INTERIM EXECUTIVE OFFICER

May 21, 2024

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**RECOMMENDATION TO AWARD A CONTRACT  
FOR THE ANNUAL COUNTY FINANCIAL AUDIT  
(ALL DISTRICTS - 3 VOTES)**

**SUBJECT**

Approval of the recommended actions will award a contract for the annual County financial audit for an initial three-year term and delegate authority to the Auditor-Controller to exercise the County's option to extend the contract term for up to two additional one-year terms for a potential total contract term not to exceed five years, and to approve the contract firm's user complaint resolution procedures.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Award and instruct the Chair of the Board to sign a three-year agreement with Macias Gini & O'Connell LLP to perform annual audits of the County's financial statements and grants as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), effective upon Board approval. The contract sum for the initial three-year term is \$4,173,228.

2. Delegate authority to the Auditor-Controller to exercise the County's option to extend the contract term for up to two (2) additional one-year terms, for a maximum total term of five (5) years. The maximum contract sum, inclusive of all option years, is \$7,168,256.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

These actions will provide for continuation of annual audits of the County's financial statements and grants. California Government Code Sections 25250 and 25253 require the County issue an Annual Comprehensive Financial Report. Also, the County annually receives approximately \$4.1 billion in federal funding. To continue to receive this funding, Uniform Guidance requires the County to have an annual audit performed by an independent audit firm. In addition, the County needs audited financial statements to demonstrate to the investment community (and the public) the accuracy of the County's accounting records and to verify the financial condition of the County.

## **Implementation of Strategic Plan Goals**

Approval of this action is consistent with the Strategic Plan North Star III.G – Realize Tomorrow's Government Today, Internal Controls and Processes.

## **FISCAL IMPACT/FINANCING**

The proposed contract is for a three-year term starting with the Fiscal Year (FY) 2023-2024 audit through 2026-2027 and provides the County options to renew the contract for two additional one-year terms through 2028-2029. The maximum contract cost for the initial year is \$1,349,749. Subsequent year's contract costs are \$1,391,026, \$1,432,453, \$1,475,505, and \$1,519,523, respectively. If approved, the options to renew would be exercised at the discretion of the Auditor-Controller.

Funds are available in the FY 2023-2024 Nondepartmental Special Accounts budget to finance the FY 2023-2024 audit. Ongoing yearly appropriations will be necessary to finance subsequent years' audit costs.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Annual Comprehensive Financial Report is mandated by Sections 25250 and 25253 of the Government Code of the State of California. Under Uniform Guidance, the County shall have a single audit of its federal expenditures. These mandates require that the County annually issue a report of its financial position and activity and a schedule a federal expenditures of federal awards, and that the reports be audited by an independent firm of certified public accountants.

## **CONTRACTING PROCESS**

The Auditor-Controller sent invitations to bid to approximately 117 accounting firms and posted the solicitation information on the County of Los Angeles Online website. On January 29, 2024, the Request for Proposal (RFP) was released. Three proposals, from Crowe LLP, Eide Bailley, and Macias Gini & O'Connell LLP, were received by the March 6, 2024 submission deadline.

Representatives from the Department of Auditor-Controller, Department of Public Works, and Department of Health Services evaluated the three proposals. Macias Gini & O'Connell LLP was selected as the highest ranked firm to provide the required services. The Macias Gini & O'Connell LLP proposal was lowest in cost and is recommended as the most responsive and the best value for meeting the needs of the County's annual financial audit.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

None.

**CONCLUSION**

We have negotiated the attached contract, which has been approved as to form by County Counsel.

Upon execution by your Honorable Board, please return two original copies of the contract to the Auditor-Controller's Executive Office.

Respectfully submitted,

OSCAR VALDEZ

Auditor-Controller

**7.5.4** Disqualification of any member of Contractor's staff pursuant to this Paragraph 7.5 will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

## **7.6 Confidentiality**

**7.6.1** Contractor must maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 7.6 will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. For the purposes of this paragraph, County consent will require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.

