to the Contractor accordingly.

(6) Director may withhold any payment to Contractor if Contractor, in the judgment of the County, is in material breach of this Contract or has failed to fulfill its obligations under this Contract, until Contractor has cured said breaches and/or failures. Director will provide written notice of its intention to withhold payment specifying said breaches and/or failure to Contractor.

Fiscal Viability: Contractor must be able to carry the costs of its program without reimbursement under this Contract for at least 60 days at any point during the term of this Contract.

Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or

County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and invoices to County that an underutilization of funds provided under this Contract will occur over its term.

Any funding adjustments or reallocation as allowed under this Paragraph may be effective upon amendment execution and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation or reallocation of funds between budgets in this Contract shall be effectuated by an amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each budget, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least 15 calendar days prior to each such review, Contractor shall provide Director with a current

update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

8. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract and any Exhibit(s) or Attachments attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The County's Board of Supervisors, the Chief Executive Officer or designee, or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors, Chief Executive Officer, or State or federal entity, law or regulation. To implement such changes, an amendment to this Contract shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors.

C. Notwithstanding Paragraph 8.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Contract to permit extensions or adjustments of the Contract term, the rollover of

unspent Contract funds, and/or an increase or decrease in funding up to ten percent (10%) above or below each term's annual base maximum obligation, effective upon amendment execution. An amendment shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors, and shall be incorporated into and become part of this Contract.

The entries in all of the aforementioned accounting and statistical records must be readily traceable to applicable source documentation

The client/patient eligibility determination and fees charged to, and collected from clients/patients must also be reflected therein. All financial records shall be retained by Contractor at a location within Los Angeles County during the term of this Contract and for a minimum period of seven years following expiration or earlier termination of this Contract, or until federal, State and/or County audit findings are resolved, whichever is later. During such retention period, all such records shall be made available during normal business hours within 10 calendar days, to authorized representatives of federal, State, or County governments for purposes of inspection and audit. In the event records are located outside Los Angeles County and Contractor is unable to move such records to Los Angeles County, Contractor shall permit such inspection or audit to take place at an agreed to outside location, and Contractor shall pay County for all travel, per diem, and other costs incurred by County for any inspection and audit at such other location. Contractor further agrees to provide such records, when possible, immediately to County by facsimile/FAX, or through the Internet (i.e. electronic mail ["e-mail"]), upon Director's request. To the extent permitted by law, County shall maintain the confidentiality of such audit report(s).

E. Independent Audit: Contractor's financial records shall be audited by an independent auditor in compliance with 2 CFR 200.501. Contractor shall complete and file such audit report(s) with the County's Public Health Contract Monitoring Division no later than the earlier of 30

days after receipt of the auditor's report(s) or nine months after the end of the audit period.

If the audit report(s) is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report(s) is/are delivered to County.

The independent auditor's work papers shall be retained for a minimum of three years from the date of the report, unless the auditor is notified in writing by County to extend the retention period. Audit work papers shall be made available for review by federal, State, or County representative upon request.

F. Federal Access to Records: If, and to the extent that, Section 1861 (v) (1) (I) of the Social Security Act [42 United States Code ("U.S.C.") Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of ten thousand dollars (\$10,000) or more over a 12-month period with a related organization (as that term is defined under federal

law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents, and records of the Subcontractor.

G. Program and Audit/Compliance Review: In the event County representatives conduct a program review and/or an audit/compliance review of Contractor, Contractor shall fully cooperate with County's representatives. Contractor shall allow County representatives access to all records of services rendered and all financial records and reports pertaining to this Contract and shall allow photocopies to be made of these documents utilizing Contractor's photocopier, for which County shall reimburse Contractor its customary charge for record copying services, if requested. Director will provide Contractor with at least 10 working days' prior written notice of any audit/compliance review, unless otherwise waived by Contractor.

County may conduct a statistical sample audit/compliance review of all claims paid by County during a specified period. The sample will be determined in accordance with generally accepted auditing standards. An exit conference will be held following the performance of such audit/compliance review at which time the result shall be discussed with Contractor. Contractor will be provided with a copy of any written evaluation reports.

