7.		Oppose	Monisha Parker	<p>Dear Board of Supervisors,</p> <p>I am writing to express my strong opposition to the recent proposal to increase the fee for the Junior Lifeguard Program by \$58.00. As a resident of our community, I believe that this increase is not reasonable and may prevent many families from being able to afford this valuable program for their children.</p> <p>I understand the need for the program to cover its costs, but I believe that a more modest increase would be more appropriate. I suggest that the fee be increased to \$40 to \$45 dollars, which I believe would still be fair and reasonable for residents.</p> <p>The Junior Lifeguard Program provides important skills and training for our youth, and I believe it is essential that it remains accessible to all families in our community. I urge the Board of Supervisors to reconsider the proposed fee increase and find a more equitable solution.</p> <p>Thank you for considering my feedback on this important issue.</p> <p>Sincerely, Monisha Parker</p>
