ATTACHMENT "A"

TEXT OF CHARTER AMENDMENT/MEASURE " _____ "

1. **Title.** This Act shall be known as the "Pomona Kids First Initiative: The Pomona Fund for Children and Youth Act."
2. **Findings and Statement of Purpose.** The people of the City of Pomona hereby make the following findings and declare their purpose in enacting the Act:
 - a. Children, youth, and young adults under the age of 18 comprise approximately 24% of the City of Pomona's overall population. 16.4% of Pomona's population lives in poverty. Young people in Pomona experience extremely high rates of violence, stress, trauma, and poor health and social outcomes, including harm and death due to violence, poverty, unintended pregnancy, harmful substance use, contact with child welfare, law enforcement and the criminal legal system, suspension, expulsion, and school dropout. Disconnected transitional aged youth, and youth between the ages of 18 and 24 leaving foster care, are especially at risk; they are more likely to experience hardships such as homelessness, joblessness, early parenthood, and substance use.
 - b. Within Pomona Unified School District (PUSD), 90% of students are low-income, 13% of students have a disability, 27% of students are English-learners, 1% of students are foster youth, and 15% of students are unhoused youth. Within PUSD for the 2021-2022 school year, most grade levels are not on track and students are not reading at their grade level, according to Lexile literacy standards. Additionally, only 19% of English-learner students reclassified.
 - c. The total unemployment rate in Pomona is 5.6%, which is nearly double the current national unemployment rate. Youth of color and low-income youth are disproportionately affected by high unemployment and poor education.
 - d. The available recreational space in Pomona is 1.49 acres per 1,000 residents which is 6.61 acres less than the average for Los Angeles County and 51.83 acres less than the best performing city or community in Los Angeles County. According to a community survey conducted by the Chair of the Pomona Youth Commission, 41% of Pomona community residents report that they do not feel safe at parks, 53% believe that parks are not well maintained and do not have any resources to offer them, 62% feel neglected by the city, and 92% think that the city should take action to improve the parks.
 - e. According to the Pomona Students Union's 2020 COVID-19 Community Mental Health Participatory Action Research Project, only 41% of Pomona Youth surveyed are aware of school mental health services. Further, only 24% of those surveyed would feel comfortable accessing school-based mental health services.
 - f. Many of the problems and disparities facing youth in Pomona are a direct result of systemic racism in which discriminatory policies and institutional practices have created

deep inequities across social and economic sectors, systematically disadvantaging Black people, Indigenous people, and people of color. The COVID-19 pandemic has exposed and perpetuated these inequities.

- g. Black, Latinx, and Native American adults have experienced the highest rates of illness and death from COVID-19, negative financial impacts, and poor mental health outcomes, all of which may continue to have long-term adverse mental and physical health effects on children from these communities. The COVID-19 pandemic has also deepened disparities in educational opportunity and achievement, disproportionately impacting students of color, English-learners, students with disabilities and special needs, and Lesbian, Gay, Bisexual, Transgender, Queer and all other young people of marginalized sexualities and genders (LGBTQIA+).
- h. This Act is an attempt to combat the continuing legacy of systemic racism and the damaging effects of the pandemic by establishing a sustainable funding stream that will address the structural and environmental conditions that drive harmful behavior in children, youth and families; strengthen the diverse assets and resilience of children, youth and families; build alternatives to trauma, violence, despair and victimization; supplement rather than supplant existing funding or programs; and form coalitions among public agencies and community non-profit organizations dedicated to supporting children and youth.

3. A new Article XVIII titled "Pomona Fund for Children and Youth" is hereby added to the Pomona City Charter, as follows:

“ARTICLE XVIII – POMONA FUND FOR CHILDREN AND YOUTH.

- i. The Children and Youth Fund shall be maintained separate and apart from all other City funds and shall be appropriated annually at the time of the City's budget adoption, and by supplemental appropriation, when necessary as determined by the City Council.
- j. The annual amount of actual unrestricted general purpose revenues shall be calculated by the City Manager and shall fully include all of the following sources of revenue received by the City: (1) Property Taxes, (2) General Sales and Use Taxes, (3) Utility Users Tax, (4) Property Transfer Tax, (5) Transient Occupancy Tax, (6) Fines, forfeitures and penalties, (7) Interest from general fund reserves, and (8) other revenues that the City can use for any lawful, municipal purpose. The City shall not define which revenues are to be considered unrestricted general purpose revenues in a manner inconsistent with the provisions of this section. Errors in calculation for a fiscal year shall be corrected by an adjustment in the set aside for the next fiscal year.

