COUNTY OF LOS ANGELES

28 January 9, 2024

CELIA ZAVALA
EXECUTIVE OFFICER

**SERVICES CONTRACT
MUNICIPAL SERVICES CORE SERVICE AREA
AWARD OF SERVICES CONTRACT
ON-CALL CLEANUP, REMOVAL, AND DEMOLITION OF
SUBSTANDARD STRUCTURES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Public Works is seeking Board approval to award a services contract to Interior Demolition, Inc., a Local Small Business Enterprise and Community Business Enterprise, for cleanup, removal, and demolition of substandard structures at various jobsites within the County of Los Angeles.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this Board letter and in the record of the project.
2. Award the contract to Interior Demolition, Inc., a Local Small Business Enterprise and Community Business Enterprise, for on-call cleanup, removal, and demolition of substandard structures. This contract will be for a term of 1 year with three 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential contract term of 54 months and a maximum potential contract sum of \$1,633,500.
3. Delegate authority to the Director of Public Works or his designee to execute the contract; to renew the contract for each additional renewal option and extension period if, in the opinion of the Director of Public Works or his designee, Interior Demolition, Inc., a Local Small Business Enterprise

and Community Business Enterprise, has successfully performed during the previous contract period, and these services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if it is in the best interest of the County to do so.

4. Delegate authority to the Director of Public Works or his designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum, which is included in the maximum potential contract sum for unforeseen additional work within the scope of the contract if required, and to adjust the annual contract sum for each option year over the term of the contract to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended action will award a services contract to Interior Demolition, Inc., a Local Small Business Enterprise and Community Business Enterprise, to provide on-call cleanup, removal, and demolition of substandard structures at various locations within the County of Los Angeles. The work to be performed will consist of the demolition and removal of substandard structures and/or removal and cleanup of miscellaneous items of personal property, trash, debris, inoperative vehicles, etc., from private property, within the enforcement authority of the Property Rehabilitation/Nuisance Abatement and Code Enforcement Program. The Program identifies and performs abatement of public nuisances, unsafe structures, and the threat of unsanitary health conditions typically found on private property that threaten the community in order to protect life, limb, health, property, safety, and welfare of the public or occupants. These services may also be used to abate fire debris found on private property. The removal of blighted properties will improve the environmental, economic, and social well-being of the communities. The award of this contract will continue the current services by the recommended contractor.

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: Strategy II.3, Make Environmental Sustainability our Daily Reality, Objective II.3.4, Reduce Waste Generation and Recycle and Reuse Waste Resources, by contracting with the contractor that has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner.

FISCAL IMPACT/FINANCING

The annual cost is \$330,000 plus 10 percent of the annual contract sum for additional work within the scope of the contract and cost-of-living adjustments in accordance with the contract. Any unused authorized amounts up to 25 percent from the previous contract terms will roll over into subsequent renewal terms, including the three 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential contract term of 54 months with an estimated maximum potential contract sum of \$1,633,500. This amount is based on the annual price quoted by the contractor and Public Works' estimated annual utilization of the contractor's services. The County may also authorize an extension not to exceed 180 days to the contract's maximum potential term with no additional funding. Adjustments will be made to the annual contract sum for each option year over the term of the contracts to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contracts.

Funding for these services is included in the General Fund (A01-Services and Supplies) Fiscal Year 2023-24 Budget. Total annual expenditures for these services, however, will not exceed the contract amount approved by the Board. All costs incurred by Public Works will be invoiced and billed to the property owner. Unpaid invoices will be assessed onto the property taxes. Funds to finance the contract's optional years and 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor, Interior Demolition, Inc., a Local Small Business Enterprise and Community Business Enterprise, is located in Newhall, California. This contract will commence upon the Board's approval and final execution, whichever occurs last, for a period of 1 year. With the Board's delegated authority, Public Works may renew the contract for three 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential total contract term of 54 months.

County Counsel will review the contract as to form (Enclosure A) prior to approval. The recommended contract with Interior Demolition, Inc., a Local Small Business Enterprise and Community Business Enterprise, was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements.

A standard services contract has been used that contains terms and conditions in compliance with the Board's ordinances, policies, and programs. Enclosure B reflects the proposer's utilization participation and community business enterprise program information. Data regarding the proposer's minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Public Works has evaluated and determined that the contracted services are required on an on-call and intermittent basis; therefore, Proposition A (County Code Chapter 2.121) and the Living Wage Program (County Code Chapter 2.201) do not apply to this contract. In addition, the contractor understands and agrees that the contracted work involves public works as defined by Section 1720 of the California Labor Code. The contractor represents and warrants that they will perform the contracted work in full compliance with the applicable provisions of the Labor Code relating to payment of prevailing wages.

