		Oppose	Monisha Parker Vv Citizen	Dear Supervisor Solis, I hope this letter finds you well. I am writing to discuss a proposal to reduce the parking fee waiver for the upcoming New Economics for Women - Legacy of Family Awards event. Currently, the parking fee waiver is set at \$20 per car, but I believe we can reduce this to \$10 per car in order to help cut costs and make the event more financially sustainable. Additionally, I would also like to suggest reducing the number of vehicles allowed for the event. By implementing a carpooling system or providing alternative transportation options, we can help reduce the environmental impact of the event and alleviate congestion in the parking lot. I believe that these changes will not only benefit the organization financially, but also align with our commitment to sustainability and responsible event management. I would appreciate your support in implementing these measures for the upcoming event. Thank you for your attention to this matter. Sincerely, Monisha Parker
