2-D.		<b>Oppose</b>	Monisha Parker	<p>Dear Board of Supervisors,</p> <p>I am writing to bring to your attention the need for the Los Angeles County Development Authority to strengthen and reduce the cost of Furniture and Appliance with Installation Services Contracts.</p> <p>It has come to our attention that the current contracts in place do not effectively meet the needs of our agency and are not cost-effective. The quality of furniture and appliances provided under these contracts is subpar, leading to frequent replacements and repairs which incur additional costs.</p> <p>We believe that by strengthening the contracts and negotiating better terms with vendors, we can not only improve the quality of the products provided but also reduce costs in the long run. This will ultimately benefit the agency and the clients we serve.</p> <p>I urge the Board of Supervisors to take action on this matter and work towards amending the current contracts to ensure they meet the needs of the Los Angeles County Development Authority. Your support in this endeavor is greatly appreciated.</p> <p>Thank you for your attention to this important issue.</p> <p>Sincerely, Monisha Parker</p>
