(d) *Obligation of the District.* No part of any fund or account of the County is pledged or obligated to the payment of the Series 2024 Bonds. The obligation for repayment of the Series 2024 Bonds is the sole obligation of the District.

(e) *Pledge of and Lien on Taxes.* The District hereby pledges, and grants a lien on and security interest in, all revenues from the property taxes heretofore and hereafter collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of

the District for the payment of District Bonds issued under such bond measure and all amounts on deposit in any interest and sinking fund of the District related to such bond measure with respect to the District Bonds of such bond measure, in order to secure the payment of the principal or redemption price of and interest on such District Bonds. This pledge and grant shall be valid and binding from the date hereof for the benefit of the owners of the District Bonds authorized hereby and successors thereto. The property taxes and amounts held in any interest and sinking fund of the District shall be immediately subject to this pledge and grant, and the pledge and grant shall constitute a lien and security interest which shall immediately attach to (i) the property taxes heretofore and hereafter collected and (ii) the amounts held in any interest and sinking fund of the District. This pledge and grant shall secure the payment of District Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant and without the need of any physical delivery, recordation, filing, or further act. The pledge and grant is an agreement between the District and the owners of District Bonds to provide security for the District Bonds in addition to any statutory lien that may exist, and the District Bonds secured by the pledge and grant are or were issued to finance one or more of the projects specified in the applicable voter-approved measure.

(f) *Insurance.* The payment of principal of and interest on all or a portion of the Series 2024 Bonds may be secured by a municipal bond insurance policy as shall be described in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized and directed to qualify the District for municipal bond insurance for the Series 2024 Bonds and authorize that such insurance be obtained if the present value cost of such insurance is less than the present value of the estimated interest savings with respect to the Series 2024 Bonds. The Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver a contract or contracts for such insurance if such contract is deemed by the Authorized Officer executing the same to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract. If the Authorized Officers so deem and obtain municipal bond insurance, and such insurance is issued by a mutual insurance company, the Authorized Officers are each hereby authorized and directed to enter into any required mutual insurance agreement substantially in such insurer's standard form with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of such agreement by such Authorized Officer.

Section 5. Redemption Provisions. *Optional Redemption.* The Series 2024 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Series 2024 Bonds shall not be subject to optional redemption.

(a) *Selection.* If less than all of the Series 2024 Bonds, if any, are subject to such redemption and are called for redemption, such Series 2024 Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District (or as otherwise set forth in the Bond Purchase Agreement), and if less than all of the Series 2024 Bonds of any given maturity are called for redemption, the portions of such Series 2024 Bonds of a given maturity to be

redeemed shall be determined by lot in any manner deemed fair by the Paying Agent (or as otherwise set forth in the Bond Purchase Agreement).

(b) *Mandatory Sinking Fund Redemption.* The Series 2024 Bonds, if any, which are designated in the Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot (or as otherwise set forth in the Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. Unless otherwise provided in the Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise directed by the District by the amount of any Series 2024 Bonds of that maturity redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Series 2024 Bonds shall not be subject to mandatory sinking fund redemption.

The Auditor-Controller is hereby authorized to create such sinking funds or accounts for the term Series 2024 Bonds as shall be necessary to accomplish the purposes of this Section.

(c) *Notice of Redemption.* Notice of any redemption of the Series 2024 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the Series 2024 Bonds and the date of issue of the Series 2024 Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of the Series 2024 Bonds to be redeemed; (vi) if less than all of the Series 2024 Bonds of any maturity are to be redeemed, the distinctive numbers of the Series 2024 Bonds of each maturity to be redeemed; (vii) in the case of Series 2024 Bonds redeemed in part only, the respective portions of the principal amount of the Series 2024 Bonds of each maturity to be redeemed; (viii) the CUSIP number, if any, of each maturity of Series 2024 Bonds to be redeemed; (ix) a statement that such Series 2024 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Series 2024 Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(d) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2024 Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2024 Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Series 2024 Bonds designated for redemption

shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2024 Bonds at the place specified in the notice of redemption, such Series 2024 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2024 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the related interest and sinking fund or the trust fund established for such purpose. All Series 2024 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Series 2024 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the related interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of, interest, and any premium due on the Series 2024 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Series 2024 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(f) *Funds for Redemption.* Prior to or on the redemption date of any Series 2024 Bonds there shall be available in the related interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Series 2024 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of, and interest and premium, if any, on the Series 2024 Bonds to be redeemed upon presentation and surrender of such Series 2024 Bonds, provided that all monies in the related interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the related interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2024 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the related interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Series 2024 Bonds, the monies shall be held in or returned or transferred to any interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(g) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Series 2024 Bonds all or any part of the principal of and interest and premium, if any, on the Series 2024 Bonds at the times and in the manner provided herein and in the Series 2024 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District and the County as provided in Section 6

hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Series 2024 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Series 2024 Bonds, but only out of monies on deposit in the related interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Series 2024 Bonds by depositing in trust with the Paying Agent or an escrow agent selected by the District, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the related interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Series 2024 Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

(h) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Series 2024 Bonds and remaining unclaimed for two years after the principal of all of the Series 2024 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to any interest and sinking fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 3. Paying Agent. *Appointment; Payment of Fees and Expenses.* The Board of Trustees does hereby consent to and confirm the appointment of the Treasurer to act as the initial paying agent for the Series 2024 Bonds. The Treasurer is hereby authorized to contract with any third party to perform the services of Paying Agent under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Series 2024 Bonds, or from the related interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the Education Code, such fees and expenses shall be paid by the District.

(i) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the Treasurer. If at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(j) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Paying Agent, as herein defined, and any reference herein to the “principal corporate trust office” of the Paying Agent for

purposes of transfer, registration, exchange, payment and surrender of the Series 2024 Bonds shall initially mean the office of the Treasurer or the principal corporate trust office of the Treasurer's designated agent bank or other office of the Treasurer's designated agent bank designated thereby for a particular purpose; provided, however, that in the event that "Paying Agent" shall refer to any successor paying agent, bond registrar, authenticating agent or transfer agent for the Series 2024 Bonds, "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(k) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Series 2024 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2024 Bonds as provided in Sections 9 and 10 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2024 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District.

Section 6. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. *Appointment of Depository; Book-Entry System.* Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for the Series 2024 Bonds and the Series 2024 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC. One bond certificate shall be issued for each maturity of the Series 2024 Bonds; provided, however, that if different CUSIP numbers are assigned to Series 2024 Bonds of the same tenor maturing in a single year or, if Series 2024 Bonds of the same tenor maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Series 2024 Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 10 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be

obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) *Transfers.* In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2024 Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Series 2024 Bond for each maturity shall be executed and delivered (in the aggregate principal amount of such Series 2024 Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Series 2024 Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Series 2024 Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 5 hereof and the receipt of such a written request of the District, and thereafter, the Series 2024 Bonds shall be transferred pursuant to the provisions set forth in Section 10 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Series 2024 Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) *Partial or Advance Refundings.* In the case of partial redemption or an advance refunding of the Series 2024 Bonds evidencing all or a portion of the principal amount then outstanding, DTC shall make an appropriate notation on the Series 2024 Bonds indicating the date and amounts of such reduction in principal.

(d) *Treatment of Registered Owner.* The District and the Paying Agent shall be entitled to treat the person in whose name any Series 2024 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2024 Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series 2024 Bonds.

(e) *Form of Payment.* So long as the outstanding Series 2024 Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Series 2024 Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 7. Transfer and Exchange. *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 9 hereof, any Series 2024 Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2024

Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series 2024 Bond or Series 2024 Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2024 Bond or Series 2024 Bonds, of the same maturity, Interest Payment Date and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by any Owner of Series 2024 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series 2024 Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2024 Bonds for redemption, and (ii) after any Series 2024 Bond has been selected for redemption.

(a) *Exchange.* The Series 2024 Bonds may be exchanged for Series 2024 Bonds of other authorized denominations of the same maturity, Interest Payment Date and interest rate or rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2024 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2024 Bond or Series 2024 Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 4 hereof, a new Series 2024 Bond or Series 2024 Bonds of the same maturity and interest payment mode and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series 2024 Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2024 Bonds for redemption, and (ii) after any Series 2024 Bond has been selected for redemption.

Section 8. Bond Purchase Agreement; Sale of Bonds. *Bond Purchase Agreement.* The Bond Purchase Agreement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (i) the true interest cost for the Series 2024 Bonds shall not exceed 6.00%, (ii) the interest rate on the Series 2024 Bonds shall not exceed 8.00% per annum, (iii) the ratio of total debt service to principal of the Series 2024 Bonds shall not exceed four to one, (iv) the Underwriter's discount for the sale of the Series 2024 Bonds shall not exceed 0.60% of the principal amount of such Series 2024 Bonds, exclusive of any costs of issuance the Underwriter contracts to pay, and (v) the Series 2024 Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Agreement shall recite the aggregate principal amount of the Series 2024 Bonds, the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Payment Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any.

