Favor	Monisha Parker	<p>Dear Supervisor Horvath,</p> <p>I am writing this letter to express my sincere appreciation for your decision to reduce the Will Rogers Beach Earth Day Cleanup 2024 Fee Waiver. Your efforts in making this decision have not gone unnoticed and I am grateful for your commitment towards promoting environmental sustainability.</p> <p>.The Earth Day Cleanup event is an important initiative to raise awareness and take action towards preserving our natural resources. However, the high fee waiver for the event has been a barrier for many individuals and organizations to participate in the cleanup.</p> <p>Your decision to reduce the fee waiver has made it possible for more people to participate in the event and make a positive impact on our environment. This not only benefits our community but also sets an example for other cities to follow in promoting environmental responsibility.</p> <p>I would also like to commend your efforts in promoting sustainable practices and initiatives in our city. Your dedication towards creating a cleaner and greener environment is truly inspiring. I am confident that with your leadership, we can achieve a more sustainable future for our community.</p> <p>Once again, thank you for your decision to reduce the Will Rogers Beach Earth Day Cleanup 2024 Fee Waiver. Your actions have made a significant difference and I am grateful for your commitment towards promoting environmental consciousness.</p> <p>Sincerely, Monisha Parker</p>
