Re: Support for Supervisor Barger's Motion - Item #34, Board Meeting on April 9, 2024

Dear Board of Supervisors for Los Angeles County,

I write to you in support of Supervisor Barger's motion, which appears as Agenda Item #34 — Streamlining Assessment Appeals and Property Tax Corrections — for the Board of Supervisors meeting on April 9, 2024.

Ryan is a global tax and technology firm that offers an integrated suite of international, federal state and local tax services. As such, we have a keen interest in collaborating with government at all levels, sharing the goal of efficient and effective tax administration.

Ryan is North America's largest property tax provider assisting hundreds of clients with their property tax compliance in Los Angeles County. For the last two years, with the Los Angeles Chamber of Commerce as the lead, we have participated in the Property Tax Modernization Working Group. The Working Group focuses on identifying taxpayers' challenges and works collaboratively toward solutions with the County Assessor, County Auditor-Controller (A-C), County Treasurer-Tax Collector (TTC), and the Assessment Appeals Board (AAB). We have worked diligently to open the lines of communication, not only the Assessor's Office, but also with the A-C, TTC and AAB Executive Office. The recurring meetings have been productive and have resulted in some improvements to the assessment appeals process. Like any major process review, there continues many issues to address. The results from Supervisor Barger's motion will drive significant progress forward.

Ryan respectfully requests the Board of Supervisors approve Supervisor Barger's motion at the Board meeting on April 9, 2024.

Sincerely,

Gina M. Rodriguez