Contractor will have the opportunity to review County's findings on Contractor, and Contractor will have 30 calendar days after receipt of County's audit/compliance review results to provide documentation to County representatives to resolve the audit exceptions. If, at the end of the 30 calendar day period, there remains audit exceptions which have not been resolved to the

satisfaction of County's representatives, then the exception rate found in the audit, or sample, shall be applied to the total County payment made to Contractor for all claims paid during the audit/compliance review period to determine Contractor's liability to County. County may withhold any claim for payment by Contractor for any month(s) for any deficiency(ies) not corrected.

H. Audit Settlements:

(1) If an audit conducted by federal, State, and/or County representatives finds that units of service, actual reimbursable net costs for any services and/or combinations thereof furnished hereunder are lower than units of service and/or reimbursement for stated actual net costs for any services for which payments were made to Contractor by County, then payment for the unsubstantiated units of service and/or unsubstantiated reimbursement of stated actual net costs for any services shall be repaid by Contractor to County. For the purpose of this paragraph an "unsubstantiated unit of service" shall mean a unit of service for which Contractor is unable to adduce proof of performance of that unit of service and "unsubstantiated reimbursement of stated actual net costs" shall mean stated actual net costs for which Contractor is unable to adduce proof of performance and/or receipt of the actual net cost for any service.

(2) If an audit conducted by federal, State, and/or County representatives finds that actual allowable and documented costs for a unit of service provided hereunder are less than the County's payment for

those units of service, the Contractor shall repay County the difference immediately upon request, or County has the right to withhold and/or offset that repayment obligation against future payments.

(3) If within 30 calendar days of termination of this Contract, such audit finds that the units of service, allowable costs of services and/or any combination thereof furnished hereunder are higher than the units of service, allowable costs of services and/or payments made by County, then the difference may be paid to Contractor, not to exceed the County maximum contract obligation.

(4) In no event shall County be required to pay Contractor for units of services that are not supported by actual allowable and documented costs.

(5) In the event that Contractor's actual allowable and documented cost for a unit of service are less than fee-for-service rate(s) set out in the budget(s), the Contractor will only be reimbursed for its actual allowable and documented costs.

18A. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" increased Charitable Purposes Act requirements. By requiring Contractor to complete the Charitable Contributions Certification, Exhibit H, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

18B. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A
FEDERALLY FUNDED PROGRAM:

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal exclusion of Contractor or its staff members from such participation in a federally funded health care program.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of contract upon which County may immediately terminate or suspend this Contract.

Contractor shall immediately notify County in writing, during the term of this Contract, should it or any of its subcontractors or any principals of either being suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

C. The National Defense Authorization Act for fiscal year 2013, enacted January 2, 2013, mandates a Pilot Program for Enhancement of Contractor Employee Whistleblower Protections that requires that all grantees, their subgrantees, and subcontractors inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the pilot program; inform their employees in writing of the employee whistleblower protections under statute 41 U.S.C. 4712 in the predominant native language of the workforce; and include such requirements in any agreement made with a subcontractor or subgrantee.

Additionally, Contractor certifies to the County:

1. That Contractor has a written policy statement prohibiting discrimination in all phases of employment.
2. That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
3. That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
4. Where problem areas are identified in employment practices, Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables. Contractor shall comply with Exhibit D – Contractor’s EEO Certification.

30. COMPLIANCE WITH THE COUNTY’S JURY SERVICE PROGRAM:

A. Jury Service Program: This Contract is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

- (1) Unless Contractor has demonstrated to the County’s satisfaction either that Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that

the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor must have and adhere to a written policy that provides that its Employees will receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or, 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for the County under this Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph must be inserted into

any such subcontract agreement and a copy of the Jury Service Program must be attached to that contract.

(3) If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor must immediately notify the County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate, to the County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor’s violation of this sub-paragraph of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, at its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

31. COMPLIANCE WITH COUNTY’S ZERO TOLERANCE POLICY ON HUMAN TRAFFICKING:

A. Contractor acknowledges that the County has established a Zero Tolerance Human Trafficking Policy prohibiting contractors from engaging in human trafficking.

