Dear Supervisors:

**APPROVAL TO AMEND COUNTY CODE, TITLE 7 – BUSINESS LICENSES TO ADD DIVISION 3
SHORT-TERM RENTALS REGISTRATION, AND DIRECTIVE TO
THE DEPARTMENT OF REGIONAL PLANNING TO AMEND TITLE 22
AND LOCAL COASTAL PROGRAMS
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

The Treasurer and Tax Collector (TTC) is seeking Board approval to adopt an ordinance amending Los Angeles County Code (County Code) Title 7 - Business Licenses to add Division 3 - Short-Term Rentals Registration to regulate in the County Unincorporated areas, as directed by the Board of Supervisors (Board) on March 19, 2019, and February 13, 2024.

Upon approval of this ordinance, instruct the Director of Regional Planning to initiate amendments to County Code Title 22 - Planning and Zoning, any specific plans as needed, and the County's Local Coastal Programs.

IT IS RECOMMENDED THAT THE BOARD:

1. Introduce, waive reading, and place on the agenda for adoption the enclosed ordinance amending County Code Title 7 - Business Licenses by adding Division 3 - Short-Term Rentals Registration to allow for the regulation of such activity in the County Unincorporated areas.
2. Instruct the Director of Regional Planning to initiate amendments to County Code Title 22 - Planning and Zoning, any specific plans as needed, and the County's Local Coastal Programs, to ensure the applicability of the ordinance to the County Unincorporated areas and to strengthen the County's ability to enforce the ordinance.

3. Find the proposed actions are not a project under the California Environmental Quality Act (CEQA) pursuant to the State CEQA Guidelines, Section 15378.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On March 19, 2019, your Board approved a motion directing the Chief Executive Officer (CEO) in conjunction with County Counsel (Counsel), the Departments of Regional Planning (DRP), Public Health (DPH), TTC, and the Los Angeles County Development Authority (LACDA), to prepare a comprehensive package of County ordinances for regulating Short-Term Rentals in the County Unincorporated areas. The proposed Short-Term Rentals Registration Ordinance (ordinance) aims to strike a balance between the economic benefit to Hosts operating Short-Term Rentals with the preservation of long-term housing stock and the protection of quality of life in neighborhoods with Short-Term Rentals activity.

On February 13, 2024, your Board approved a motion directing Counsel to revise the proposed ordinance to allow a "Hosted Stay" to include activity whereby the Host remains in an Accessory Dwelling Unit located on the property, or in another separate structure located on the property, provided that there are only two residential units on the property, and they are detached. Your Board also directed Counsel to revise the ordinance to require a Host to obtain the written consent from all easement holders when there is a shared parking easement and to make any necessary revisions to effectuate the Board's motion.

Title 7 of the County Code governs the administration of the Business License Program, and the TTC oversees its administration. Title 7 is comprised of two Divisions: Division 1 contains the general administrative framework, including application requirements, processing information, enforcement provisions, and a schedule of fees; Division 2 sets forth the specific business licensing requirements and prerequisites for the approximate 110 business activities the TTC licenses. The proposed ordinance will create a regulatory framework for Short-Term Rentals of Host primary residences for 30 consecutive calendar days or less.

Pursuant to the Board's motion, the regulatory framework of the ordinance requires annual registration and notice to neighbors; limits the number of days in a calendar year the Host's primary residence can be rented without the Host residing on the property "Un-Hosted Stays;" limits the number of guests allowed per booking; and includes code enforcement, an appeals process, and ordinance violation penalties and fees. The ordinance also affirms the existing Title 4 of the County Code requirement that Hosts collect and remit the Transient Occupancy Tax (TOT). As previously reported to the Board, the ordinance does not include the use of Voluntary Tax Collection Agreements (VCAs) with online host platform companies. Accordingly, the ordinance affirms the TTC will continue collecting the TOT from Short-Term Rentals registrants. (On June 19, 2019, the CEO provided your Board with the first required report back. Pursuant to the motion, the initial report back advised that the feasibility of using VCAs with online host platform companies for the collection of the TOT would be examined. The examination found that while VCAs facilitate municipal TOT collection through online host platforms, remittance is done in aggregate amounts without a breakdown of individual Host amounts or records. Aggregate remittance of the TOT by online host platforms would hinder the County's ability to audit and enforce TOT collection. Accordingly, TTC will continue collecting the TOT from Short-Term Rentals registrants pursuant to current authority found in Title 4 of the County Code.)

