Agenda #	Relate To	Position	Name	Comments
78.		Favor	Bowen Cheng	
			DeLlora Ellis-Gant	The Los Angeles County African American Employees Association (LACAAEA) respectfully submits a comment in favor of the proposed recommendation to support.
		Oppose	Dave Johnson	Get ready for the mass exodus of employees. Michael Owh is all about Michael Owh. You will see that the eprocurement solicitation will go to a familiar company, lvalua and that Michael Owh developed and tampered with the process along the way.
			Javier Lopez	During Michael Owh's tenure as Chief Deputy, he has hired his friends as his replacement for general manager and another as section manager by interfering with the exams process. It is known that when he takes personal interest into a process, he's trying to rig it for a friend. Also, he has left HR and Finance in shambles and has ISD working on a skeleton crew with a blatant lack of hiring. If there are any hirings, they are temporary positions that are funded for only a year.