**8.2.3** Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

## **8.3 Authorization Warranty**

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

The County's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor must continue to provide all of the services set forth in this Contract.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

## **8.8 Compliance with the County's Jury Service Program**

### **8.8.1 Jury Service Program**

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

## **8.8.2 Written Employee Jury Service Policy**

**8.8.2.1** Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the Contractor must have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

**8.8.2.2** For purposes of this paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

**8.8.2.3** If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor must immediately notify the

County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

**8.8.2.4** Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

## **8.9 Conflict of Interest**

**8.9.1** No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

**8.9.2** The Contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

## **8.10 Consideration of Hiring County Employees Targeted for Layoffs or are on a County Re-Employment List**

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor must give first consideration for such employment openings to qualified,

permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

## **8.11 Consideration of Hiring GAIN/START Participants**

**8.11.1** Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/START participants by job category to the Contractor. Contractors must report all job openings with job requirements to: [gainstart@dpss.lacounty.gov](mailto:gainstart@dpss.lacounty.gov) and DPSS will refer qualified GAIN/START job candidates.

**8.11.2** In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

## **8.12 Contractor Responsibility and Debarment**

### **8.12.1 Responsible Contractor**

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

### **8.12.2 Chapter 2.202 of the County Code**

The Contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

### **8.12.3 Non-responsible Contractor**

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a

contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

#### **8.12.4 Contractor Hearing Board**

**8.12.4.1** If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

**8.12.4.2** The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

**8.12.4.3** After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

**8.12.4.4** If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

**8.12.4.5** The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the

Contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

**8.12.4.6** The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

#### **8.12.5 Subcontractors of Contractor**

These terms will also apply to subcontractors of County contractors.

#### **8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law**

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safely-surrender/>.

#### **8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program**

**8.14.1** The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

**8.14.2** As required by the County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

### **8.15 County's Quality Assurance Plan**

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

### **8.16 Damage to County Facilities, Buildings or Grounds**

**8.16.1** The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs must be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

**8.16.2** If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the Contractor by cash payment upon demand.

### **8.17 Employment Eligibility Verification**

**8.17.1** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor must obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and

regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor must retain all such documentation for all covered employees for the period prescribed by law.

**8.17.2** The Contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The facsimile, email or electronic signature of the Parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

## **8.20 Force Majeure**

**8.20.1** Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

**8.20.2** Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

**8.20.3** In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

## **8.21 Governing Law, Jurisdiction, and Venue**

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

## **8.22 Independent Contractor Status**

**8.22.2** The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

**8.22.3** The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. ### **8.24 General Provisions for all Insurance Coverage**

**8.24.1** Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor must provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. If a Contractor or member of Contractor’s staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor’s staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor’s staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

**8.55 Intentionally Omitted**

**8.56 Compliance with Fair Chance Employment Hiring Practices**

Contractor, and its subcontractors, must comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#). In the event of such material breach, County may, in its sole discretion, terminate the Contract.

**8.57 Compliance with the County Policy of Equity**

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The Contractor further acknowledges that the County strives to provide a workplace free from

discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the Contractor to termination of contractual agreements as well as civil liability.

#### **8.58 Prohibition from Participation in Future Solicitation(s)**

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision will survive the expiration, or other termination of this Agreement.

#### **8.59 Injury and Illness Prevention Program**

Contractor will be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

#### **8.60 Intentionally Omitted**

### **9 UNIQUE TERMS AND CONDITIONS**

#### **9.1 Health Insurance Portability and Accountability Act of 1996 (HIPAA)**

- 9.2.4** The County will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are safeguarded and held in confidence. The County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.
- 9.2.5** Notwithstanding any other provision of this Contract, the County will not be obligated to the Contractor in any way under subparagraph 9.2.4 for any of the Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by subparagraph 9.2.3 or for any disclosure which the County is required to make under any state or federal law or order of court.

work under this Contract. County shall inform the Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support the Contractor's defense and settlement thereof.

**9.3.2** In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:

- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

**9.3.3** The Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by the Contractor, in a manner for which the questioned product was not designed nor intended.

## **EXHIBIT A**

### **STATEMENT OF WORK (SOW)**

#### **1.0 General Information and Background**

A REQUEST FOR PROPOSALS (hereafter sometimes referred to as "RFP") by the COUNTY OF LOS ANGELES (hereafter "COUNTY") is inviting Independent Auditors to submit proposals to conduct annual audits of its basic financial statements and Schedule of Expenditures of Federal Awards (hereafter "Annual Financial Audits"). The audits must be performed in accordance with generally accepted auditing standards, generally accepted governmental auditing standards, and meet the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). The COUNTY is seeking a proposal for the three fiscal years ending June 30, 2024, 2025, and 2026.

