Los Angeles, California 90012

Dear Supervisors and Commissioners:

**ADOPT RESOLUTIONS TO ISSUE SUPPLEMENTAL MULTIFAMILY HOUSING MORTGAGE
REVENUE BONDS TO FINANCE THE DEVELOPMENT OF THE LAS DAHLIAS PROJECT
(DISTRICT 1) (3 VOTE)**

SUBJECT

This letter requests that your Board approve authorizing resolutions and related actions for the issuance, sale, and delivery of tax-exempt Multifamily Housing Mortgage Revenue Bonds to finance the site acquisition, construction, rehabilitation, or development of Las Dahlias (formerly known as 3rd & Dangler), a 78-unit supportive housing development located in unincorporated East Los Angeles.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that adoption of the Resolutions is not subject to the provisions of the California Environmental Quality Act (CEQA) because the action will not have the potential of causing a significant effect on the environment.
2. Adopt and instruct the Chair to sign the attached Resolution approving the issuance of supplemental tax-exempt Multifamily Housing Mortgage Revenue Bonds (Bonds) by the Los Angeles County Development Authority (LACDA), in an aggregate principal amount not exceeding

\$4,800,000 to assist 3rd & Dangler LP (Borrower), or an LACDA-approved designee, to finance the site acquisition, construction, rehabilitation, or development of Las Dahlias (Project), a 78-unit supportive housing development located at 4643 East 3rd Street, 4653 East 3rd Street and 219 South Dangler Avenue in unincorporated East Los Angeles.

IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE LOS ANGELES COUNTY DEVELOPMENT AUTHORITY:

1. Find that adoption of the Resolutions is not subject to the provisions of the California Environmental Quality Act (CEQA) because the action will not have the potential of causing a significant effect on the environment.
2. Adopt and instruct the Chair to sign the attached Resolution authorizing the issuance, sale and delivery of supplemental tax-exempt Multifamily Housing Mortgage Revenue Bonds (Bonds) in an aggregate principal amount not to exceed \$4,800,000 to finance the site acquisition, construction, rehabilitation, or development of Las Dahlias (Project), a 78-unit supportive housing development, located at 4643 East 3rd Street, 4653 East 3rd Street and 219 South Dangler Avenue in unincorporated East Los Angeles.
3. Authorize the Executive Director or designee to negotiate, execute, and if necessary, amend or terminate all related documents and take all necessary actions for the issuance, sale, and delivery of the Bonds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to authorize the issuance, sale, and delivery of supplemental tax-exempt Multifamily Housing Mortgage Revenue Bonds in an aggregate principal amount not to exceed \$4,800,000 to finance the acquisition, construction, rehabilitation, or development of the Project.

The Project is located at 4643 East 3rd Street, 4653 East 3rd Street and 219 South Dangler Avenue in unincorporated East Los Angeles. The Project is currently under construction on what was vacant, unimproved land. The project aims to utilize public land to building housing for some of the County's most vulnerable residents. The Project includes 39 special needs units (15 studio units and 24 one-bedroom units) reserved for individuals and families earning 30% of the Area Median Income (AMI), 38 general affordable units (five studio units, 25 one-bedroom units, and eight two-bedroom units) reserved for individuals and families earning between 50% and 60% AMI, and one two-bedroom property manager's unit.

FISCAL IMPACT/FINANCING

There is no impact on the County General Fund. The Bonds will be repaid solely through rent revenues collected by the Borrower. The Borrower will pay all fees and related costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In 2020 and 2021, the Board adopted resolutions declaring the intent of the LACDA to undertake the financing of a Multifamily Housing Mortgage Revenue Bonds project and approved the LACDA's issuance of Multifamily Housing Mortgage Revenue Bonds and related actions in accordance with Section 147(f) of the Internal Revenue Code of 1986 (the "Code"). This authorized the issuance,

sale, and delivery of a tax-exempt multifamily housing mortgage revenue bond in an aggregate principal amount not to exceed \$22,000,000 and taxable multifamily housing mortgage revenue bonds in an aggregate principal amount not to exceed \$12,000,000 for the purpose of making a loan to provide financing for the Project.

On September 26, 2023, the Board of Commissioners adopted an additional inducement resolution declaring the intent of the LACDA to undertake the financing of a Supplemental Multifamily Housing Mortgage Revenue Bonds project in accordance with U.S. Treasury Department regulations. This action established a base date after which costs incurred by the Borrower for the Project could be included in the acquisition and permanent financing obtained pursuant to the issuance of supplemental tax-exempt Bonds.