B. If Contractor or a member of Contractor's staff is convicted of a human trafficking offense, the County will require that Contractor or member of Contractor's staff be removed immediately from performing services under this Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

C. Disqualification of any member of Contractor's staff pursuant to this Paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

32. COMPLIANCE WITH FAIR CHANCE EMPLOYMENT PRACTICES:

Contractor, and any subcontractors, must comply with fair chance employment hiring practices set forth in California Government Code Section 12952. Contractor's violation of this Paragraph of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

33. COMPLIANCE WITH THE COUNTY'S POLICY OF EQUITY: Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate

the CPOE. Contractor, its employees and Subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of Contractor, its employees or its Subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject Contractor to termination of contractual agreements as well as civil liability.

34. CONFLICT OF INTEREST:

A. No County employee whose position with the County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee, may be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

B. Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a

complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph will be a material breach of this Contract.

35. CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS:

A. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position(s). For this purpose, consideration means that Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to Contractor. Contractor must report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV; and DPSS will refer qualified GAIN/GROW job candidates.

B. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees must be given first priority.

36. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. Responsible Contractor: A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. Chapter 2.202 of the County Code: Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County

acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, the County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with the County.

C. Non-Responsible Contractor: The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. Contractor Hearing Board: If there is evidence that Contractor may be subject to debarment, the Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative/proposed decision, which will contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

G. If a contractor has been debarred for a period longer than five years, that contractor may after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence

discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. Subcontractors of Contractors: These terms will also apply to Subcontractors of County contractors.

37. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT

TO THE SAFELY SURRENDERED BABY LAW: Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at a contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at:

<https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>

38. CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM:

A. Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

B. As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and

Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

39. COUNTY'S QUALITY ASSURANCE PLAN: County or its agent(s) will monitor Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which County determines are significant, or continuing, and that may place performance of the Contract in jeopardy if not corrected, will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

40. SERVICE DELIVERY SITE - MAINTENANCE STANDARDS: Contractor shall assure that the locations where services are provided under provisions of this Contract are operated at all times in accordance with County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facilities shall include a review of compliance with the provisions of this Paragraph.

41. RULES AND REGULATIONS: During the time that Contractor's personnel are at County Facilities such persons shall be subject to the rules and

regulations of such County Facility. It is the responsibility of Contractor to acquaint persons who are to provide services hereunder with such rules and regulations. Contractor shall immediately and permanently withdraw any of its personnel from the provision of services hereunder upon receipt of oral or written notice from Director, that: (1) such person has violated said rules or regulations, or (2) such person's actions, while on County premises, indicate that such person may do harm to County patients, staff, or other individuals.

42. DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS:

A. Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or Contractor's employees or agents. Such repairs must be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence.

B. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by Contractor by cash payment upon demand.

43. EMPLOYMENT ELIGIBILITY VERIFICATION:

A. Contractor warrants that it fully complies with all federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in federal and State statutes and regulations. Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by

federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), as they currently exist or as they may be hereafter amended. Contractor must retain all such documentation for all covered employees for the period prescribed by law.

B. Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against Contractor or the County or both in connection with any alleged violation of any federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

44. DEFAULT METHOD OF PAYMENT: DIRECT DEPOSIT OR ELECTRONIC FUNDS TRANSFER:

The County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/contract with the County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

Contractor must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.

At any time during this Contract, Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with Public Health, will decide whether to approve exemption requests.

45. COUNTERPARTS AND ELECTRONIC SIGNATURES AND

REPRESENTATIONS: This Contract may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same Contract. The facsimile or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof shall be deemed to constitute duplicate originals. The County and Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the amendments prepared pursuant to the ALTERATIONS OF TERMS/AMENDMENTS Paragraph and received via communications facilities (e.g., facsimile or email), as legally sufficient evidence that such legally binding signatures have been affixed to amendments to this Contract.

46. FAIR LABOR STANDARDS: Contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court

costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which the County may be found jointly or solely liable.

47. FISCAL DISCLOSURE: Contractor shall prepare and submit to Director, within 10 calendar days following execution of this Contract, a statement executed by Contractor's duly constituted officers, containing the following information: a detailed statement listing all sources of funding to Contractor including private contributions, nature of the funding, services to be provided, total dollar amount, and period of time of such funding.

