**Gloria Molina Grand Park & Center Theatre Group Present Creative Ways: Mental Health Wellness Fair Parking Fee Waiver**

This year, in honor of Mental Health Awareness Month, the Los Angeles County Department of Mental Health and California Mental Health Services Authority has awarded \$6 million in grants to community-based organizations throughout Los Angeles. The Los Angeles Take Action Community Grants aim to increase access to mental health resources, reduce mental health stigma and discrimination, and expand help-seeking behavior through events that encourage attendees to take action for themselves, for others, and for their community.

With support from this grant and in honor of Mental Health Awareness, throughout the month of May, Gloria Molina Grand Park will be a central gathering place for Angelenos to experience a myriad of health and wellness activities and community events that will restore and reinvigorate the mind, body, and soul. The highlights of the monthlong holistic celebration will occur on two Saturdays, May 11 and 25, 2024, from 10:00 a.m.– 2:00 p.m., when Gloria Molina Grand Park & Center Theatre Group present Creative Ways: Mental Health Wellness Fair, an inclusive outdoor gathering for all ages featuring free artmaking activities, therapeutic and holistic workshops, family yoga, and