The LACDA is requesting authority to issue these supplemental Bonds to assist the project in closing a financing gap that arose during the rising construction costs as a result of the volatile market.

The LACDA is authorized to issue multifamily revenue bonds to assist in financing for nonprofit public benefit organizations or for-profit corporations with a public benefit project, including the Borrower. In order for the LACDA to issue such Bonds, the LACDA and the County must execute the following actions: (1) The LACDA must conduct a public hearing to satisfy the public approval requirement of Section 147(f) of the Internal Revenue Code; and (2) the County must approve a resolution approving the plan of financing and authorizing the LACDA to issue the Bonds. Although the LACDA will be issuing the Bonds at the request of the Borrower, the financing cannot proceed without the approval of the applicable elected legislative body.

On January 16, 2024, the LACDA conducted a telephonic hearing regarding the issuance of the tax-exempt Bonds to finance the Project at its office located at 700 West Main Street in Alhambra. No comments were received at the hearing concerning the issuance of the tax-exempt Notes or the nature and location of the Project.

The attached Resolutions were prepared by Hawkins Delafield & Wood LLP, LACDA Bond Counsel, and approved as to form by County Counsel.

Pursuant to California Government Code Section 5852.1, a required public disclosure document for this Bond issuance is also attached. All other related documents, in substantially final form, are on file with the Executive Office. They will be approved as to form by County Counsel prior to execution by the authorized parties.

ENVIRONMENTAL DOCUMENTATION

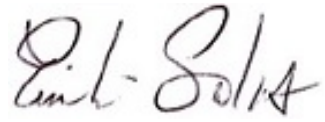

The proposed actions are not a project pursuant to CEQA because they are activities that are excluded from the definition of a project by Section 15378 (b) of the State CEQA guidelines. The proposed actions are administrative activities of government which will not result in direct or indirect physical change to the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed actions are a necessary step to provide bond financing for the Project, which will increase the supply of affordable multifamily housing in the County with long-term affordability.

WITNESSETH:

WHEREAS, pursuant to Chapter 1 of Part 2 of Division 24 of the Health and Safety Code of the State of California (the “Act”), the LACDA is empowered to issue bonds to finance the acquisition, construction, rehabilitation and development of multifamily rental housing; and

WHEREAS, on September 1, 2020 (the “Inducement Date”) the Board of Commissioners of the Housing Authority of the County of Los Angeles (the “Housing Authority”) passed a resolution (the “Inducement Resolution”) indicating the Housing Authority’s intent to provide for the issuance of revenue bonds or notes to finance the acquisition, construction and development of 3rd and Dangler Apartments, a multifamily residential rental housing project located in the County of Los Angeles, consisting of 78 units located at 4655 E. 3rd Street, Los Angeles, California 90022, previously known as 3rd and Dangler Apartments and now renamed as Las Dahlias, on the site more particularly described in Exhibit A hereto (the “Project”); and

WHEREAS, on May 18, 2021, the Board of Commissioners of the LACDA adopted a resolution (the “2021 Resolution”) authorizing the issuance of its revenue bonds to provide financing for the acquisition, development and construction of the Project; and

WHEREAS, in furtherance of the purposes of the Act and the 2021 Resolution, and as a part of the LACDA’s program of financing housing, the LACDA issued pursuant to the Original Indenture its Multifamily Housing Mortgage Revenue Bond (3rd and Dangler Apartments), 2021 Series F-1 (Tax-Exempt) in the maximum principal amount of \$22,000,000 (the “2021 F-1 Bond”) and its Multifamily Housing Mortgage Revenue Bond (3rd and Dangler Apartments), 2021 Series F-2 (Taxable) in the maximum principal amount of \$10,400,000 (the “2021 F-2 Bond” and, together with the 2021 F-1 Bond, the “2021 Bonds”), the proceeds of which are to be used to fund

a loan (the “2021 Loan”) to the Borrower pursuant to the Loan Agreement dated as of June 1, 2021 (the “Original Loan Agreement”), by and between the LACDA and the Borrower, to provide financing for the acquisition, development and construction of the Project; and

WHEREAS, on February 6, 2024, the Board of Commissioners of the LACDA adopted a resolution (the “2024 Resolution” and, collectively with the 2021 Resolution, the “Resolutions”) authorizing the issuance of its revenue bonds to provide additional financing for the acquisition, development and construction of the Project; and

WHEREAS, in order for interest on the 2021 F-1 Bond and the 2024 Bond to be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the “Code”), and the below defined Regulations and rulings with respect to the Code, and in order to comply with the Act and the policies with respect to the LACDA’s housing program, the use and operation of the Project must be restricted in certain respects; and