The contract includes a cost-of-living adjustment provision, which is in accordance with Board Policy 5.070, Multi-Year Services Contract Cost-of-Living Adjustments.

ENVIRONMENTAL DOCUMENTATION

These services are exempt from the provisions of the California Environmental Quality Act (CEQA). The contract services are within a class of projects that have been determined not to have a significant effect on the environment and meet the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. In addition, it can be seen with certainty that there is no possibility that the work may have a significant effect on the environment pursuant to State CEQA Guidelines Section 15061(b)(3). The proposed contract work is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment.

In addition, based on the proposed project records, the contracted work will comply with all applicable regulations and there are no cumulative impacts, unusual circumstances, and damage to scenic highways, listing on the hazardous waste site lists compiled pursuant to Government Code Section 65962.5, or indications that it may cause a substantial adverse change in the significance of a historical resource that would make the exemption inapplicable.

CONTRACTING PROCESS

On April 11, 2023, a notice of the Request for Proposals was placed on the County's "Doing Business with Los Angeles County" website (Enclosure C), "Do Business with Public Works" website, and X (formerly Twitter). In addition, advertisements were placed in the Los Angeles Daily Journal, Los Angeles Sentinel, La Opinión, The Daily Breeze, The Signal (Santa Clarita), World Journal, Watts Times, The Malibu Times, Press Telegram, and Pasadena Star News. Also, Public Works informed 1,388 Local Small Business Enterprises, 150 Disabled Veteran Business Enterprises, 148 Social Enterprises, 843 Community Business Enterprises, and 32 independent contractors about this business opportunity.

On May 17, 2023, one proposal was received and evaluated by an evaluation committee consisting of Public Works staff. The evaluation was based on criteria described in the Request for Proposals, which included the price, experience, work plan, and references, utilizing the informed averaging methodology for applicable criteria. Based on this evaluation, it is recommended that this contract be awarded to the responsive and responsible proposer, Interior Demolition, Inc., a Local Small Business Enterprise and Community Business Enterprise, located in Newhall, California. Public Works determined the contractor's price to be reasonable for the work requested.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will continue the services to the public and will not result in the displacement of any County employees as these services are presently contracted with the private sector.

CONCLUSION

Please return one adopted copy of this Board letter to Public Works, Business Relations and Contracts Division.

Respectfully submitted,

THIS AGREEMENT, made and entered into this ____ day of _____, 2024, by and between the COUNTY OF LOS ANGELES, a subdivision of the State of California, a body corporate and politic (hereinafter referred to as COUNTY) and Interior Demolition, Inc., a California Corporation, located at 32508 Pine Street, Newhall, California 91321, (hereinafter referred to as CONTRACTOR). COUNTY and CONTRACTOR are each a Party and collectively referred to as the Parties.

WITNESSETH

FIRST: The CONTRACTOR, for the consideration hereinafter set forth and the acceptance by the Board of Supervisors (Board) of said COUNTY of the CONTRACTOR'S Proposal filed with the COUNTY on May 17, 2023, hereby agrees to provide services as described in this Contract for On-Call Cleanup, Removal, and Demolition of Substandard Structures.

SECOND: This AGREEMENT, together with Exhibit A, Scope of Work; Exhibit B, Service Contract General Requirements; Exhibit C, Internal Revenue Service Notice 1015; Exhibit D, Safely Surrendered Baby Law Posters; Exhibit E, Defaulted Property Tax Reduction Program; Exhibit F, Performance Requirements Summary; Exhibit G, Sample Cleanup and Demolition Specifications Work Order; Exhibit H, DMV, Statement of Facts; and Exhibit I, Local Fire Debris Removal Program Work Plan; the CONTRACTOR'S Proposal, all attached hereto; the Request for Proposals; and Addenda to the Request for Proposals, all of which are incorporated herein by reference, are agreed by the COUNTY and the CONTRACTOR to constitute the Contract.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2, an amount not to exceed \$330,000 per year, or such greater amount as the Board may approve (Maximum Contract Sum). Any unused authorized amounts up to 25% from the previous contract terms will roll over into subsequent renewal terms.

