New Economics for Women – Legacy of Family Awards

New Economics for Women (NEW) is a California-based nonprofit founded in 1985. NEW’s mission is to build economic mobility, particularly for Latinas and their families. On May 23, 2024, NEW will pay tribute to the mothers whose personal example and sacrifice inspired their children to see a future greater than theirs and through their children’s service, have made immeasurable contributions. The mothers being recognized this year are those of Miguel Santana, President & CEO, California Community Foundation, Kellie Hawkins, Partner, Englander Knabe & Allen, Mario Ceballos, Community Health Manager, Kaiser Permanente, and Lisa Lopez Trifiletti, Principal, Trifiletti Consulting. Funds from this event will help support participants of La Posada, NEW’s two-year program targeting young mothers and designed to eliminate the cycle of poverty by providing economic self-sufficiency and stability, financial tools, parenting skills, and personal growth.

I, THEREFORE, MOVE that the Board of Supervisors waive the parking fees for 125 vehicles in the amount of \$2,500, excluding the cost of liability insurance, to park at Lot 14 parking garage on Thursday, May 23, 2024, from 4 pm to 7 pm for New Economics for Women’s Legacy of Family Awards.