WHEREAS, the LACDA, the Trustee and the Borrower have determined to enter into this First Amendment to Regulatory Agreement in order to set forth, together with that certain Regulatory Agreement and Declaration of Restrictive Covenants, dated as of June 1, 2021 (the “Original Regulatory Agreement”), by and among the LACDA, the Trustee and the Borrower, certain terms and conditions relating to the acquisition, development and construction of the Project and in order to ensure that the Project will be used and operated in accordance with the Code, the Act and the additional requirements of the LACDA and the California Debt Limit Allocation Committee (“CDLAC”);

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the LACDA, the Trustee and the Borrower hereby agree as follows:

Section 1. Definitions and Interpretation. Unless the context otherwise requires, the terms defined in this Section shall for all purposes hereof and of any supplement and amendment of the Original Regulatory Agreement have the meanings herein specified. All other capitalized terms used herein without definition shall have the meanings as set forth in the Indenture.

“*Determination of Taxability*” means either (a) refusal by the Borrower to consent to any amendment or supplement hereto or to the Indenture which, in the written opinion of Bond Counsel delivered to the LACDA, the Trustee, the Bondholder and the Borrower, is necessary or advisable to maintain the exclusion of interest on the 2021 F-1 Bond or the 2024 Bond from gross income for federal income tax purposes; or (b) any of (i) the enactment of applicable legislation of which the Trustee has actual knowledge, (ii) a final judgment or order of a court of original or appellate jurisdiction of which the Trustee has actual knowledge, (iii) a final ruling or decision of the Internal Revenue Service of which the Trustee has actual knowledge or (iv) the filing with the Trustee of an opinion of Bond Counsel, in each case to the effect that the interest on the 2021 F-1 Bond or the 2024 Bond (other than interest on the 2021 F-1 Bond or the 2024 Bond, as applicable, for any period during which such Bond is held by a “substantial user” of any facility financed with the proceeds of the 2021 F-1 Bond, the 2024 Bond or a “related person,” as such terms are used in Section 147(a) of the Code) is includable in the gross incomes of all recipients thereof for federal income tax purposes. decision of the Internal Revenue Service shall be considered final only if no appeal or action for judicial review has been filed and the time for filing such appeal has expired.

Qualified Project Costs do not include Costs of Issuance, leasing commissions, costs of advertising for the Project or other costs related to the rental of units in the Project, or management fees for the management and operation of the Project. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute “Qualified Project Costs” unless, at the time the proceeds of the 2021 F-1 Bond or the 2024 Bonds, as applicable, are expended to pay such costs, the Borrower and the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations.

“*Tax-Exempt*” means, with respect to interest on any obligations of a state or local government, including the 2021 F-1 Bond and the 2024 Bond, that such interest is excluded from gross income for federal income tax purposes (other than interest on the 2021 F-1 Bond or the 2024 Bond for any period during which the 2021 F-1 Bond or the 2024 Bond, as applicable, are held by a “substantial user” of any facility financed with the proceeds of the 2021 F-1 Bond or the 2024 Bond, as applicable, or a “related person,” as such terms are used in Section 147(a) of the Code); provided, however, that such interest may be includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating other tax liabilities, including any alternative minimum tax or environmental tax, under the Code.

Section 2. Amendment to Section 2. Section 2 of the Original Regulatory Agreement is amended and restated in its entirety as follows:

Section 2. Acquisition, Construction and Equipping of the Project. The Borrower hereby represents, covenants and agrees as of the applicable Closing Date with the LACDA and the Trustee as follows:

(a) The Borrower has incurred, or will incur within six (6) months after the Closing Date of the 2021F-1 Bond, a substantial binding obligation to expend at least five percent (5%) of the proceeds of the 2021F-1 Bonds on costs of the Project. The Borrower has incurred, or will incur within six (6) months after the Closing Date of the 2024 Bond, a substantial binding obligation to expend at least five percent (5%) of the proceeds of the 2024 Bond on costs of the Project.

(b) The Borrower’s reasonable expectations respecting the total cost of the acquisition and construction of the Project are accurately set forth in the Borrower Cost Certificate (the “Borrower Cost Certificate”) submitted to the LACDA on each applicable Closing Date.

(c) The Borrower has acquired the Project Site and will, within six (6) months following the Closing Date of the 2021F-1 Bond, commence the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute “Qualified Project Costs” unless, at the time proceeds of the 2021 F-1 Bond or the 2024 Bond, as applicable, are expended to pay such costs, the Borrower and the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition and construction of the Project and to expend the full amount of the proceeds of each Loan for Project Costs prior to the date which is 30 months after the Closing Date of the 2021F-1 Bond or the Closing Date of the 2024 Bond, as applicable.