(a) *Method of Sale.* The Board of Trustees hereby finds and determines that the sale of the Series 2024 Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Series 2024 Bonds to fit the needs of particular purchasers, and greater opportunity for the Underwriter to pre-market the Series 2024 Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. Estimates of the costs associated with the issuance of the Series 2024 Bonds, including any such costs which the Underwriter may agree to pay pursuant to the Bond Purchase Agreement, are set forth on Exhibit A attached hereto and incorporated herein.

Section 9. Application of Proceeds of Series 2024 Bonds. *General.* On the Closing Date, the proceeds of the sale of the Series 2024 Bonds in the amount specified in the Bond Purchase Agreement, exclusive of any premium or accrued interest received, shall be deposited in the County treasury to the credit of the building fund of the District. Pursuant to subsection (g) of Section 15146 of the Education Code, any premium or accrued interest received by the District from the sale of the Series 2024 Bonds, shall be deposited in the related interest and sinking fund of the District. As provided in subsection (g) of Section 15146 of the Education Code, (i) the proceeds deposited in the building fund of the District shall be drawn out as other school monies are drawn out, and (ii) the bond proceeds withdrawn shall not be applied to any purposes other than those for which the Series C Bonds were issued. Amounts in the building fund of the District shall be invested so as to be available for the aforementioned disbursements and the District shall keep a written record of such disbursements.

(a) *Costs of Issuance.* In accordance with Section 15146(h) of the Education Code, to the extent not contracted to be paid by the Underwriter, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth in Section 8, as cost of issuance administrator, proceeds of sale of the Series 2024 Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Series 2024 Bonds sold, as shall be set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Series 2024 Bonds.

(b) *Reserves and Capitalized Interest.* In accordance with subsections (i) and (j) of Section 15146 of the Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in the related interest and sinking fund of the District proceeds of sale of the Series 2024 Bonds (in addition to any premium or accrued interest received) to fund (i) an annual reserve permitted by Section 15250 of the Education Code, and/or (ii) capitalized interest in an amount not exceeding the interest scheduled to become due on the Series 2024 Bonds for a period of two years from the date of issuance of the Series 2024 Bonds, as shall be set forth in

the Bond Purchase Agreement, if any such a deposit is deemed by the Authorized Officer executing the same to be in the best interests of the District.

Section 4. Continuing Disclosure Certificate. The Continuing Disclosure Certificate, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, is hereby approved, and the Authorized Officers are each hereby authorized and any one of the Authorized Officers is hereby directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the Continuing Disclosure Certificate by such Authorized Officer.

Section 5. Preliminary Official Statement. The Preliminary Official Statement, in substantially the form submitted to this meeting and made a part hereof as though set forth herein, with such changes, insertions and omissions as may be approved by an Authorized Officer, is hereby approved, and the use of the Preliminary Official Statement is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). If and to the extent it is necessary to make substantial changes to the Preliminary Official Statement prior to the offering and sale of the Series 2024 Bonds, the use of the Preliminary Official Statement in connection with the offering and sale of the Series 2024 Bonds, and the certification of its finality within the meaning of Rule 15c2-12 by an Authorized Officer, shall follow the distribution to the Board of Trustees of a revised draft of the Preliminary Official Statement with accompanying directions and instructions to members of the Board of Trustees to review the revised Preliminary Official Statement and provide comments to such Authorized Officer.

Section 6. Official Statement. The preparation and delivery of an Official Statement, and its use by the Underwriter in connection with the offering and sale of the Series 2024 Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and any one of the Authorized Officers is directed, for and in the name of and on behalf of the District, to execute the final Official Statement and any amendment or supplement thereto and thereupon to cause the final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 7. Investment of Proceeds. *Investment of Proceeds.* All funds held in the related interest and sinking fund of the District established for the Series 2024 Bonds shall be invested at the discretion of the Treasurer. In the absence of written request from the District, proceeds of the Series 2024 Bonds held in the building fund of the District shall be invested at the sole discretion of the Treasurer pursuant to State law, including Government Code Section 53601 *et. seq.*, as the same may be amended or supplemented from time to time, and the investment policy of the County. In accordance with subsection (g) of Section 15146 of the

Education Code, at no time shall the proceeds of the Series 2024 Bonds be withdrawn by the District for investment outside the County Treasury.

