The funds will be used for the purpose of training Los Angeles County medical examiner investigators who investigate violent deaths and gather information on decedents on how best to collect information on SOGI status and submit data to CalVDRS. Data related to this testing will be shared with CDPH/IVPB to develop data-driven violence prevention and intervention efforts to reduce the number of preventable deaths among the LGBTQ population.

The funds received from the CDPH/IVPB will help to develop data-driven violence prevention and intervention efforts to reduce the number of preventable deaths among the LGBTQ population.

The DME also plans to utilize grant funding for data collection and evaluation training of investigators to assist the CDPH/IVPB with establishing a SOGI Data Collection Pilot Program.

These actions will improve the DME's ability to obtain and share quality, timely data related to SOGI status of decedents of violent deaths with CDPH/IVPB.

Approval of Recommendation #3 will allow DME to apply for, accept, and implement future Grant awards and/or amendments that are consistent with the requirements of the CDPH/IVPB program.

This authority is being requested to enhance DME's efforts to expeditiously maximize contract-related grant revenue, consistent with Board Policy 4.070: Full Utilization of Grant Funds.

FISCAL IMPACT/FINANCING

Board approval will facilitate sufficient funding in the DME's Services & Supplies appropriation in FY 2023-24 in the amount of \$35,333.33 and in FY 2024-25 in the amount of \$35,333.33 for a total of \$70,666.66 for various trainings on data collection and evaluation, to be used starting July 1, 2023, through the conclusion of the performance period on June 30, 2025. Any additional costs resulting from higher than estimated actual costs will be paid through the DME's operating budget in FY 2023-24 and FY 2024-25. No impact to Net County Cost is anticipated.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

CDPH/IVPB contacted DME about entering into a contract to obtain these funds. The performance period is July 1, 2023, through June 30, 2025, but commences upon execution of the agreement. As a condition for being granted funding, the DME is required to adhere to specific guidelines for the management and administration of this contract.