If during the term of this Contract, the source(s) of Contractor's funding changes, Contractor shall promptly notify Director in writing, detailing such changes.

48. FORCE MAJEURE:

A. Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and

without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

49. GOVERNING LAW, JURISDICTION, AND VENUE: This Contract will be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

50. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA): The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its implementing regulations. The County and Contractor therefore agree to the terms of Exhibit F.

51. INDEPENDENT CONTRACTOR STATUS:

A. This Contract is by and between the County and Contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the

County and Contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor is solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.

C. Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of Contractor and not employees of the County. Contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of Contractor pursuant to this Contract.

D. Contractor must adhere to the provisions stated in the CONFIDENTIALITY Paragraph of this Contract.

52. LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES: Contractor will obtain and maintain during the term of this Contract, all appropriate licenses, permits, registrations, accreditations, and certificates required by federal, State, and local law for the operation of its business and for the provision of services hereunder. Contractor will ensure that all of its officers, employees, and agents who perform services hereunder obtain and maintain in effect during the term of

this Contract, all licenses, permits, registrations, accreditations, and certificates required by federal, State, and local law which are applicable to their performance hereunder. Contractor will provide a copy of each license, permit, registration, accreditation, and certificate upon request of Public Health at any time during the term of this Contract.

53. NONDISCRIMINATION AND AFFIRMATIVE ACTION:

A. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations.

B. Contractor certifies to the County each of the following:

1. Contractor has a written policy statement prohibiting discrimination in all phases of employment.
2. That Contractor periodically conducts a self-analysis or utilization analysis of its work force.
3. That Contractor has a system for determining if its employment practices are discriminatory against protected groups.
4. Where problem areas are identified in employment practices, the Contractor has a system for taking reasonable corrective action, to include establishment of goals or timetables.

C. Contractor must take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without

regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations. Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

D. Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

E. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

F. Contractor will allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph (Nondiscrimination and Affirmative Action) when so requested by the County.

G. If the County finds that any provisions of this Nondiscrimination and Affirmative Action Paragraph have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the contractor has violated federal or State anti-discrimination laws or regulations will constitute a finding by the County that the contractor has violated the anti-discrimination provisions of this Contract.

H. The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

54. NOTICE OF DELAYS: Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

55. NOTICE OF DISPUTES: Contractor must bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and Contractor regarding the performance of services as stated in this Contract.

If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director will resolve it.

56. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor must notify its employees, and will require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice must be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

57. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: Contractor must notify and provide to its employees, and will require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit G (Safely Surrendered Baby Law) of this Contract. Additional information is available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

58. PROHIBITION AGAINST INDUCEMENT OR PERSUASION: Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

59. PROHIBITION AGAINST PERFORMANCE OF SERVICES WHILE UNDER THE INFLUENCE: Contractor will ensure that no employee or physician

performs services while under the influence of any alcoholic beverage, medication, narcotic, or other substance that might impair his/her physical or mental performance.

60. PUBLIC RECORDS ACT:

A. Any documents submitted by Contractor, and all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to the RECORD RETENTION AND AUDITS Paragraph of this Contract become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section 7921.000 et seq. (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

B. In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

61. PURCHASES:

A. Purchase Practices: Contractor shall fully comply with all federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and

directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items shall be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

B. Proprietary Interest of County: In accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, County shall retain all proprietary interest, except for use during the term of this Contract, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any Contract funds designated for such purpose. Upon the expiration or earlier termination of this Contract, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Contract, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgment against it within 30 calendar days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the Contractor's part. Contractor, in conjunction with County, shall attach identifying labels on all such property indicating the proprietary interest of County.

C. Inventory Records, Controls, and Reports: Contractor shall maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any contract funds designated for such purpose. Annually, Contractor shall provide Director with an accurate and complete inventory report of all furniture, fixtures,

equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose.

D. Protection of Property in Contractor's Custody: Contractor must maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any Contract funds designated for such purpose, against any damage or loss by fire, burglary, theft, disappearance, vandalism, or misuse. Contractor must contact Director for instructions for disposition of any such property which is worn out or unusable.

E. Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Contract, or upon the expiration or early termination of this Contract, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by Director or authorized representatives, of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose, in the same condition as such property was received by Contractor, reasonable wear and tear expected; or, (2) at Director's option, deliver any or all items of such property to a location designated by Director. Any disposition, settlement, or adjustment connected with such property shall be in accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives.

62. REAL PROPERTY AND BUSINESS OWNERSHIP DISCLOSURE:

A. Real Property Disclosure: If Contractor is renting, leasing, or subleasing, or is planning to rent, lease, or sublease, any real property where persons are to receive services hereunder, Contractor shall prepare and submit to Director within 10 calendar days following execution of this Contract, an affidavit sworn to and executed by Contractor's duly constituted officers, containing the following information:

If such lessor or sublessor is a corporation or partnership, such listing shall also include the full names of all Contractor's officers, members of its advisory boards, members of its staff and consultants, who have any family relationship, by marriage or blood, to an officer, director, or stockholder of the corporation, or to any partner of the partnership. In preparing the latter listing, Contractor shall also indicate the names(s) of the officer(s), director(s), stockholder(s), or partner(s), as appropriate, and the family relationship which exists between such person(s) and Contractor's representatives listed.

(5) If a facility of Contractor is rented or leased from a parent organization or individual who is a common owner, (as defined by Federal Health Insurance Manual 15, Chapter 10, Paragraph 1002.2), Contractor shall only charge the program for costs of ownership. Costs of ownership shall include depreciation, interest, and applicable taxes.

True and correct copies of all written rental agreements, leases, and subleases with respect to any such real property shall be appended to such affidavit and made a part thereof.

B. Business Ownership Disclosure: Contractor shall prepare and submit to Director, upon request, a detailed statement, executed by Contractor's duly constituted officers, indicating whether Contractor totally or partially owns any other business organization that will be providing services, supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Contract. If, during the term of this Contract, the Contractor's ownership of other businesses dealing with Contractor under this Contract changes, Contractor shall notify Director in writing of such changes within 30 calendar days prior to the effective date thereof.

63. REPORTS: Contractor shall make reports as required by County concerning Contractor's activities and operations as they relate to this Contract and the provision of services hereunder. However, in no event may County require such reports unless Director has provided Contractor with at least 30 calendar days' prior written notification thereof. Director's notification shall provide Contractor with a written explanation of the procedures for reporting the information required.

64. RECYCLED CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content bond paper to the maximum extent possible in connection with services to be performed by Contractor under this Contract.

65. PROHIBITION FROM PARTICIPATION IN FUTURE SOLICITATION(S):

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision will survive the expiration, or other termination of this Agreement.

66. STAFFING AND TRAINING/STAFF DEVELOPMENT: Contractor shall operate continuously throughout the term of this Contract with at least the minimum number of staff required by County. Such personnel shall be qualified in accordance with standards established by County. In addition, Contractor shall comply with any additional staffing requirements which may be included in the Exhibits attached hereto.

During the term of this Contract, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of persons by name, title, professional degree, salary, and experience who are providing services hereunder. Contractor also shall indicate on such list which persons are appropriately qualified to perform services hereunder. If an executive director, program director, or supervisory position becomes vacant during the term of this Contract, Contractor must, prior to filling said vacancy, notify County's Director. Contractor must provide the above set forth required information to County's Director regarding any candidate prior to any

appointment. Contractor must institute and maintain appropriate supervision of all persons providing services pursuant to this Contract.

Contractor must institute and maintain a training/staff development program pertaining to those services described in the Exhibit(s) attached hereto. Appropriate training/staff development shall be provided for treatment, administrative, and support personnel. Participation of treatment and support personnel in training/staff development should include in-service activities. Such activities must be planned and scheduled in advance, and conducted on a continuing basis. Contractor must develop and institute a plan for an annual evaluation of such training/staff development program.

67. SUBCONTRACTING:

A. For purposes of this Contract, subcontracts must be approved in advance in writing by Director or authorized designee(s). Contractor's request to Director for approval of a subcontract shall include:

(1) Identification of the proposed Subcontractor, (who shall be licensed as appropriate for provision of subcontract services), and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.

(2) A detailed description of the services to be provided by the subcontract.

(3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.