(c) *Investment Agreements.* To the extent permitted by law, at the written request of an Authorized Officer, each of whom is hereby expressly authorized to make such request, all or any portion of the building fund of the District may be invested on behalf of the District in investment agreements, including guaranteed investment contracts, float contracts or other investment products (collectively, “Investment Agreements”), which comply with the requirements of each rating agency then rating the Series 2024 Bonds necessary in order to maintain the then-current rating on the Series 2024 Bonds. Pursuant to Section 5922 of the Government Code, the Board of Trustees hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Series 2024 Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Series 2024 Bonds and funds held to pay the Series 2024 Bonds.

Section 10. Tax Covenants. *General.* The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on a Tax-Exempt series of Series 2024 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of each Tax-Exempt series of Series 2024 Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Series 2024 Bonds.

(a) *Yield Restriction.* In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer in writing, and the District shall make its best efforts to ensure that the Treasurer shall take such action as may be necessary in accordance with such instructions.

(b) *Reliance on Opinion of Bond Counsel.* Notwithstanding any provision of this Section, if the District shall provide to the Treasurer an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Series 2024 Bonds not issued as Taxable Bonds under Section 103 of the Code, the Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and each Tax Certificate with respect to the Series 2024 Bonds not issued as Taxable Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 11. Professional Services. Fieldman, Rolapp & Associates, Inc. shall serve as municipal advisor to the District for the Series 2024 Bonds. Orrick, Herrington & Sutcliffe LLP shall serve as bond counsel and disclosure counsel to the District for the Series 2024 Bonds. Piper Sandler & Co. shall serve as underwriter for the Series 2024 Bonds.

Section 12. Delegation of Authority. The Authorized Officers are hereby authorized and directed, jointly and severally, to execute and delivery, for and on behalf of the District, any and all agreements, documents, certificates and instruments and to do or cause to be done any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including, without limitation negotiating the terms of the insurance policy, if any, referred to herein.

Section 13. Approval of Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

Section 14. Debt Management Policy; Notice to California Debt and Investment Advisory Commission. GOOD FAITH ESTIMATES

The following information was obtained from Fieldman, Rolapp & Associates, Inc., municipal advisor to the District, in connection with the bonds approved in the attached Resolution (the “Series 2024 Bonds”), and is provided in compliance with Section 15146(b)(1)(D) of the California Education Code and Section 5852.1 of the California Government Code with respect to the Series 2024 Bonds:

1. *Principal Amount.* Based on the District’s financing plan and based on market conditions prevailing at the time of preparation of such estimate, their good faith estimate of the aggregate principal amount of the Series 2024 Bonds to be sold in a public offering is \$6,000,000 (the “Estimated Principal Amount”).

2. *True Interest Cost of the Series 2024 Bonds.* Assuming the Estimated Principal Amount of the Series 2024 Bonds are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the true interest cost of the Series 2024 Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Series 2024 Bonds, is 4.49%.

3. *Finance Charge of the Series 2024 Bonds.* Assuming the Estimated Principal Amount of the Series 2024 Bonds are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the finance charge of the Series 2024 Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Series 2024 Bonds), is \$172,459, as follows:

a)	Underwriter’s Discount	\$36,000.00
b)	Credit Enhancement	26,458.70*
c)	Bond Counsel and Disbursements	33,596.84
d)	Disclosure Counsel and Disbursements	15,612.65
e)	Municipal Advisor and Disbursements	38,488.14
f)	Rating Agency	10,869.57
g)	Other Expenses	11,432.81

*A municipal bond insurance policy with respect to the Series 2024 Bonds will be obtained only if economically advantageous to the District as determined by an Authorized Officer of the District.

4. *Amount of Proceeds to be Received.* Assuming the Estimated Principal Amount of the Series 2024 Bonds are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the amount of proceeds expected to be received by the District for sale of the Series 2024 Bonds less the finance charge of the Series 2024 Bonds described in 3 above and any reserves or capitalized interest paid or funded with proceeds of the Series 2024 Bonds, is \$5,827,541.

