9.		Favor	Kristen M Joseph	Can the board provide the public with information as to what proclaiming a day does? Is there any benefit to the people? If so, what? Will you provide thr people with education on therapy dogs? Such as my son who was seized from his mother and home 3.5 years ago and his service dog he had since 9 months old. The therapy dog written into his federally protected iep. Could you alert Brandon Nichols today when you all meet? Thst his agency is violating ada protections? How important can a therapy dog be if you separate a 9 yr old from his 8 yrs of therapy dog? I'd like to know if this proclamation would mean you would step in and ensure my son has his dog? The dog literally prescribed to him with a written prescription S