(d) The Borrower agrees that the full amount of each disbursement of proceeds of the 2021 F-1 Bond and the 2024 Bond pursuant to the Indenture and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the applicable Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of proceeds of the 2021 F-1 Bond and

the 2024 Bond, respectively, will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to ninety-seven percent (97%) or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Trustee with an opinion of Bond Counsel to the effect that the Tax-Exempt status of interest on the 2021 F-1 Bond or the 2024 Bond, as applicable, will not be adversely affected if less than the aforesaid percentage, but not less than ninety-five percent (95%), is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than twenty-five percent (25%) of the proceeds of the 2021 F-1 Bond and the 2024 Bond, respectively, expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) No proceeds of the 2021 F-1 Bond will be used to pay or reimburse any cost (i) incurred more than sixty (60) days prior to the Inducement Date (except as permitted under the Code), or (ii) incurred more than three (3) years prior to such payment or reimbursement. Any allocation of proceeds of the 2021 F-1 Bond to the reimbursement of previously incurred costs shall be made not later than eighteen (18) months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than sixty (60) days prior to the Inducement Date, and as of sixty (60) days prior to the Inducement Date (A) neither the Borrower nor any related person (as such phrase is used in Section 144(a)(3) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project that will be reimbursed from 2021F-1 Bond proceeds (except as permitted under the Code), (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction or equipping of the Project, and (C) no off site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(f) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Bonds to be applied in a manner contrary to the Indenture, the Loan Agreement, the Act or the Code.

(g) The Borrower hereby represents and warrants that the Project is located entirely within the County.

(h) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Trustee and the LACDA, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable

which exist at the date of such certificate or which may subsequently exist. The Construction Completion Certificate shall be delivered to the Trustee no later than the date thirty (30) months from the Closing Date of the 2021 F-1 Bond unless the Borrower delivers to the Trustee a certificate of the LACDA consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Bonds being included in gross income for federal income tax purposes.

(i) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of proceeds of the 2021 F-1 Bond and the 2024 Bond (A) spent on land by the Borrower relative to the Project Site to an amount that is less than twenty-five percent (25%) of the amount of proceeds of the 2021 F-1 Bond and the 2024 Bond spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any “related person” (as such term is used in Section 144(a)(3) of the Code) on or after the date sixty (60) days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation 1.103-8(a)(1)) so that the amount of proceeds of the 2021 F-1 Bond and the 2024 Bond expended on such Qualified Project Costs are at least ninety-seven percent (97%) of the amount of proceeds of the 2021 F-1 Bond and the 2024 Bond spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Trustee and the LACDA of an approving opinion of Bond Counsel, the percentage of such amounts so used may be ninety-five percent (95%).

(j) Money on deposit in any fund or account in connection with the 2021 F-1 Bond or the 2024 Bond, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower, in a manner which would cause the 2021 F-1 Bond or the 2024 Bond to be “arbitrage bonds” within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the 2021 F-1 Bond or the 2024 Bond from being “arbitrage bonds” under the Code.

(k) No proceeds of the 2021 F-1 Bond or the 2024 Bond shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

(l) For the greatest number of buildings the proceeds of the 2021 F-1 Bond and 2024 Bonds shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the 2021 F-1 Bond and 2024 Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code and the Borrower further covenants that it will not exercise any option to redeem the Bonds under the Indenture except upon the express written consent of the Investor Limited Partner; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Trustee nor the LACDA shall have any obligation to enforce this covenant nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders of the Bonds for any failure to meet the intent

expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or "Event of Default" under this Agreement or the Indenture.

Section 3. Amendment to Sections 5, 6, 8, 9, 11, 13, 14, 18, 22 and 30. Sections 5, 6, 8, 9, 11, 13, 14, 18, 22 and 30 of the Original Regulatory Agreement is amended such that each reference to the 2021 F-1 Bond shall be deemed to be a reference to the 2021 F-1 Bond and the 2024 Bond, respectively.