The COUNTY is an extremely large and complex governmental entity. The COUNTY'S population is over 9 million and is larger than 41 of the states in the U.S. The COUNTY'S 2023-2024 Budget exceeds \$43.3 billion, and the number of employees exceeds 114,000.

As required under the COUNTY'S charter, COUNTY ordinances or by State and federal mandates, the COUNTY'S principal functions include the following major areas: general government, public protection, public ways and facilities, health and sanitation (including hospitals), public assistance, and recreation and cultural services. The following are certain statistics regarding the COUNTY'S financial statements.

- The COUNTY maintains its centralized accounting records on the electronic County-wide Accounting and Purchasing System (eCAPS). In addition, there are various other automated systems utilized to generate transactions and interface with eCAPS. The audit firm will be given limited access to eCAPS.
- The centralized accounting system maintains records for over 2,800 individual funds. The supporting documentation is maintained at the 38 various County departments. It will be necessary to contact and coordinate with the departments to perform the audit procedures. For financial statement purposes, they are summarized and condensed into the following:

<u>Fund Type</u>	<u>Number</u>
Major Governmental Funds:	
General Fund	1
Fire Protection District	1
Flood Control District	1
LA County Library	1
Regional Park and Open Space District	1
Mental Health Services Act	1
Nonmajor Governmental Funds:	
Special Revenue	16
Debt Service	2
Capital Projects	4
Permanent Funds	2
Major Enterprise Funds:	
Harbor-UCLA Medical Center	1
Olive-View-UCLA Medical Center	1
Los Angeles General Medical Center	1
Rancho Los Amigos National Rehab Center	1
Waterworks	1
Nonmajor Enterprise Funds - Aviation	1
Internal Service Funds	2
Fiduciary Funds	6
Discretely Presented Component Units	2

- As of June 30, 2023, total assets for governmental and business-type activities were approximately \$50.4 billion, of which capital assets represented \$23.1 billion of the total. Liabilities associated with the same activities were approximately \$62.4 billion. Deferred inflows of resources were approximately \$12.3 billion and deferred outflows of resources were approximately \$12.5 billion. Total net position was (\$11.8) billion.
  
- As of June 30, 2023, the net deficit for governmental and business type-activities was approximately \$11.0 billion and \$816 million, respectively.
  
- For Fiscal Year 2022-2023, governmental and business type-activities expenses were approximately \$36.6 billion and revenues were approximately \$35.3 billion.
  
- The COUNTY is generally self-insured. At June 30, 2023, workers' compensation liabilities were approximately \$3.5 billion and litigation and other self-insurance liabilities were approximately \$3.8 billion.

- The Schedule of Expenditures of Federal Awards for Fiscal Year 2021-2022 reported expenditures of \$4.3 billion and included 15 major programs.
- The COUNTY'S financial statements include blended component units as listed below. Details are included in Appendix C, Exhibit 4.

Fire Protection District	Los Angeles County Capital Asset Leasing Corporation (a Not-for-Profit Corporation)
Flood Control District	Los Angeles County Employees Retirement Association (LACERA)
Garbage Disposal Districts	Various Joint Powers Authorities (JPAs)
Improvement Districts	Los Angeles County Securitization Corporation (LACSC)
Regional Park and Open Space District	Los Angeles County Facilities Inc. (LACF)
Sewer Maintenance Districts	
Street Lighting Districts	
Waterworks Districts	

- LACERA is included as a fiduciary component unit because its operations are dependent upon County funding and because its operations, almost exclusively, benefit the County. LACERA issues a stand-alone financial report, which is not included as part of this RFP.
- The COUNTY'S financial statements include two discretely presented component units, the Los Angeles Community Development Authority (LACDA) (<https://www.lacda.org/>) and First 5 LA (<https://www.first5la.org/>).
- The COUNTY'S Annual Comprehensive Financial Reports for the last twenty three (23) fiscal years are available for review on the internet at [Annual Comprehensive Financial Report – Auditor-Controller \(lacounty.gov\)](#).

The COUNTY closes its budgetary records during the latter part of August. Numerous adjusting entries are required to prepare the financial statements in accordance with generally accepted accounting principles. In addition, certain major entities, such as the LACDA, LACERA, and First 5 LA, have independent accounting systems, and their financial statements are audited by other auditors. In addition to those entities, the County's Treasury Pool, maintained by the Treasurer and Tax Collector, is independently audited each year. These other audited statements must be incorporated into the COUNTY'S financial statements.

