Women’s Lifeguard Prep Academy Fee Waiver 2024

The Los Angeles County Fire Department is holding their 3rd Annual Women’s Lifeguard Prep Academy (WLPA) on May 18-19, 2024, at Venice Beach. Over the course of two days, the Department’s Lifeguard Division will train women 16 years and older on lifesaving skills firsthand from professional ocean lifeguards. The curriculum includes swimming in the ocean, sand running, and a variety of physical fitness exercises. This academy provides a unique opportunity to create a diverse and representative workforce, capable of serving the community with empathy, skill, and dedication. WPLA also marks a significant step toward inclusivity and diversity within these critical public safety roles, breaking down barriers, which may have historically deterred women from pursuing these professions.

I, THEREFORE, MOVE, that the Board of Supervisors instruct the Director of Beaches and Harbors to waive the parking fees in the amount of \$540.00 for 60 spaces, at \$9.00 per space, for a total amount of \$1080.00, excluding the cost of liability insurance, for participants of the Women’s Lifeguard Prep Academy at parking lot located at 2100 Ocean Front Walk on May 18 and 19 from 8:00 a.m. to 4:00 p.m.