(4) A copy of the proposed subcontract. (Any later modification of such subcontract shall take the form of a formally written subcontract amendment which also must be approved in writing by the Director in the same manner as described above, before such amendment is effective.)

(5) Any other information and/or certification(s) requested by Director.

B. Director will review Contractor's request to subcontract and determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts must be made in the name of Contractor and may not bind nor purport to bind County. The making of subcontracts hereunder does not relieve Contractor of any requirement under this Contract, including, but not limited to, the duty to properly supervise and coordinate the work of Subcontractors. Further, Director's approval of any subcontract must also not be construed to limit in any way, any of County's rights or remedies contained in this Contract.

D. In the event that Director consents to any subcontracting, Contractor is solely liable and responsible for any and all payments or other compensation to all Subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent is provisional, and shall not waive the County's right to later withdraw that consent when such action is deemed by County to be in its best interest. County is not liable or responsible in any way to Contractor, or any

Subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. The County's consent to subcontract does not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor must notify its Subcontractors of this County right.

G. Subcontracts must contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles and is subject to all of the provisions of such prime contract." Further, Contractor shall also reflect as Subcontractor requirements in the subcontract form all of the requirements of the INDEMNIFICATION, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES, INSURANCE COVERAGE REQUIREMENTS, COMPLIANCE WITH APPLICABLE LAW, CONFLICT OF TERMS and ALTERATION OF TERMS Paragraphs and all of the provisions of this Contract.

Contractor must deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Contract, on or immediately after the effective date of the subcontract, but in no event, later than the date any services are to be performed under the subcontract.

H. Contractor shall obtain certificates of insurance which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor.

I. Director is hereby authorized to act for and on behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

J. Contractor will indemnify, defend, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

K. Contractor shall remain fully responsible for all performances required of it under this Contract, including those that Contractor has determined to subcontract, notwithstanding the County's approval of Contractor's proposed subcontract.

68. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN

COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM:

Contractor's failure to maintain compliance with the requirements set forth in the Paragraph entitled CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM, herein, will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, Contractor's failure to cure such default within 90 calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to the Paragraph entitled TERMINATION FOR DEFAULT, herein, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

69. TERMINATION FOR CONVENIENCE: This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of services hereunder will be effected

by Notice of Termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than 30 days after the notice is sent.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor must:

- A. Stop work under this Contract on the date and to the extent specified in such Notice of Termination; and
- B. Complete performance of such part of the work as would not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than 60 calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor, for a period of seven years after final settlement under this Contract, in accordance with the Paragraph entitled RECORD RETENTION AND AUDITS, herein, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor

under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a location in Los Angeles County and shall be made available within 10 calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

70. TERMINATION FOR DEFAULT: The County may, by written notice to Contractor, terminate the whole or any part of this Contract, if, in the judgement of County's Project Director:

- A. Contractor has materially breached this Contract; or
- B. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- C. Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

In the event that the County terminates this Contract in whole or in part as provided hereinabove, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Contractor will be liable to the County, for such similar goods and services. Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

Except with respect to defaults of any subcontractor, Contractor will not be liable for any such excess costs of the type identified in the Paragraph hereinabove if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and any subcontractor, and without the fault or negligence of either of them, the contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that Contractor was not in default under the provisions of this paragraph or that the default was excusable under the provisions hereinabove, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to the Paragraph entitled TERMINATION FOR CONVENIENCE, herein.

The rights and remedies of County provided in this Paragraph will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

71. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract, or making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

Contractor must immediately report any attempt by a County officer or employee to solicit such improper consideration. The report must be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Among other items, such improper considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.

72. TERMINATION FOR INSOLVENCY: The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

A. Insolvency of Contractor. Contractor will be deemed to be insolvent if it has ceased to pay its debts at least 60 days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition

has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

B. The filing of a voluntary or involuntary petition regarding Contractor under the federal Bankruptcy Code;

C. The appointment of a Receiver or Trustee for Contractor;

D. The execution by Contractor of a general assignment for the benefit of creditors.

The rights and remedies of the County provided in this Paragraph will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

73. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County will not be obligated for Contractor's performance hereunder, or by any provision of this Contract during any of the County's future fiscal years, unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30th, of the last fiscal year for which funds were appropriated. The County will notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

74. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

75. TIME OFF FOR VOTING: Contractor must notify its employees, and must require each Subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every Statewide election, Contractor and any subcontractor(s) must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Elections Code Section 14000.