Section 4. Amendment to Section 7(l). Section 7(l) of the Original Regulatory Agreement is amended and restated in its entirety as follows:

(l) The Borrower shall pay to the LACDA its initial fee on the Closing Date of each series of Bonds and thereafter pay to the LACDA its ongoing fees with respect to the issuance of the Bonds as follows. The Borrower shall pay the LACDA an initial fee immediately upon issuance of each series of Bonds equal to twenty-five (25) basis points of the original principal amount of the Bonds issued. In addition, the Borrower shall, as compensation for the LACDA's monitoring of the provisions of this Regulatory Agreement, pay to the LACDA, annually in advance, (i) on the anniversary of the Closing Date for each series of Bonds for the period from the date of issuance of such Bonds through the Conversion Date (as applicable), an annual amount equal to 0.125% of the original principal amount of the Bonds and (ii) from the Conversion Date (as applicable) through the later of (i) the end of the Qualified Project Period or (ii) the termination of the CDLAC Conditions, an annual amount equal to the greater of 0.125% of the outstanding principal amount of each series of Bonds as of the applicable Conversion Date or \$6,000, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the F-1 Bond and the 2024 Bond from gross income for federal income tax purposes. Throughout the term of this Agreement, the LACDA or the Trustee, as applicable, shall provide an invoice to the Borrower at least thirty (30) days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the LACDA) and shall collect such payments from the Borrower and immediately remit such funds to the LACDA. In the event of any prepayment of a series of Bonds in whole, prior to the later of (i) the end of the Qualified Project Period or (ii) the termination of the CDLAC Conditions, the Borrower, at its election, shall either (A) pay to the LACDA, on or before such payment, an amount equal to the present value of the remaining LACDA fees payable hereunder, as calculated by the LACDA, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the later of (1) the end of the Qualified Project Period or (2) the termination of the CDLAC Conditions, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the 2021 F-1 Bond and the 2024 Bond from gross income for federal income tax purposes; or (B) pay directly to the LACDA on an annual basis, in advance on the anniversary of the Closing Date, the annual fee described above. The Borrower shall not be required to pay the fee described in the preceding sentence if the Bonds are prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof. The Borrower shall also pay to the LACDA, thirty (30) days after receipt of request for payment thereof from the LACDA, all reasonable out of pocket expenses of the LACDA (not including salaries and

wages of LACDA employees) related to the Project and the financing thereof that are not otherwise required to be paid by the Borrower under the terms of this Regulatory Agreement or the Loan Agreement, including, without limitation, reasonable legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project, the Loans or the Bonds. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Bonds, the Borrower shall continue to pay (or, to the extent allowed under the Code, may prepay the present value at such time, computed based on the yield of the 2021 F-1 Bond and the 2024 Bond) the LACDA's fees, unless such prepayment is made in connection with a refunding of such Bonds. Notwithstanding any prepayment of the Loan, the Borrower shall continue to pay to the LACDA all fees, losses and expenses required under the Loan Agreement and the Indenture as provided therein. The fees payable hereunder shall be reduced as and to the extent necessary to comply with the requirements of the Code.

WHEREAS, the Act authorizes the LACDA (a) to make loans to any person to provide financing for rental residential developments located within the jurisdiction of the LACDA, in this instance specifically the County of Los Angeles (the “Sponsoring Political Subdivision”), and intended to be occupied at least in part by persons of low and moderate income, as determined by the LACDA; (b) to issue its revenue Bonds for the purpose of obtaining moneys to make such loans and provide such financing, to establish necessary reserve funds and to pay administrative costs and other costs incurred in connection with the issuance of such Bonds; and (c) to pledge all or any part of the revenues, receipts or resources of the LACDA, including the revenues and receipts to be received by the LACDA from or in connection with such loans, and to mortgage, pledge or grant security interests in such loans or other property of the LACDA in order to secure the payment of the principal or redemption price of and interest on such Bonds; and

Upon making such transfer, the Costs of Issuance Fund shall be closed.

Section 2.9. Amendment to Section 7.7. Section 7.6 of the Original Indenture is amended and restated in its entirety to read as follows:

(a) The Trustee shall use moneys in the Project Fund for the acquisition and rehabilitation of the Project, to pay other Qualified Project Costs (in connection with draws on the Series F-1 Bond or Series 2024 Bond, as applicable) and to pay other costs related to the Project as provided herein. The amounts on deposit in the Project Fund shall not be applied to the payment of Costs of Issuance. Moneys on deposit in the Capitalized Interest Account shall only be used to make payments on the Bonds pursuant to Section 2.5 of the Loan Agreement and as otherwise provided in this Section 7.7.

Not less than 95% of the bond proceeds representing net proceeds of the Series F-1 Bond or the Series 2024 Bond, as applicable, including Investment Income on moneys in the Project Fund, will be expended for Qualified Project Costs (the “95% Requirement”). Amounts on deposit in the Project Fund shall be allocated to, and disbursed from time to time by the Trustee, for the sole purpose of paying Qualified Project Costs and other costs that are the subject of a Written Requisition and approved in writing by the Bondholder Representative as herein provided, which Written Requisition shall include a certification of compliance with the 95% Requirement.