- k. Before the end of the initial ten-year period, the Children and Youth Fund's effectiveness shall be evaluated and the funding and terms of the Children and Youth Fund shall be presented to the voters for renewal or revision, unless renewed by the City Council.

The Department of Children and Youth shall work with the Accountability Board to complete the Strategic Investment Plan and conduct a community needs assessment.

- a. During every third fiscal year beginning with Fiscal Year 2025-2026, the Department of Children and Youth (DCY) and the Youth Commission shall conduct and co-lead a

Community Needs Assessment (CNA) to identify services to receive monies from the Children and Youth Fund. The CNA should include qualitative and quantitative data sets collected through interviews, focus groups, surveys, or other outreach mechanisms to determine service gaps in programming for children, youth, and families. Subject to the budgetary and fiscal provisions of the Charter, the DCY may contract with consultants and outside experts for such services as the department may require to prepare the CNA. The DCY shall undertake a robust community process in every council district, soliciting input from a diverse cross-section of parents, youth, non-profit organizations, and other key stakeholders to develop the CNA.

- i. The CNA shall include an equity analysis of services and resources for parents, children, and youth. The DCY shall develop a set of equity metrics to be used to establish a baseline of existing services and resources in low-income neighborhoods and disadvantaged communities, compared to services and resources available in the City as a whole. The outreach for the CNA shall create opportunities for parents, youth, nonprofit agencies, and other members of the public to provide input. By September 1, the DCY shall provide its plan for conducting the CNA to the Accountability Board and Youth Commission. The plan shall be a public document.
 - ii. By March 1, DCY shall complete a draft CNA and provide this draft to the Accountability Board for review.
 - iii. By April 1, DCY shall submit a final version of the CNA to the Accountability Board. The final version may incorporate any comments or suggestions made by the public or by the agencies that received copies of the draft CNA.
 - iv. By May 1, the Accountability Board shall provide input on, approve or disapprove the CNA. If the Accountability Board disapproves the report, DCY may modify and resubmit the report, provided, however, that the City may not expend monies from the Children and Youth Fund until the City Council has approved the CNA.
- b. The community needs assessment shall consist of an annual hearing that is co-led with the youth commission and involves community-based organizations and community members to gather input on the service needs of various populations and review funding priorities.
 - c. Each new funding cycle (every three years), and beginning with Fiscal Year 2025-2026, the CNA shall be followed by a participatory budgeting process. This process shall include a series of budget meetings to provide the opportunity for community members, experts, and volunteers to collectively brainstorm funding ideas and develop project proposals for the three-year funding period. A diligent community outreach shall be executed to ensure community members, experts, and volunteers accurately represent the City's demographic. After four weeks of collaboration, volunteers shall share the top projects/funding priorities at 2 final community hearings, one in-person and one virtual

hearing, where the community shall vote on their preferred proposal that will be recommended to The Department of Children and Youth and the Accountability Board. Both the in-person and virtual community hearing must have translators available and release the hearing agenda 72 hours in advance. The virtual community hearing must have an option to submit electronic votes for the community to share their preferred proposal. This process shall repeat for the next funding cycle.

- d. The funding priorities in the Strategic Investment Plan shall be based on the community needs assessment and take into consideration the project/projects with the most votes from the final community hearing.
- e. The initial Strategic Investment Plan shall be approved by a majority of the Accountability Board and presented to the City Council for its review and approval by September 30, 2025. The Strategic Investment Plan shall take effect no later than June 1, 2026.

Funds shall be allocated through an open and fair application process administered by the Department of Children and Youth in the City Manager's office in compliance with the policies adopted by the Accountability Board. The first application process shall begin no later than February 1, 2026 with funding available for encumbrance no later than July 1, 2026.
- c. Recommendations for a list of grants to be awarded shall be made by the Accountability Board to the City Council. The City Council shall review and consider the recommendations of the Accountability Board. The City Council may reject the recommendations only if it determines that one or more recommendations are inconsistent with this Article or the priorities identified in the Strategic Investment Plan. The City Council shall accept or reject the Accountability Board's recommendations in their entirety and may not partially accept or partially reject the recommendations.
- d. In the event the City Council rejects the list of grants proposed by the Accountability Board, it shall set forth its rationale for such rejection and recommend revisions to the Accountability Board for its consideration and action.
- e. The City Council shall review and consider the amended recommendations of the Accountability Board, provide final approval of the list of grants to be awarded, and appropriate all necessary monies from the Children and Youth Fund. All grants and

appropriations shall be consistent with the provisions of this Article and the Strategic Investment Plan. Any recommendations that have been denied can be amended and brought back to the City Council for a second look.

