Agenda #	Relate To	Position	Name	Comments
13.		Favor	Teresa Longoria	<p>Thank you bringing awareness to the tragedy of gun violence. Could I request a moment of silence for the deceased victims of violent crimes due to gun violence?</p> <p>What services are provided for victims of gun violence by the county; or for their next of kin? The victims of gun violence whom have lost loved ones are mostly Spanish speaking.</p> <p>Does the Probation HR have a bi-lingual unit to assist with the victims' needs?</p> <p>There are too many victims or the next of kin have lost a spouse or child by gun violence. Finally a real agenda item that speaks to law enforcement officers. The public still needs the safety from the Sheriff's and the Probation dept. Prop 63 assists in removing guns from the streets. Can our Chief stop sending Field Probation Officers home burning our time when we have court reports and hearings to attend? Field P.O.'s are court mandated to produce gun relinquishment reports to the Superior Courts. The courts are being back-logged due to our management and HR making these terrible decisions to punish Field PO's who fall under ADA and are not physically fit to work in the halls.</p>