Before any payment shall be made from any account within the Project Fund, there shall be filed with the Trustee a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit B and approved in writing by the Bondholder Representative for

each such payment (upon which the Trustee may conclusively rely); provided that, notwithstanding the foregoing, the Trustee shall withdraw any amounts from the Capitalized Interest Account prior to Conversion upon direction of the Bondholder Representative without a Written Requisition.

Only the signature of an authorized officer of the Bondholder Representative shall be required on a Written Requisition during any period in which a default by the Borrower has occurred and is then continuing under the Loan (notice of which default has been given in writing by an authorized officer of the Bondholder Representative to the Trustee and the LACDA, and the Trustee shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default).

The Trustee may conclusively rely on all Written Requisitions, the execution of the Written Requisitions by the Authorized Borrower Representative and the approval of all Written Requisitions by the Bondholder Representative, as required by this Section, as conditions of payment from the Project Fund, which Written Requisitions constitute, as to the Trustee, irrevocable determinations that all conditions to payment of the specified amounts from the Project Fund have been satisfied. These documents shall be retained by the Trustee, subject at all reasonable times to examination by the Borrower, the LACDA, the Bondholder Representative and the agents and representatives thereof. The Trustee is not required to inspect the Project or the rehabilitation or construction work or to make any independent investigation with respect to the matters set forth in any Requisition or other statements, orders, certifications and approvals received by the Trustee. The Trustee is not required to obtain completion Bonds, lien releases or otherwise supervise the acquisition, rehabilitation, renovation, equipping, improvement and installation of the Project.

Moneys on deposit in the Capitalized Interest Account shall be transferred to the Bond Fund upon Written Direction by the Bondholder Representative to the Trustee and applied on each Bond Payment Date in an amount equal to the Loan Payments (excluding Third Party Fees) due on such date. Prior to the Conversion, the Bond Purchaser will advance proceeds of the purchase of the Bonds directly to the Bondholder Representative to be applied to the payment of interest due on the Bonds (and thereby have advanced an equal amount of the Loan), and incident to each such advance the Bondholder Representative shall provide written notice to the Trustee, the LACDA and the Borrower as to the amount so advanced and the Trustee shall be deemed to have received such amount for deposit into the Capitalized Interest Account and paid such amount to the Bondholder Representative on the applicable Bond Payment Date.

(b) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Bondholder Representative, the Trustee shall within three (3) Business Days make payment from the appropriate account within the Project Fund in accordance with such Written Requisition. The Trustee shall have no duty to determine whether any requested disbursement from the Project Fund complies with the terms, conditions and provisions of the Bond Documents, constitute payment of Qualified Project Costs or complies with the 95% requirement. The approval in writing of a Written Requisition by the Bondholder Representative shall be deemed a certification and, insofar as the Trustee is concerned, shall constitute conclusive evidence that all of the terms, conditions and

requirements of the Bond Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Trustee and the LACDA are concerned, constitute conclusive evidence that the costs described in the Written Requisition constitute Qualified Project Costs. Each Written Requisition shall include an exhibit that allocates the requested disbursement among the Bonds and the funds received by the Trustee from the Borrower.

The Trustee shall immediately notify the Borrower and the Bondholder Representative if there are not sufficient funds available to make the transfers as and when required by this subsection (b). Except as provided in the next sentence, all such payments shall be made by check or draft payable, or by wire transfer, either (i) directly to the person, firm or corporation to be paid, (ii) to the Borrower and such person, firm or corporation, or (iii) upon the Bondholder Representative's receipt of evidence that the Borrower has previously paid such amount and Written Direction to the Trustee as to such, to the Borrower. Upon the occurrence of an Event of Default of the Borrower of which the Trustee has knowledge as provided herein, which is continuing under the Bond Documents, with the Written Consent of the Bondholder Representative, the Trustee may apply amounts on deposit in the Project Fund to the payment of principal of and interest on the Bonds. If a Written Requisition signed by the Authorized Borrower Representative and countersigned by an authorized officer of the Bondholder Representative is received by the Trustee, the requested disbursement shall be paid by the Trustee as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Trustee. Upon final disbursement of all amounts on deposit in the Project Fund, the Trustee shall close the Project Fund.

