

MOTION BY SUPERVISOR JANICE HAHN

**Extend the Reward Offer in the Murder of Eric Brown**

On Tuesday, May 9, 2023 at approximately 11:32 p.m., 12-year-old Eric Gregory Brown III was walking on the sidewalk with friends near the 2200 block of Lewis Avenue in Long Beach when he was approached by a vehicle containing at least two male suspects and shot multiple times. He was transported to local hospitals by Long Beach Fire Department personnel along with a 14-year-old female victim who was also shot. Tragically, Eric’s injuries were life-threatening, and he passed away. On June 6, 2023, the Board of Supervisors established a \$10,000 reward and approved an extension on August 8, 2023. The reward is set expire on February 29, 2024 and investigators believe it would be beneficial to extend the reward which may prompt reluctant witnesses to come forward and provide information to identify the individual(s) responsible for this crime.

**I, THEREFORE, MOVE** that the Board of Supervisors extend the offer of a reward in the amount of \$10,000 in exchange for information leading to the apprehension and conviction of the person(s) responsible for the death of 12-year-old Eric Gregory Brown III who was shot and killed on the 2200 block of Lewis Avenue in Long Beach on May 9, 2023 at approximately 11:32 p.m.