Public Outreach

Pursuant to the Board's motion, the TTC, Counsel, DRP, and CEO (Short-Term Rentals workgroup) convened community webinars to present the proposed ordinance requirements. Since August 2020, the Short-Term Rentals workgroup held 31 outreach events (both virtual and in-person). Approximately 1,500 community members attended these events. Most of the outreach events (25 out of 31) took place between May and November 2023. Attendees included property owners and representatives from neighborhood town councils in the County Unincorporated areas. Multiple language translations were made available during the virtual community forums.

The TTC publicized the events via social media by sending an email announcement to approximately 500 recipients (including town councils and associations), posting outreach information on departmental websites, and enlisting assistance from the various supervisorial district offices to help distribute event flyers. The TTC sent letters in multiple languages to an estimated 1,500 Short-Term Rental operators located in the Unincorporated areas notifying them of the proposed ordinance and existing TOT collection and remittance requirements pursuant to Title 4 of the County Code.

The public provided feedback on various aspects of current County Code as well as the proposed ordinance, including: the current prohibition of using Accessory Dwelling Units (ADUs) for Short-Term Rentals, the proposed prohibition of non-primary residence vacation rentals for Short-Term Rentals, the proposed complaint and enforcement process, handling of public nuisances and parties, differences between Hosted and Un-hosted stays, ordinance timeline for the County's coastal zones, the proposed fee amount, and applicability of TOT.

Implementation of Strategic Plan Goals

The recommended action supports the County Strategic Plan Strategy III.3 - Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability.

FISCAL IMPACT/FINANCING

The Auditor-Controller reviewed and approved the proposed Short-Term Rentals annual registration fee of \$914. The registration fee is based on full cost recovery and includes administration and enforcement of the program, salaries, employee benefits, indirect costs, and services and supplies. The TTC will work with the CEO to determine the appropriate staffing levels as part of the annual budget process.

Prior to collection of Short-Term Rentals registration revenue, other funding source(s) would be necessary to fund the new program's start-up phase. Funds will be available on a one-time basis, upon Board adoption of the ordinance and adoption of the FY 2023-24 Final Adopted budget, including \$1.081 million in Provisional Financing Uses, for services and supplies, and a new online registration and TOT collection system through a third-party contractor. An additional \$1.7 million is set aside in the Consumer Protection Settlement Fund for year two of the program.

As instructed by your Board on February 13, 2024, the TTC explored options available for subsidizing the initial registration fee for low-income individuals during the first year. After consulting with CEO, the TTC intends to waive the registration fee in the first year of the ordinance's implementation for low-income individuals, based on the U.S Department of Housing and Urban Development's (HUD's) low income levels for Los Angeles County, which is evaluated annually. Other County departments utilize HUD's criteria to assess eligibility for their programs based on low-income levels, including the LACDA and Department of Consumer and Business Affairs. Currently,

HUD's low-income level is \$70,600 for an individual and \$100,900 for a household of four. The TTC will adjust its evaluation criteria to reflect updated income levels as they are revised.

To efficiently effectuate your Board's consideration of subsidizing this fee, the proposed ordinance includes authority allowing, but not requiring, the TTC to subsidize the registration fee during the first year of this ordinance's implementation for low-income individuals/households meeting the criteria as established by the HUD for Los Angeles County.

