**Acceptance of Funds from the State of California for Community Services Unlimited and Butterfly's Haven**

On June 27, 2023, Governor Gavin Newsom signed the Fiscal Year 2023-2024 State Budget (Assembly Bill 179). The Budget allocates \$1.5 million to the Los Angeles County Development Authority to provide predevelopment State funds to the following projects: \$500,000 to Community Services Unlimited (CSU) for its Biddy Mason Project; and \$1,000,000 to Butterfly's Haven for its Treehouse Leimert Park (Treehouse) Project.

The Biddy Mason Project will be a 39,000-square-foot mixed-use affordable housing and retail development located at 6521 South Vermont Avenue in Los Angeles, which will help create financing opportunities that ensure access to affordable housing and business development spaces for historic residents of South Los Angeles. The State funds will be used for pre-development activities including architectural design and engineering, planning, legal and regulatory review, soil testing, and environmental assessment.

The Treehouse Project will be a 100,000-square-foot mixed-use development located at 4421-4437 South Crenshaw Boulevard in Los Angeles, and will feature 75,000-square-feet of residential space with 100 housing units. Approximately 51% of these units are rent-restricted, catering to a range of income levels from 30% to 80% of the Area Median Income and the diverse unit mix makes it accessible to various populations,