(c) Immediately prior to any mandatory redemption of Bonds pursuant to Section 5.3 or 5.4, any amounts then remaining in the Project Fund attributable to the proceeds of the Bonds (as determined by the Written Requisitions from the Project Fund received by the Trustee from the Borrower and approved by the Bondholder Representative) shall, at the written direction of the Bondholder Representative, be transferred to the Bond Fund to be applied to the redemption of Bonds pursuant to Sections 5.3 or 5.4 or the purchase of Bonds in lieu of redemption pursuant to the provisions of Section 5.10 hereof.

Amounts on deposit in the Project Fund shall be invested as provided in Section 8.1. All Investment Income earned on amounts on deposit in each account of the Project Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Project Fund.

When the Project has been completed, the Borrower shall deliver a Certificate of Completion, which contains a certification regarding the "95% Requirement" referred to in subsection (a), to the Trustee, the LACDA and the Bondholder Representative (the "Certificate of Completion"). On the date that is six months after the date on which the Trustee shall have received the Certificate of Completion, the Trustee shall transfer the balance of any moneys remaining in the Project Fund attributable to the proceeds of the Bonds (as determined by the Written Requisitions from the Project Fund received by the Trustee from the Borrower and approved by the Bondholder Representative) in excess of the amount to be reserved for payment of unpaid Project costs to the Bond Fund and apply

such funds to the redemption of Bonds in accordance with Section 5.2. Upon making such transfer, the Project Fund shall be closed and no additional amounts may be drawn thereunder.

Section 2.10. Amendment to Section 9.6. Section 9.6 of the Original Indenture is amended and restated in its entirety to read as follows:

The LACDA covenants to and for the benefit of the Bondholders that, notwithstanding any other provisions of this Indenture or of any other instrument, it will:

- (a) Enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Regulatory Agreement within a reasonable period after any such violation is first discovered;
- (b) Not take or cause to be taken any other action or actions, or fail to take any action or actions, which would cause the interest payable on the Series F-1 Bond or the Series 2024 Bond to be includable in gross income for federal income tax purposes;
- (c) At all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the LACDA on the Series F-1 Bond and the Series 2024 Bond will be excluded from the gross income, for federal income tax purposes, of the Bondholders pursuant to Section 103 of the Code, except in the event where any such Owner of the Series F-1 Bond or the Series 2024 Bond is a “substantial user” of the facilities financed with the Bonds or a “related person” within the meaning of the Code;
- (d) Not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Series F-1 Bond or the Series 2024 Bond to be “Federally Guaranteed” within the meaning of Section 149(b) of the Code and the Regulations; and
- (e) Require the Borrower to agree, pursuant to the terms and provisions of the Loan Agreement, not to commit any act and not to make any use of the proceeds of the Series F-1 Bond or the Series 2024 Bond or any other moneys which may be deemed to be proceeds of the Bonds pursuant to the Code, which would cause the Series F-1 Bond or the Series 2024 Bond to be an “arbitrage bonds” within the meaning of Sections 103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Series F-1 Bond and the Series 2024 Bond.

In furtherance of the covenants in this Section 9.6, the LACDA and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Indenture and made a part of this Indenture as if set forth in this Indenture in full, and by its acceptance of this Indenture the Trustee acknowledges receipt of the Tax Certificate and acknowledges its incorporation in this Indenture by this reference. The Trustee agrees it will invest funds held under this Indenture in accordance with the terms of this Indenture and the Tax Certificate (this covenant shall extend throughout the term of the Series F-1 Bond and the Series 2024 Bond to all Funds and

Accounts created under this Indenture and all moneys on deposit to the credit of any Fund or Account); provided that the Trustee shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows directions of the Borrower or otherwise complies with the provisions of Article V of the Indenture. The Trustee further agrees to notify the Borrower of the Borrower's obligation under Section 4.20 of the Loan Agreement with respect to the calculation of rebatable arbitrage.

For purposes of this Section 9.6 the LACDA's compliance shall be based solely on matters within the LACDA's control and no acts, omissions or directions of the Borrower, the Trustee or any other Persons shall be attributed to the LACDA.

In complying with the foregoing covenants, the LACDA may rely from time to time on a Bond Counsel No Adverse Effect Opinion or other appropriate opinion of Bond Counsel.

Section 2.11. Amendment to Section 10.4. Section 10.4 of the Original Indenture is amended and restated in its entirety to read as follows:

(a) Upon the occurrence of an Event of Default, the Trustee may, subject to the provisions of this Section 10.4 and the last paragraph of Section 10.13, proceed to protect and enforce its rights and the rights of the Bondholders by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Indenture upon or remedy reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Bondholder Representative may proceed forthwith to protect and enforce its rights and the rights of the Bondholders, the Bonds and this Indenture by such suits, actions or proceedings as the Bondholder Representative, in its sole discretion, shall deem expedient.

