SOLIS,</p> <p>I wanted to take a moment to express my sincere appreciation for the recent decision to reduce the fee waiver on The Music Center's Very Special program. This is a significant accomplishment and one that will have a positive impact on the community.</p> <p>The Music Center's Very Special program is a shining example of this dedication, providing a safe and nurturing environment for our youth to explore and develop their artistic talents.</p> <p>The decision to reduce the fee waiver on this program is not only a financial victory, but also a testament to the value that our community places on the arts and our youth. By making this program more accessible to families of all economic backgrounds, we are ensuring that all children have the opportunity to discover and express their creativity.</p> <p>I am confident that this decision will have a lasting and positive impact on our community. The Music Center's Very Special program has already touched the lives of so many young individuals, and with the reduced fee waiver, even more children will now have the chance to benefit from this incredible program.</p> <p>Thank you once again for your hard work and commitment to making our community a better place. Your efforts are truly appreciated and will have a lasting and meaningful impact on the lives of our youth.</p> <p>Sincerely, Monisha Parker</p>
