

MOTION BY SUPERVISOR LINDSEY P. HORVATH

May 7, 2024

Proclaiming May 9, 2024, as European Union American Friendship Day in Los Angeles County

European Union American Friendship Day, also known as Europe Day, is celebrated every year on May 9th, commemorating the anniversary of the 1950 Schuman Declaration – the first step toward the creation of what is now the European Union of 27 European Countries. This date is also celebrated in the United States which has supported the process of European integration since 1953 when our country first established diplomatic relations with the European Union in its original form.

The Consulates General of the member States of the European Union (EU) in Los Angeles County serve as a vital bridge between the EU and the US helping to foster cultural, commercial, and people to people connections between our two regions. For these reasons its appropriate to proclaim May 9, 2024, as Europe Day in Los Angeles County to acknowledge the positive contributions to our region from the links to the European Union and form the many Europeans who now call Los Angeles home.

I, THEREFORE, MOVE that the Board of Supervisors:

Proclaim May 9, 2024, as European Union American Friendship Day in the County of Los Angeles, honoring Europe Day, and encourage residents and community members