(c) Notwithstanding anything to the contrary contained in this Indenture, the Trustee shall not exercise any of its rights or remedies under this Article X or otherwise hereunder or under any of the other Bond Documents as a result of the occurrence of an Event of Default hereunder unless and until instructed by Written Direction to do so by the Bondholder Representative. The Trustee shall in such event exercise such rights and remedies as so instructed by the Bondholder Representative (if it gave Written Direction to the Trustee pursuant to this Section 10.4(c)); provided, that before taking any action requested by the Bondholder Representative, the Trustee may require reasonably satisfactory security or an indemnity Bond reasonably satisfactory to it from the Bondholder Representative for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its own negligence or willful misconduct by reason of any such action so taken.

(d) Whether or not an Event of Default has occurred, any and all consents and approvals of the Trustee required under the Mortgage, the Bonds or any other Bond

Document shall be given only with the prior Written Consent of the Bondholder Representative, in its sole discretion.

(e) Whether or not an Event of Default has occurred, and except as provided in subsections 10.4(f) and (g), the Bondholder Representative, in its sole discretion, shall have the sole right to direct the Trustee to waive or forebear any term, condition, covenant or agreement of the Mortgage, the Loan Agreement, the Bonds or any other Bond Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the Series F-1 Bond or the Series 2024 Bond, and provided that the LACDA may enforce specific performance with respect to the Unassigned LACDA's Rights.

(f) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such Default remains uncured for a period of 60 days after the Borrower and the Bondholder Representative receive Written Notice from the Trustee or the LACDA stating that an Event of Default under the Regulatory Agreement has occurred and specifying the nature of the Event of Default, the Trustee shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder; provided, however, that any such forbearance by the Trustee in the exercise of its remedies under the Bond Documents shall not be construed as a waiver by the Trustee or the Bondholder Representative of any Conditions to Conversion.

(g) If the Borrower defaults in the performance of its obligations under the Loan Agreement to make rebate payments, to comply with continuing disclosure requirements or to make payments to the Trustee owed pursuant to Sections 2.6, 4.12 or 4.15 of the Loan Agreement for fees, expenses or indemnification, the Trustee shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 10.13); provided, however, that any such forbearance by the Trustee in the exercise of its remedies under the Bond Documents shall not be construed as a waiver by the Trustee or the Bondholder Representative of any conditions to Conversion nor a waiver of any of the Trustee's rights.

Section 2.12. Amendment to Section 13.2. Section 13.2 of the Original Indenture is amended and restated in its entirety to read as follows:

(a) The LACDA shall, at the Written Request of the Borrower, on any date provide for the payment of the Bonds of a Series by establishing an escrow (at the sole expense of the Borrower) for such purpose with the Trustee and depositing therein cash and/or Government Obligations that will provide funds sufficient to pay the principal, premium, if any, and interest on such Bonds at the Defeasance Rate which may apply to such Bonds as the same become due and payable until the maturity or redemption of such Bonds; provided, however, that

(i) Such Government Obligations must not be subject to redemption prior to their respective maturities at the option of the LACDA of such Government Obligations or Special Defeasance Obligations; and

(ii) If the Bonds of a Series are to be redeemed prior to their maturity, either (1) the Trustee shall receive evidence that irrevocable written notice of such redemption has been given in accordance with the provisions of this Indenture and such Bonds or (2) the LACDA shall confer on the Trustee irrevocable written authority for the giving of such notice on behalf of the LACDA;

(b) Except in the case of a gross-funded cash defeasance, prior to the establishment of such escrow, the Trustee must receive a report by an independent certified public accountant stating in effect that the principal and interest payments on the Government Obligations in such escrow, without reinvestment, together with the cash initially deposited therein, will be sufficient to make the required payments from such trust.

(c) Cash and/or Government Obligations deposited with the Trustee pursuant to this Section shall not be a part of the Trust Estate but shall constitute a separate, irrevocable trust fund for the benefit of the Bondholders to be paid from such fund. Such cash and the principal and interest payable on such Government Obligations shall be applied by the Trustee first to the payment of Bond principal, premium, if any, and interest on the applicable Series of Bonds and any other amounts due under this Indenture; any amounts not needed for such purpose shall be remitted to the Borrower.

(d) The obligations hereunder relating to paying agent, registrar and transfer agent functions and the provisions of Section 7.8 and Article XI shall survive defeasance.