5. *Total Payment Amount.* Assuming the Estimated Principal Amount of the Series 2024 Bonds are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Series 2024 Bonds plus the finance charge of the Series 2024 Bonds described in paragraph 3 above not paid with the proceeds of the Series 2024 Bonds, calculated to the final maturity of the Series 2024 Bonds, is \$11,618,056.

Attention is directed to the fact that the foregoing information constitutes good faith estimates only. The actual interest cost, finance charges, amount of proceeds and total payment amount may vary from the estimates above due to variations from these estimates in the timing of Series 2024 Bond sales, the amount of Series 2024 Bonds sold, the amortization of the Series 2024 Bonds sold and market interest rates at the time of each sale. The date or dates of sale and the amount of Series 2024 Bonds sold will be determined by the District based on need for project funds and other factors. The actual interest rates at which the Series 2024 Bonds will be sold will depend on the bond market at the time of each sale. The actual amortization of the Series 2024 Bonds will also depend, in part, on market interest rates at the time of each sale. Market interest rates are affected by economic and other factors beyond the District's control. The Board of Trustees has approved the issuance of the Series 2024 Bonds with a maximum true interest cost of 6.00%.

Castaic Union School District, County of Los Angeles, State of California (the "District"), acknowledges itself obligated to and promises to pay to the Registered Owner identified above or registered assigns, on the Maturity Date set forth above or upon prior redemption hereof, the Principal Amount specified above in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this Bond (unless this Bond is authenticated as of a date during the period from the Record Date (as defined herein) next preceding any interest payment date to such interest payment date, inclusive, in which event it shall bear interest from such interest payment date, or unless this Bond is authenticated on or before July 15, 2024, in which event it shall bear interest from the date hereof) at the Interest Rate per annum stated above, payable commencing on August 1, 2024, and thereafter on February 1 and August 1 in each year, until payment of the Principal Amount. This Bond is issued pursuant to a Resolution adopted by the Board of Trustees of the District on May 8, 2024 (the "Resolution"). Capitalized undefined terms used herein have the meanings ascribed thereto in the Resolution.

The principal hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of the paying agent/registrar and transfer agent of the District (the "Paying Agent"), initially the Treasurer and Tax Collector of the County of Los Angeles. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the Registered Owner hereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check or draft mailed to such Registered Owner at the owner's address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Bonds aggregating at least \$1,000,000 in principal amount, interest will be paid by wire transfer in immediately available funds to an account maintained in the United States as specified by the

Registered Owner in such request. So long as Cede & Co. or its registered assigns shall be the Registered Owner of this Bond, payment shall be made in immediately available funds as provided in the Resolution hereinafter described.

This Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates, interest payment modes, maturities and redemption provisions), in the aggregate principal amount of \$ _____, and designated as "Castaic Union School District General Obligation Bonds, Election of 2012, Series 2024" (the "Bonds"). The Bonds were authorized by a vote of at least 55% percent of the voters voting at an election duly and legally called, held and conducted in the District on November 6, 2012. The Bonds are issued and sold by the Board of Trustees of the District pursuant to and in strict conformity with the provisions of the Constitution and laws of the State, and of the Resolution, and subject to the more particular terms specified in the Bond Purchase Agreement, dated _____, 2024 (the "Bond Purchase Agreement"), by and between the District and Piper Sandler & Co., as underwriter.

The Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple thereof, provided that no Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same tenor, interest payment mode, and maturity of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations of the same tenor, interest payment mode, and same aggregate principal amount will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the District and the Paying Agent shall not be affected by any notice to the contrary.

[The Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the Resolution and the Bond Purchase Agreement. If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.]

The Board of Trustees of the District hereby certifies and declares that the total amount of indebtedness of the District, including the amount of this Bond, is within the limit provided by law; that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Bond have been done and performed in strict conformity with the laws authorizing the issuance of this Bond; and that this Bond is in substantially the form prescribed by order of the Board of Trustees duly made and entered on its minutes. The Bonds represent an obligation payable out of the interest and sinking fund of the District, and the money for the

payment of principal of, premium, if any, and interest hereon, shall be raised by taxation upon the taxable property of the District.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Paying Agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been signed by the Paying Agent.

IN WITNESS WHEREOF, the Board of Trustees of the Castaic Union School District, County of Los Angeles, State of California, has caused this Bond to be signed by its President and countersigned by the Clerk of said Board, as of the date set forth above.