Commencing with fiscal year 2025-26, if a moderate fiscal emergency, as defined in this section, or a severe fiscal emergency, as defined in this section, is deemed to exist by the City Council, the portion of the City's annual actual unrestricted general purpose revenues to be allocated to the Children and Youth Fund shall be reduced as provided in this section. The City Council may deem a moderate fiscal emergency to exist in the event that the City's annual actual unrestricted general purpose revenues for a given fiscal year decrease by greater than ten percent (10%) but less than twenty percent (20%) from the level of such revenues during the previous fiscal year (defined as the "Benchmark Year"), and it may deem the moderate fiscal emergency to continue until the City's annual actual unrestricted general purpose revenues are no longer ten percent (10%) less than the level of such revenues during the Benchmark Year. The City Council may deem a severe fiscal emergency to exist in the event that the City's annual actual unrestricted general purpose revenues for a given fiscal year decrease by twenty percent (20%) or more from the level of such revenues during the Benchmark Year, and it may deem the severe fiscal emergency to continue until the City's annual actual unrestricted general purpose revenues are no longer twenty percent (20%) less than the level of such revenues during the Benchmark Year. If the City Council deems a severe fiscal emergency to exist for a fiscal year, the amount required to be allocated to the Children and Youth Fund shall be reduced by 20%. If the City Council deems a moderate fiscal emergency to exist for a fiscal year, the amount required to be allocated to the Children and Youth Fund shall be reduced by 10%. Allocations to the Children and Youth Fund shall return to the level required in Section 1802 for the first fiscal year in which a fiscal emergency no longer exists. There shall be no reductions in the allocation to the Children and Youth Fund pursuant to this Section 1812 prior to fiscal year 2025-2026.

Section 1813. Reauthorization. The provisions of this Article may be extended without amendments for additional ten-year terms by a simple majority vote of the City Council. If the City Council does not act to extend the provisions of this Article before June 30, 2028, the City Council shall be obligated to place a measure on the November 2028 election ballot seeking voter approval of whether to extend the term for an additional ten years. This process shall be repeated every ten years, or until reauthorization is rejected by a vote of the electorate.

Section 1814. Year of Election Adjustment. In the event this Act is approved by the voters in 2025 or later, the timing of the funding of the Children and Youth Fund, and any other references to specific years, shall be adjusted accordingly.”

4. Enabling Legislation. The City Council may pass enabling legislation consistent with this Article regarding any aspect of the fund implementation not addressed in this Act, including reporting requirements. The City Council shall adopt such legislation to be effective by October 1, 2025, and shall amend such legislation as necessary in the future.

- 5. Severability.** If any provision or part of this Act, or the application of any provision or part to any person or circumstance, is for any reason held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions and parts and their applications shall not be affected, but shall remain in full force and effect, and to this end the provisions and parts of this Act are severable. The People declare that they would have adopted this Act and each provision and part thereof irrespective of the fact that any one or more provision or part may be declared invalid.
- 6. Interpretation.** This Act shall be liberally interpreted to affect its purposes. Nothing in this Act shall be interpreted or applied so as to create any requirement, power or duty in conflict with any State or federal law.
- 7. Amendment or Repeal.** This Act may only be amended or repealed by the affirmative vote of a majority of voters voting in a citywide election.
- 8. Judicial Enforcement.** Any aggrieved person or registered voter in the City of Pomona shall have the right to maintain an action for equitable relief to restrain any violation of this Act, or to enforce the duties imposed on the City by this Act.
- 9. Legal Defense.** The People of the City of Pomona desire that this Act, if approved by the voters, and thereafter challenged in court, be defended by the City of Pomona. The People of the City of Pomona, by enacting this Act, hereby declare that the proponents of this Act have a direct and personal stake in defending this Act from constitutional or statutory challenges to the Act's validity.
