32.		Oppose	Monisha Parker	<p>There are several ways to reduce the cost of mobile spay and neuter and vaccination services contract amendments:</p> <ol style="list-style-type: none">1. Negotiate with the service provider: Try to negotiate lower prices or discounts with the service provider for the amendments to the contract.2. Reduce unnecessary services: Review the contract and identify any services that may not be necessary or could be consolidated to reduce costs.3. Seek alternative providers: Get quotes from other service providers to see if there are more affordable options available.4. Limit the scope of services: Consider limiting the scope of services in the contract to only include essential services, which can help reduce costs.5. Consider a multi-year contract: Negotiate a multi-year contract with the service provider to lock in lower rates over a longer period of time.6. Utilize grant funding or partnerships: Look for grant funding opportunities or partnerships with local organizations to help offset the cost of the contract amendments. <p>By implementing these strategies, you can work towards reducing the cost of mobile spay and neuter and vaccination services contract amendments.</p>
