8.		<b>Favor</b>	Ana-Alicia Carr Honorable members of the board, Ana-Alicia Carr, Director of Policy and Coalitions with the Los Angeles Food Policy Council, a collective impact organization working to ensure food is healthy, affordable, sustainable and fair for all. We are writing in support of agenda item 8 to establish an microenterprise home kitchen operation program with Los Angeles County. Economic resilience is a crucial pillar of our food system and supporting microentrepreneurs through this program formalizes their contributions to vast the culinary experiences and food business within our county.

		Valeria Velazquez I enthusiastically encourage the BOS to approve the Microenterprise Home Kitchen Operations Program. As an advocate for micro and small food businesses, and a former food entrepreneur, I strongly believe that the MEHKO program will be a vital pathway to entrepreneurship for chefs that are challenged by the ongoing affordability crisis that makes many commercial kitchen spaces inaccessible and prohibitive. Please vote in support of the MEHKO program.
