Dear Supervisors:

**TRANSPORTATION CORE SERVICE AREA
TRAFFIC REGULATIONS IN THE UNINCORPORATED COMMUNITY OF
TRIUNFO AND LOBO CANYONS
(SUPERVISORIAL DISTRICT 3)
(3 VOTES)**

SUBJECT

Public Works is seeking Board approval to implement traffic regulations to support traffic safety and enhance traffic flow in the unincorporated community of Triunfo and Lobo Canyons.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that adopting and/or rescinding traffic regulation orders and posting or removing the corresponding regulatory and advisory signage are categorically exempt from the provisions of the California Environmental Quality Act.
2. Rescind a traffic regulation order establishing a 40-mph speed limit on Triunfo Canyon Road between Lobo Canyon Road and Kanan Road in the unincorporated community of Triunfo and Lobo Canyons as established on March 17, 1998.

3. Adopt a traffic regulation order establishing a 35-mph speed limit on Triunfo Canyon Road between Lobo Canyon Road and Kanan Road in the unincorporated community of Triunfo and Lobo Canyons.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended traffic regulation action is to adopt and/or rescind traffic regulation orders, which will allow Public Works to post or remove the corresponding regulatory and advisory signage. Public Works is recommending these actions to support traffic safety and enhance traffic flow. These actions will benefit all users of the roadway

and will support Public Works' transportation priority to improve traffic safety. Requests for the traffic regulations were generated by residents. The affected area is indicated on the enclosed map (Enclosure A).

Implementation of Strategic Plan Goals

These recommendations support the County Strategic Plan: North Star 2, Foster Vibrant and Resilient Communities, Focus Area Goal D, Sustainability, Strategy i, Climate Health, by supporting multimodal transportation investments that improve safety and mobility, reduce traffic congestion, and reduce greenhouse gas emissions.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. Sufficient funds are included in the Road Fund (B03 – Services and Supplies) Fiscal Year 2023-24 Budget to cover the minor costs of installing and/or removing the necessary signs and markings.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The California Vehicle Code authorizes the Board to implement traffic regulations that are required prior to enforcement by the California Highway Patrol and the Sheriff's Department.

ENVIRONMENTAL DOCUMENTATION

The establishment of the regulation, including the installation or removal of related traffic control devices required to notify the motoring public is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines and Class I(x) 7 of the Environmental Reporting Procedures and Guidelines approved by the Board on November 17, 1987.
