Agenda #	Relate To	Position	Name	Comments
30.		Favor	Byron Jose	Uplift and center TGI communities. Fund care and services. Coordinate programs.
			Hector Ramirez	Please include our Native American/Alaska Native/Indigenous "Two Spirits" in the 2SLGBTQ+ and/or "LGBTQ2s+". To often contemporary researchers and policy analyst fail to include us in their analysis, advocacy, and policies.
			Sara Reyes	This crucial initiative is fundamental for the advancement and support of our diverse TGI community. The motion proposes a comprehensive presentation by the Director of Public Health, in collaboration with key partners, ensuring these issues receive the attention and action they deserve. Inclusion of the Director of the Anti-Racism and Diversity Initiative will further integrate these insights into broader county efforts to promote inclusivity and combat discrimination. Having previously lived at HOPE house, a transitional home for trans, gender-expansive and intersex individuals, I have witnessed the urgent needs and resilience of our community firsthand. It is vital that our local government continues to foster environments that protect and enhance the lives of all TGI individuals.