76. VALIDITY: If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

77. WAIVER: No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

78. WARRANTY AGAINST CONTINGENT FEES:

A. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

B. For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

79. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

80. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Failure of Contractor to maintain compliance with the requirements set forth in the Paragraph entitled WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, herein, will constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

1.0 INTRODUCTION

- A. Los Angeles County (LAC) is the largest county in the United States covering 4,000 square miles and 88 incorporated cities. With well over 10 million individuals in LAC, 26% of the population are prenatal-to-five-years-old (P-5), and the availability of pediatric practices providing early childhood development (ECD) services can only adequately serve roughly 13% of our children/youth. Establishing resource hubs that support the placement ECD experts into pediatric practices that serve the P-5 populations is crucial to the developmental success of LAC children/youth.

The Transforming Pediatrics for Early Childhood, Early Needs Response for Infant and Child Health in Los Angeles County (TPEC ENRICH-LAC) program responds to the growing need for ECD experts in historically underserved communities with limited access to developmental screenings and family support services. In collaboration with Children's Hospital Los Angeles (CHLA), County of Los Angeles, Department of Public Health (Public Health) will form a public-private academic partnership to serve as a resource hub that provides program structure and ECD workforce placement at strategically selected pediatric sites. TPEC ENRICH-LAC promotes care coordination, community collaboration, and addresses health equity through four primary goals:

- 1) Improve equitable access to a continuum of ECD services for underserved populations by employing one ECD expert with lived experience in each of the five pediatric practices selected in highly impacted communities.
 - 2) Improve ECD knowledge and competencies among pediatric primary care staff by providing ongoing training, technical assistance, and resources to pediatric practices, including equity, diversity, and inclusion strategies to address systemic barriers.
 - 3) Promote collaboration, capacity building and systems change by partnering with local and state-level agencies, and community partners for ECD expert recruitment and sustainability planning to continue improved access to care and enhancement in quality of life for P-5 populations and their families.
 - 4) Improve developmental health outcomes, parental stress, and caregiver knowledge and self-efficacy related to the early intervention and special education process and resources among racially/ethnically, culturally, and linguistically diverse children and families.
- B. The TPEC ENRICH-LAC leadership team pre-selected communities of need during the grant writing process. The communities of Pomona, South Los Angeles, Pacoima/Sun Valley, Wilmington/Carson, and the Antelope Valley are historically underserved and have stark lack of access to ECD services and proven disparities in various social determinants of health. Regarding known disparities in early developmental health, each of the communities: 1) Are majority Hispanic/Latino/a and/or African-American; 2) Have high rates of families living 200% below the Federal Poverty Level (FPL); 3) Have a majority of P-5 children enrolled in Medicaid or CHIP; 4) Report having P-5 children with special needs with one or more adverse

effects; and 5) Have low rates or decreased rates of special education or Individual Education Plan (IEP) enrollment.

- C. Enrolled TPEC ENRICH-LAC children and their families will have direct access to an ECD- Family Partner (FP) at select pediatric practices. This is an extension of the ENRICH program that currently serves children and their families who were affected by the environmental impact of Exide Technologies and the Wiley Sander Settlement. CHLA is a principal partner of ENRICH responsible for the oversight of ECD-FPs at clinic sites in East Los Angeles.
- D. TPEC ENRICH-LAC is an expansion of the ENRICH-model into other communities of need. Integrating an ECD-FP at each practice will transform the primary health care services offered at each selected Federally Qualified Health Center (FQHC) specializing in pediatric primary care. This program positions Public Health to be a leader in transformative ECD pediatric practices.