All ongoing program costs are to be fully funded with registration fee revenue once the fee assessment goes into full effect.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Counsel has reviewed and approved the ordinance as to form, and it is recommended that your Board approve the proposed ordinance to amend Title 7 by adding a new Division 3 for the regulation of Short-Term Rentals in the County Unincorporated areas. The ordinance has the complete list of requirements for the proposed ordinance. The ordinance amends the County Code to add the following specific requirements:

- Limit Short-Term Rentals to primary residences only.
- Limit all Short-Term Rentals to 30 consecutive calendar days or less, with a minimum one-night booking for Hosted stays or a two-night minimum for Un-hosted bookings. ("Un-hosted" generally means the Host is not residing on the property during the guests stay).
- Limit Un-hosted stays to a maximum 90 calendar nights per year.
- Prohibit the use of ADUs as Short-Term Rentals, consistent with the County's ADU Ordinance adopted April 30, 2019, to preserve ADUs for long-term rental occupancy.
- Prohibit vacation rentals and other accessory units (guesthouses, recreation rooms, tents, etc.) for Short-Term Rentals use.
- Prohibit rent-restricted housing (i.e. designated affordable and Section 8 housing) for Short-Term Rentals use.
- Prohibit Short-Term Rentals for commercial events and "party house" rentals.
- Restrict guest occupancy to two guests per bedroom, plus two, with a maximum occupancy of 12 guests.

In connection with Division 3 - Short-Term Rentals Registration, it is requested that upon adoption, your Board direct DRP to make amendments to County Code Title 22 - Planning and Zoning as needed to authorize Short-Term Rentals as a permitted accessory land use and incorporate certain regulatory provisions from the ordinance. This will enable DRP to assist the TTC with enforcement by allowing Regional Planning Zoning Enforcement to issue notices of violation under those provisions incorporated into Title 22. The Title 22 amendments must first be approved by the County Regional Planning Commission, before returning to your Board for final approval.

In addition, it is requested that your Board direct DRP to amend the County's Local Coastal Plans (LCPs) for the Santa Monica Mountains, Marina del Rey, and Santa Catalina Island to incorporate the ordinance for application in the County's Coastal Zones. Because the County's Coastal Zones are under the jurisdiction of the California Coastal Commission, the LCP amendments must be reviewed and certified by the Coastal Commission before Short-Term Rentals can be regulated in the Unincorporated Coastal Zones pursuant to the ordinance. Certification by the Coastal Commission is anticipated to take, at a minimum, one to two years.

ENVIRONMENTAL DOCUMENTATION

The proposed actions are not a project pursuant to the CEQA because they are activities that are excluded from the definition of a project by Section 15378 (b) of the State CEQA Guidelines. The proposed actions will create a government regulatory mechanism that does not involve any commitment to a specific project, which may result in a potentially significant physical impact on the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommendation to amend Title 7 by adding Division 3 - Short-Term Rentals Registration will allow the County to regulate Short-Term Rentals in the County Unincorporated areas.

The proliferation of unregulated Short-Term Rentals has the potential to erode available housing stock, degrade community and residential character, and circumvent the legally-authorized collection of the County's Transient Occupancy Tax, which includes all forms of transient housing and hoteling, including, but not limited to, Short-Term Rentals, for stays of thirty (30) consecutive Days or less. It is a priority for the County to strike a balance between the economic benefits of Short-Term Rentals and the potential impacts to neighborhoods and quality of life for residents. This ordinance establishes registration requirements, regulations, and fees for Short-Term Rentals in the Unincorporated areas of the County.

O. Amounts owed under the County Code and this Chapter which are not paid when due will constitute a debt to the County that may be collected in compliance with Section 2.52.040 of the County Code through a civil action, a lien against any property owned or operated by the debtor, or any other legal remedy. Successors to a Short-Term Rentals activity assessed a penalty or fine will be liable for unpaid fees and penalties if the successors had notice of the assessed penalty and amount due.

However, the Tax Collector in their discretion may forward a notice of appeal to the Hearing Officer if the notice is received later than ten (10) Days after the date of a notice.

2. 2. The decision rendered following an appeal hearing is the final decision of the County.

D. At any time prior to a final decision by the Tax Collector or the close of an appeal hearing by the Hearing Officer, a notice of noncompliance or notice of continuing violation may be amended or supplemented by the Tax Collector, their designee, or any other County department to add new violations.
