1.		<b>Oppose</b>	Monisha Parker	<p>Dear Board of Supervisors,</p> <p>I am writing to express my concerns about the current approach to preventing substance abuse in Los Angeles County. I feel that the presentation scheduled for April 30, 2024, will only serve to waste your valuable time, as it does not offer any real solutions to this pressing issue.</p> <p>As a concerned citizen, I urge you to consider the urgent need for more substance abuse treatment centers in our county. The lack of accessible and affordable treatment options is a major barrier for individuals seeking help for their addiction. Without adequate support and resources, many individuals are left to battle their addiction alone, leading to devastating consequences for themselves and our community as a whole.</p> <p>I believe that opening more substance abuse treatment centers in Los Angeles County is crucial in combating the growing epidemic of addiction. By providing individuals with the support and resources they need to overcome their addiction, we can help them lead healthier, more fulfilling lives and reduce the burden on our already strained healthcare system.</p> <p>I urge you to prioritize this issue and take immediate action to address the shortage of substance abuse treatment centers in our county. Together, we can make a real difference in the lives of those struggling with addiction and create a safer, healthier community for all.</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely, Monisha Parker</p>