The COUNTY'S financial statements and related footnotes are normally completed during November and are generally prepared by COUNTY staff. The COUNTY has been awarded the Governmental Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting for the past 40 fiscal years.

## 2.0 SCOPE OF WORK

All audits will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Uniform Guidance, Audits of States, Local Governments, and Non-Profit Organizations.

### 2.1 INDEPENDENT AUDITOR'S REPORT

The Independent Auditor's Report is to be prepared in accordance with generally accepted auditing standards and generally accepted governmental auditing standards and meet the requirements of Uniform Guidance. The report is to be addressed to the COUNTY Board of Supervisors. One camera ready copy and a PDF file of the independent auditor's report on the basic financial statements shall be provided for inclusion in the COUNTY'S financial statements.

The Independent Auditor will perform an examination of the basic financial statements of the COUNTY for each of the three fiscal years in the period ending June 30, 2024, 2025, 2026, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States with the objectives of expressing an opinion on the financial statements.

The examination will include the blended component units, which are required to be included in the COUNTY'S financial statements, in accordance with Governmental Accounting Standards Board (GASB) requirements. A separate scope audit of each blended component unit is not required. LACERA, LACDA, and First 5 LA have been audited by others in prior years. This proposal assumes these latter entities will continue to be audited by other independent auditors during each of the three years. This examination will also include the COUNTY'S treasury pool. The County's treasury pool has been audited by other independent auditors in prior years. This proposal will also assume that the County's treasury pool will continue to be separately audited by other independent auditors during each of the three years.

The Independent Auditor is also expected to assist the COUNTY, as necessary, to meet the requirements of the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting Program.

## 2.2 SINGLE AUDIT

The examination will comply with the requirements of Uniform Guidance, relating to the Federal assistance programs for which the COUNTY is the primary recipient. The Federal assistance grants of LACDA and First 5 LA are audited by other independent auditors and are specifically excluded from the Single Audit for Los Angeles County.

The Independent Auditor will perform an examination of the Schedule of Expenditures of Federal Awards of the COUNTY for each of the three fiscal years in the period ending June 30, 2024, 2025 and 2026, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States with the objectives of expressing an opinion on the Schedule of Expenditures of Federal Awards, and issuing a report on internal controls and a report on compliance.

The Independent Auditor will coordinate and assist the COUNTY to complete the required Federal Data Collection Form for Reporting on Audits of States, Local Governments, and Non-Profit Organizations. This form is required to be completed per Uniform Guidance and must be submitted electronically.

The successful bidder will coordinate the planning and development of testing methods with the COUNTY'S cognizant agency, the California State Controller's office, to ensure the examination satisfies the requirements of Uniform Guidance. Examination of secondary recipients is specifically excluded from this Request for Proposal. The most recent Single Audit Reports can be found at:

<http://auditor.lacounty.gov/single-audit-reports/>

The Independent Auditor is also required to furnish thirty (30) copies and a PDF file of the single audit report, including the Schedule of Expenditures of Federal Awards. The Independent Auditor will coordinate specific format and content requirements for the single audit reports with the COUNTY'S cognizant agency, the California State Controller.

## 2.3 ASSISTANCE TO RESPOND TO STATE AND FEDERAL INQUIRIES

The contract firm will assist the COUNTY in responding to inquiries from State and federal agencies on issues relating to the audit. In addition, to satisfy State and federal cost allocation requirements, the contract firm will make available to the COUNTY labor hour details from the firm's time records that indicate the number of actual hours for each COUNTY department audited in the examination of the Schedule of Expenditures of Federal Awards.

## 2.4 COUNTY'S GANN REPORT

In conjunction with the audit, the CONTRACTOR will be required to perform certain agreed upon procedures to test the accuracy of the COUNTY'S GANN limit calculations and issue a special report for Article XIIIB Appropriations Limitation Verification for each of the fiscal years in the periods ending June 30, 2024, 2025, and 2026. The special report shall be addressed to the COUNTY Board of Supervisors. Fifteen (15) copies and a PDF version of the report shall be provided.