FOURTH: This Contract's initial term will be for a period of 1 year commencing upon the Board's approval and execution of this AGREEMENT by both Parties, whichever occurs last. The COUNTY will have the sole option to renew this Contract term for up to three additional 1-year periods and six month-to-month extensions, for a maximum total Contract term of 4 years and 6 months. Each such option will be exercised at the sole discretion of the COUNTY. The COUNTY, acting through the Director, may give a written notice of intent to renew this Contract at least 10 days prior to the end of each term. At the sole discretion of the COUNTY, in lieu of renewing the Contract for the full 1 year, this Contract may be renewed on a month-to-month basis, upon written notice to the CONTRACTOR at least 10 days prior to the end of a term. Further, in accordance with Section 2.A.3 of

Exhibit B, Service Contract General Requirements, the COUNTY may, at its sole discretion, authorize extensions of time to the Contract's term, to the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, provided the aggregate of all such extensions during the life of this Contract will not exceed 180 days. The Director will provide a written notice of nonrenewal at least 10 days before the last day of any term, in which case this Contract will expire as of midnight on the last day of that term. Where all option years have been exercised, the Director will not provide a written notice of nonrenewal.

FIFTH: The CONTRACTOR will bill monthly, in arrears, for the work performed during the preceding month. Work performed will be billed at the hourly rates and/or unit prices quoted in Form PW-2, Schedule of Prices.

SIXTH: Public Works will make payment to the CONTRACTOR within 30 days of receipt and approval of a properly completed and undisputed invoice. However, should the CONTRACTOR be certified by the COUNTY as a Local Small Business Enterprise, payment will be made in accordance with Board of Supervisors Policy No. 3.035, Small Business Liaison and Prompt Payment Program. Each invoice must be in triplicate (original and two copies) and must itemize the work completed. The invoices must be submitted to:

Los Angeles County Public Works
Attention Fiscal Division, Accounts Payable
P.O. Box 7508
Alhambra, CA 91802-7508

SEVENTH: In no event will the aggregate total amount of compensation paid to the CONTRACTOR exceed the amount of compensation authorized by the Board. Such aggregate total amount is the Maximum Contract Sum.

EIGHTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

NINTH: The CONTRACTOR must not perform or accept work requests from the Contract Manager or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. The CONTRACTOR must monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR must immediately notify the Contract Manager in writing. The CONTRACTOR must send written notification to the Contract Manager when this Contract is within 6 months from expiration of the term as provided for hereinabove.

TENTH: If requested by the Contractor, the contract (hourly, daily, monthly, etc.) amount may, at the sole discretion of the County, be increased at the time of contract renewal, if exercised by the County, based on the most recently published percentage

change in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index for the Los Angeles-Long Beach-Anaheim area for the 12-month period preceding the renewal date, which will be the effective date for any cost-of-living adjustment (COLA). However, any increase will not exceed the general salary movement granted to County employees as determined by the Chief Executive Officer as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no COLA will be granted. Upon approval of COLA, a notification will be sent to the Contractor.

ELEVENTH: In the event that terms and conditions, which may be listed in the CONTRACTOR'S Proposal, conflict with the COUNTY'S specifications, requirements, and terms and conditions as reflected in this AGREEMENT including, but not limited to, Exhibits A through I, inclusive, the COUNTY'S provisions will control and be binding.

TWELFTH: The CONTRACTOR agrees in strict accordance with the Contract specifications and conditions to meet the COUNTY'S requirements.

THIRTEENTH: This Contract constitutes the entire agreement between the COUNTY and the CONTRACTOR with respect to the subject matter of this Contract and supersedes all prior and contemporaneous agreements and understandings. This CONTRACT may be signed by the Parties hereto in separate counterparts, including both counterparts that are executed on paper and counterparts that are in the form of electronic signatures. Electronic signatures include facsimile or e-mail electronic signatures.

Each executed counterpart will be deemed an original. All counterparts, taken together, constitute the executed Agreement.

The Parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, used in connection with the execution of this Agreement and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called pdf format will be legal and binding and will have the same full force and effect as if a paper original of this Agreement had been delivered and had been signed using a handwritten signature. Contractor and County (i) agree that an electronic signature, whether digital or encrypted, of a Party to this Agreement is intended to authenticate this writing and to have the same force and effect as a manual signature, (ii) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent or delivered by facsimile, or electronic mail, or other electronic means, (iii) are aware that the other Party will rely on such signatures, and (iv) hereby waive any defenses to the enforcement of the terms of this Agreement based on the foregoing forms of signature. If this Agreement has been executed by electronic signature, all Parties executing this document are expressly consenting under the United States Federal Electronic Signatures in Global and National Commerce Act of 2000 (E-SIGN) and California Uniform Electronic Transactions Act (UETA)(Cal. Civ. Code § 1633.1, et seq.), that a signature by fax, e-mail or other electronic means will constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.