2.0 DEFINITIONS

- 2.1 Transforming Pediatrics for Early Childhood: A HRSA funded program to establish resource hubs that support the placement of Early Childhood Development (ECD) experts into pediatric practices that serve a high percentage of P-5 populations who are eligible for Medicaid of the Children's health Insurance Program or uninsured.
- 2.2 Early Needs Response for Infant and Child Health (ENRICH): ENRICH is a community health project funded through settlement funds awarded to the County of Los Angeles from the Wiley Sanders Truck Lines settlement and Exide Technologies environmental tragedy in parts of East Los Angeles. The revenues from the settlement have been allocated to support programmatic interventions that will enable families and providers in a 1.7 square mile East LA target area [the Preliminary Investigation Area (PIA)] to identify, respond to and advocate for children and youth who may have suffered developmental delays resulting from the environmental impact of the area's industry and commerce.
- 2.3 Early Childhood Development Expert: Person who works on the healthy development of infants, toddlers, and young children. As an ECD expert, the primary responsibilities include providing support services for children from birth to five years of age. This individual is trained or has lived experience working with early childhood development healthcare and barriers to care.
- 2.4 Ages and Stages Questionnaire (ASQ) / Survey Of Well-Being of Young Children (SWYC): Screening tools used to test and screen for the presence of a developmental delay or disability.
- 2.5 Adverse Childhood Experiences (ACEs): Adverse childhood experiences, or ACEs, are potentially traumatic events that occur in childhood (0-17 years) like experiencing or witnessing violence or death. Also included are aspects of the child's environment that can undermine their sense of safety, stability, and

bonding like substance use, instability due to parental separation or mental health challenges.

- 2.6 Continuous Quality Improvement (CQI): CQI sometimes referred to as Performance and Quality Improvement (PQI), is a process of creating an environment in which management and staff strive to create constantly improving quality programs and activities.
- 2.7 Technical Assistance (TA): Technical Assistance is the process of providing targeted support to an organization with a development need or problem, which is typically delivered over an extended period.
- 2.8 Child Health and Disability Prevention (CHDP) Program: The Child Health and Disability Prevention (CHDP) is a preventive program that delivers periodic health assessments and services to low-income children and youth in California. CHDP provides care coordination to assist families with medical appointment scheduling, transportation, and access to diagnostic and treatment services. Health assessments are provided by enrolled private physicians, local health departments, community clinics, managed care plans, and some local school districts.
- 2.9 Federally Qualified Health Center (FQHC): An FQHC is a reimbursement designation from the Bureau of Primary Health Care and the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services.
- 2.10 Institutional Review Board (IRB): The Institutional Review Board (IRB) is an administrative body established to protect the rights and welfare of human research subjects recruited to participate in research activities conducted under the auspices of the institution with which it is affiliated.

3.0 SERVICES TO BE PROVIDED:

- 3.1 CHLA is the sole contractor (Contractor) under this grant and must work alongside with Public Health to implement the TPEC ENRICH-LAC model at pediatric practices throughout the County. Under this program there are three categories for the Contractor:
 - 3.1.1 Place five ECD-FPs into five separate pediatric practices in pre-identified communities of need in LAC.
 - 3.1.2 Provide technical assistance and training/professional development for the ECD-FP and program model at each pediatric practice.
 - 3.1.3 Conduct TPEC ENRICH-LAC evaluation.

Note: Required activities can be found in Exhibit B: Scope of Work.

3.2 Category 1: Placement of Five ECD-FPs into Five Separate Pediatric Practices in Pre-identified Communities of needs in LAC.

Contractor must enter into an agreement with each pediatric practice in the pre-identified communities for ECD-FP placement. For Contractor to enter into an agreement with a pediatric practice, the partnering site must meet the following seven qualifications:

Partner site must:

- 3.2.1 Confirm that it operates in or within ½ mile of the highly impacted communities of Pomona, Wilmington/Carson, South Los Angeles, Antelope Valley, and Pacoima/Sun Valley.
- 3.2.2 Confirm that it serves at least 250-500 P-5 patients in the primary care setting, annually.
- 3.2.3 Provide verification that it is a Federally Qualified Health Center (FQHC); FQHCs are catalogued on the Department of Health and Human Services Health Resources and Services Administration (HRSA) website.
- 3.2.4 Provide written confirmation that the identified clinic sites are certified by the Child Health and Disability Prevention (CHDP) program, which can be verified through Children’s Medical Services (CMS) CHDP program.

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit BabySafeLA.org to learn more.

FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

ANSWERS TO YOUR QUESTIONS

Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.