Agreed-upon procedures to the Appropriations Limit Worksheet for the County of Los Angeles, California (County):

- A. The auditors will obtain the County's Appropriations Worksheet for the current year end and determine that the appropriations limit and annual adjustment factors were adopted by resolution of the Board of Supervisors. The auditors will also determine that the population and inflation options used by the County were selected by a recorded vote of the Board of Supervisors.
- B. For the current Appropriations Limit Worksheet, the auditors will add the previous year's Appropriation Limit to the total adjustments and agree the resulting amounts to the previous year's Adjusted Appropriations Limit. Additionally, the auditors will multiply the previous year's Adjusted Appropriations Limit by the adjustment factors and agree the resulting amounts to the current Adjusted Appropriations Limit.
- C. The auditors will agree the current year information presented in the Appropriations Limit Worksheet to the supporting worksheets designed and prepared by the County.
- D. The auditors will compare the prior year Appropriations Limit presented in the Appropriations Limit Worksheet to the prior year's Appropriations Limit adopted by the County's Board of Supervisors. The auditors will disclose any differences noted in the Notes to Appropriations Limit Worksheet.
- E. The auditors will reconcile the adjustment amounts described in the Notes to Appropriations Limit Worksheet to supporting documentation maintained by the County's Chief Executive Office.

The most recent Local Transportation Fund financial statements can be found at: <https://auditor.lacounty.gov/jpa-special-fund-reports/>.

The special report shall be addressed to the County of Los Angeles Board of Supervisors. Ten (10) copies of the report and a PDF version shall be provided.

# THERE'S A BETTER CHOICE. SAFELY SURRENDER YOUR BABY.

Any fire station. Any hospital. Any time.

No shame | No blame | No names

Some parents of newborns can find themselves in difficult circumstances. Sadly, babies are sometimes harmed or abandoned by parents who feel that they're not ready or able to raise a child. Many of these mothers or fathers are afraid and don't know where to turn for help.

This is why California has a Safely Surrendered Baby Law, which gives parents the choice to legally leave their baby at any hospital or fire station in Los Angeles County.

### FIVE THINGS YOU NEED TO KNOW ABOUT BABY SAFE SURRENDER

- 1 Your newborn can be surrendered at any hospital or fire station in Los Angeles County up to 72 hours after birth.
- 2 You must leave your newborn with a fire station or hospital employee.
- 3 You don't have to provide your name.
- 4 You will only be asked to voluntarily provide a medical history.
- 5 You have 14 days to change your mind; a matching bracelet (parent) and anklet (baby) are provided to assist you if you change your mind.

No shame | No blame | No names

### ABOUT THE BABY SAFE SURRENDER PROGRAM

In 2002, a task force was created under the guidance of the Children's Planning Council to address newborn abandonment and to develop a strategic plan to prevent this tragedy.

Los Angeles County has worked hard to ensure that the Safely Surrendered Baby Law prevents babies from being abandoned. We're happy to report that this law is doing exactly what it was designed to do: save the lives of innocent babies. Visit [BabySafeLA.org](http://BabySafeLA.org) to learn more.

## FROM SURRENDER TO ADOPTION: ONE BABY'S STORY

Los Angeles County firefighter Ted and his wife Becki were already parents to two boys. But when they got the call asking if they would be willing to care for a premature baby girl who'd been safely surrendered at a local hospital, they didn't hesitate.

Baby Jenna was tiny, but Ted and Becki felt lucky to be able to take her home. "We had always wanted to adopt," Ted says, "but taking

home a vulnerable safely surrendered baby was even better. She had no one, but now she had us. And, more importantly, we had her."

Baby Jenna has filled the longing Ted and Becki had for a daughter—and a sister for their boys. Because her birth parent safely surrendered her when she was born, Jenna is a thriving young girl growing up in a stable and loving family.

## ANSWERS TO YOUR QUESTIONS

### Who is legally allowed to surrender the baby?

Anyone with lawful custody can drop off a newborn within the first 72 hours of birth.

### Do you need to call ahead before surrendering a baby?

No. A newborn can be surrendered anytime, 24 hours a day, 7 days a week, as long as the parent or guardian surrenders the child to an employee of the hospital or fire station.

### What information needs to be provided?

The surrendering adult will be asked to fill out a medical history form, which is useful in caring for the child. The form can be returned later and includes a stamped return envelope. No names are required.

### What happens to the baby?

After a complete medical exam, the baby will be released and placed in a safe and loving home, and the adoption process will begin.

### What happens to the parent or surrendering adult?

Nothing. They may leave at any time after surrendering the baby.

### How can a parent get a baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days by calling the Los Angeles County Department of Children and Family Services at (800) 540-4000.

### If you're unsure of what to do:

You can call the hotline 24 hours a day, 7 days a week and anonymously speak with a counselor about your options or have your questions answered.
